Blood Lawrence Hill, 2013-09-28 Selected for The Globe 100 Books in 2013. With the 2013 CBC Massey Lectures bestselling author Lawrence Hill offers a provocative examination of the scientific and social history of blood and on the ways that it unites and divides us today. Blood runs red through every person's arteries and fulfills the same functions in every human being. The study of blood has advanced our understanding of biology and improved medical treatments but its cultural and social representations have divided us perennially. Blood pulses through religion literature and the visual arts. Every time it pools or spills we learn a little more about what brings human beings together and what pulls us apart. For centuries perceptions of difference in our blood have separated people on the basis of gender race class and nation. Ideas about blood purity have spawned rules about who gets to belong to a family or cultural group who enjoys the rights of citizenship and nationality what privileges one can expect to be granted or denied whether you inherit poverty or the right to rule over the masses what constitutes fair play in sport and what defines a person's identity. Blood: The Stuff of Life is a bold meditation on blood as an historical and contemporary marker of identity belonging gender race class citizenship athletic superiority and nationhood.

The Deserter's Tale Joshua Key, 2007-02-01 Joshua Key's critically acclaimed memoir *The Deserter's Tale* is the first account from a soldier who deserted from the war in Iraq and a vivid and damning indictment of how the war is being waged. In spring 2003 young Oklahoman Joshua Key was sent to Ramadi as part of a combat engineer company with the U.S. military. The war he found himself participating in was not the campaign against terrorists and evildoers he had expected. Key saw Iraqi civilians beaten, shot, and killed for little or no provocation. After six months in Iraq, Key was home on leave and knew he could not return. So he took his family and went underground in the United States, finally seeking asylum in Canada. In clear-eyed, compelling prose, crafted with the help of award-winning Canadian novelist and journalist Lawrence Hill, *The Deserter's Tale* tells the story of a man who went into the war believing unquestioningly in his government and who was transformed into a person who ethically, morally, and physically could no longer serve his country.
