Riddles are fun and also provide an opportunity to learn. It is necessary that the young minds get ample of opportunities to think and develop. Riddle is not only for entertainment but it is a very good warm up exercise for our brain also expand vocabulary and acts as a tool to bond with our kids it also makes us to think outside the box. Riddles are good practice for us to contemplate critically. It does not only exercise our minds in analyzing but it also reminds us that we may perceive the same things but express these things differently. Repeat each one several times and think over. Enjoy it. *The Big Book of Riddles and Trivia for Kids* J. Rama, 2021-07-14

Are you looking for an activity book for kids? You've come to the right place. The Big Book of Riddles and Trivia for Kids is the perfect book for you and your child. Riddles and Brain Teasers a great way to stimulate your baby's development. It is learning through play which is why both children and parents love this form of spending free time. Riddles develop intelligence, require concentration and association and test knowledge. Advantages of Riddles, Brain Teasers and trivia: Teaches Problem solving skills. Problem solving is one of the most important things we can teach our kids and riddles help improve kid's problem skills. Expands Vocabulary. As kids read and solve riddles they are constantly expanding their vocabulary. They are learning new words and multiple meanings and ways to use words. Riddles for kids help kids understand words by using words in a variety of different contexts to help expand your child's vocabulary. Critical Thinking Skills. Critical thinking is key component kids use while solving riddles. As kids solve riddles they learn how to critically think more in depth which improves comprehension and creativity. Share their Knowledge. As kids learn riddles they have the opportunity to learn new skills and words and then share them with others. They can share these riddles with siblings, friends, teachers and even parents. As your child shares this knowledge it not only reinforces the skills they are learning through riddles but learns socialization skills as well. Establish a love for learning. When kids first begin telling and trying to solve riddles it is fun. They love it because it makes them laugh and they enjoy figuring out the riddle. They don't realize they are learning while they are doing it. Riddles help establish a lifelong love of reading. Creates Bonds. By sharing the love of riddles with your kids you are helping them create bonds with you as well as their peers. If your child is shy sometimes it just takes one riddle to get them interacting and laughing with peers. This interaction creates lifelong bonds with their peers.
