Introduction to Sociology 2e Nathan J. Keirns, Heather Griffiths, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Sally Vyain, Tommy Sadler, Jeff D. Bry, Faye Jones, 2015-03-17 This text is intended for a one semester introductory course Page 1

The McDonaldization of Society George Ritzer, 2018-01-12 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop The book that made McDonaldization part of the lexicon of contemporary sociological theory read by hundreds of thousands of students is now in its Ninth Edition George Ritzer s seminal work of critical sociology The McDonaldization of Society continues to stand as one of the pillars of modern day sociological thought Building on the argument that the fast food restaurant has become the model for the rationalization process today this book links theory to contemporary life in a globalized world and resonates with students in a way that few other books do Ritzer opens students eyes to many current issues and shows how McDonaldization s principles apply to other settings especially in the areas of consumption and globalization This new edition has been significantly reoriented to reflect our experience of McDonaldization in the world of online consumption New to this Edition Examines how retailers like Amazon represent a new era of datafication the transformation of vast amounts of information into quantifiable data Discusses how the digital world has almost unlimited potential to turn consumers into prosumers doing volunteer work formerly done by paid employees This edition is more streamlined than previous editions to sharpen its argument and message and make it more useable as a secondary reading in a wide range of courses

Introduction to Sociology 3e Tonja R. Conerly, Kathleen Holmes, Asha Lal Tamang, 2023-05-19

The Real World (Fourth Edition) Kerry Ferris, Jill Stein, 2014-02-01 The most relevant textbook for today s students The Real World succeeds in classrooms because it focuses on the perspective that students care about most their own In every chapter the authors use activities examples from everyday life and popular culture to draw students into thinking sociologically and to show the relevance of sociology to our relationships our jobs and our future goals

An Introduction to Sociology Pamela Abbott, Melissa Tyler, Claire Wallace, 2002-09-11 This third edition of this best selling book confirms the ongoing centrality of feminist perspectives and research to the sociological enterprise and introduces students to the wide range of feminist contributions in key areas of sociological concern Completely revised this edition includes new chapters on sexuality and the media additional material on race and ethnicity disability and the body many new international and comparative examples the influence of theories of globalization and post colonial studies In addition the theoretical elements have also been fully rethought in light of recent developments in social theory Written by three experienced teachers and examiners this book gives students of sociology and women s studies an accessible overview of the feminist contribution to all the key areas of sociological concern

The Real

World Kerry Ferris, Jill Stein, 2018 In every chapter Ferris and Stein use examples from everyday life and pop culture to draw students into thinking sociologically and to show the relevance of sociology to their relationships jobs and future goals Data Workshops in every chapter give students a chance to apply theoretical concepts to their personal lives and actually do sociology

Sociology in Everyday Life David Allen Karp, William C. Yoels, 1998 This text shows that there are underlying patterns to everyday life that these patterns become obvious only when we begin to look very hard at everyday phenomena then applying sociological concepts to them

SAGE Readings for Introductory Sociology Kimberly McGann, 2021-03-03 This brief anthology for introductory sociology is a collection of 24 short readings that illustrate key concepts in sociology relate to the everyday lives of students and spark good classroom discussions The selections represent four theoretical traditions in sociology functionalism symbolic interaction conflict theory feminism and show the range and diversity of sociology and the people who practice it The book is designed for instructors who want to expose students to some original scholarship in their first sociology course but who do not want to adopt a comprehensive reader along with the core text they are using

Global Sociology Robin Cohen, Paul Kennedy, 2017-09-09 A core introduction to Sociology that puts global issues at the heart of its discussion From recessions and revolutions to social media and migration this third edition is fully updated to explore just how these issues can help us to understand the role of Sociology in our world today With clear writing and infectious enthusiasm for its topic it evaluates the connections between everyday experiences and larger processes Combining discussion of global challenges with an emphasis on critical thinking this lively text offers an engaging introduction ideally suited for first year Sociology modules In addition it can be used as a standalone text on more specialised modules on Globalisation or as complimentary reading on courses dealing with issues such as Work Class and Gender Race Crime or Leisure from a global perspective New to this Edition Incorporates coverage of the global financial crisis the environment family and intimacy and technology An improved companion website with resources for students at more advanced stages and for instructors Updated further guidelines for primary sources and additional reading
