Children of the Matrix David Icke,2017-01-31 How an interdimensional race has controlled the planet for thousands of years and still does [Children of the Matrix](#) David Icke,2001 **Bridge of Love** David Icke,1995-08 David Icke s spiritual journey leads him deeper into the world of global deception a plan he calls a coup d etat on the human mind This book contains detailed information plus an outline to solutions which will lead us into a glorious future in which humanity will be truly free **Human Race Get Off Your Knees** David Icke,2010 David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet Human Race Get off Your Knees The Lion Sleeps No More He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non human entities that covertly control us from cradle to grave His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon which he says is not a heavenly body but an artificial construct a gigantic spacecraft probably a hollowed out planetoid which is home to the extraterrestrial group that has been manipulating humanity for aeons Humanity is at a fork in the road and it is time to make a choice Are we going to awaken to our true genius and potential as Infinite Consciousness Or are we going to remain entrapped in body mind and the manufactured illusions of the Moon Matrix It is time to shake off the shackles stop being Pavlov s dogs and grab reality by the balls and wake up to who we are truly meant to be *The Trigger* David Icke,2019-09 The author looks at who was really behind the 9 11 attacks and why what has happened in the years following 9 11 and the increasing evidence to show the official story doesn t stand up to research and what has happened in the world since that day **The David Icke Guide to the Global Conspiracy (and how to End It)** David Icke,2007 The David Icke Guide to the Global Conspiracy is both extraordinary and unique It is a masterpiece in dot connecting and reveals the hidden links to apparently unconnected people events and subjects to show how it all fits together **Alice in Wonderland and the World Trade Center Disaster** David Icke,2002 Since the horrendous day of September 11th 2001 the people of the world have been told the Big Lie The official story of what happened on 9 11 is a fantasy of untruth manipulation contradiction and anomaly David Icke has spent well over a decade uncovering the force that was really behind those attacks and has travelled to 40 countries in pursuit of the truth He has exposed their personnel methods and agenda in a series of books and videos *Tales from the Time Loop* David Icke,2003 Tales from the Time Loop is the most comprehensive book yet written about the global conspiracy that emerges more clearly every day David Icke has been warning for well over a decade of the plan for a world fascist state a global version of Nazi Germany in which the people will be prisoners of a Big Brother dictatorship founded on the suppression of the most fundamental freedoms and total control and surveillance Today there is a gathering awareness that he was right

People are realising that Big Brother is no longer coming He s here **Everything You Need to Know But Have Never Been Told** David Icke,2017-11-18 I want to make it clear before we start what the title represents Everything You Need To Know But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge How could you put that between two covers Religious books claim to do this but they are works of self delusion and perceptual imprisonment Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality both in the seen and unseen from which everything else will come This book is a start not a finish It is written in layers with information placed upon information that together reveals the picture by connecting the parts The parts are fascinating but the picture is devastating Prepare for a perception reboot **It Doesn't Have to be Like this** David Icke,1990 **I Am Me, I Am Free** David Icke,1996 With humor and powerful insight David Icke exposes the mental and emotional prisons which billions of people have built around themselves **Love Changes Everything** David Icke,1992 **Remember who You are** David Icke,2012 David Icke has exposed the global network of families behind Big Banking Big Biotech Big Food Big Government Big Media and Big Pharma in book after book as his awareness has expanded and he takes this on to still new levels of exposure in Remember Who You are the key is in the title We are enslaved because we identify with our body and our name when these are only vehicles and symbols for what we really are Infinite Awareness Infinite Consciousness We are imprisoned in the realms of the five senses and little me when we are All That Is All That Has Been and all That Can Ever Be To breach the perceptual walls of the Saturn Moon Matrix and bring and end to mass human enslavement we need to awaken to our true identity Publisher s description *Hijos de Matrix : cómo una raza interdimensional controla el mundo desde hace miles de años* David Icke,2010-10 Esta obra tiene como objetivo reunir pruebas y antecedentes del control extraterrestre intraterrestre e interdimensional que domina el planeta Tierra desde hace miles de a os e intenta presentar una imagen lo m s clara posible de las fuerzas que diariam **Perceptions of a Renegade Mind** David Icke,2021-06 David Icke has been writing books for decades warning that current events were coming He has faced ridicule and abuse for saying that the end of human freedom was being planned how and by whom His latest highly topical book Perceptions of a Renegade Mind is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the Covid era His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail Icke set out only in January 2021 to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening But they ask what exactly What is going on He answers those questions in his usual dot connected detail and lays out the background to what he calls the Global Cult which operates across borders to advance a long planned agenda for total human control Those who read his section on Covid will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief David Icke s time

has come and Perceptions of a Renegade Mind is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive audience to what he has to say **The Answer** David Icke,2020-08-13 **Phantom Self** David Icke,2016 The vast majority of us unknowingly suffer from a slave mentality We constantly experience the psychological phenomena of cognitive dissonance where our beliefs and behaviour are in conflict and Stockholm syndrome the traumatic bonding with a captor Our ability to decode reality is linked to what we are able to perceive Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control Our health is being systematically weakened if you are sick you are easier to control Ickes dystopian view of the future assumes that the masses will stay glued to their TVs locked forever into the hive mind of the Matrix which says I have no power Can humanity break free Through truth and love we can become who and what we really are **Figli di Matrix** David Icke,2020 **A Culture of Conspiracy** Michael Barkun,2003 Unravelling the genealogies and permutations of conspiracist worldviews this work shows how this web of urban legends has spread among sub cultures on the Internet and through mass media and how this phenomenon relates to larger changes in American culture **Stuff They Don't Want You to Know** Ben Bowlin,Matt Frederick,Noel Brown,2022-10-11 Interesting Bowlin s calmly rational approach to the subject of conspiracy theories shows the importance of logic and evidence Booklist A page turning book to give to someone who believes in pizza pedophilia or that the Illuminati rule the world Kirkus Reviews The co hosts of the hit podcast Stuff They Don t Want You to Know Ben Bowlin Matthew Frederick Noel Brown discern conspiracy fact from fiction in this sharp humorous compulsively readable and gorgeously illustrated book In times of chaos and uncertainty when trust is low and economic disparity is high when political institutions are crumbling and cultural animosities are building conspiracy theories find fertile ground Many are wild most are untrue a few are hard to ignore but all of them share one vital trait there s a seed of truth at their center That seed carries the sordid conspiracy riddled history of our institutions and corporations woven into its DNA Ben Bowlin Matt Frederick and Noel Brown host the popular iHeart Media podcast Stuff They Don t Want You To Know They are experts at exploring explaining and interrogating today s emergent conspiracies from chem trails and biological testing to the secrets of lobbying and the indisputable evidence of UFOs Written in a smart witty and conversational style elevated with amazing illustrations Stuff They Don t Want You to Know is a vital book in understanding the nature of conspiracy and using truth as a powerful weapon against ignorance misinformation and lies
