**Missing May (Scholastic Gold)** Jan 09 2022 This critically acclaimed winner of the Newbery Medal joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Ever since May, Summer's aunt and good-as-a-mother for the past six years, died in the garden among her pole beans and carrots, life for Summer and her Uncle Ob has been as bleak as winter. Ob doesn't want to create his beautiful whirligigs anymore, and he and Summer have slipped into a sadness that they can't shake off. They need May in whatever form they can have her -- a message, a whisper, a sign that will tell them what to do next. When that sign comes, Summer will discover that she and Ob can keep missing May but still go on with their lives.

*The Rebel and the Rake* Dec 08 2021 Fans of Netflix's Bridgerton series will love this enchanting story of a spy who finds himself entangled with the most intriguing bluestocking—from the series that delivers “both emotional intensity and lush sensuality, and vivacious writing enhanced by ample measures of wit”. (Booklist, Starred Review) Rafe Davies might seem like just another charismatic rake, but in reality, he is one of the crown's most valuable agents. As relentless as he is reckless, Rafe has never come upon a mission he couldn't complete. But when he encounters the intriguing-yet-prickly lady's companion Miss Sylvia Sparrow while on assignment at a Scottish house party, he finds himself thoroughly distracted by the secretive beauty. Though most women would be thrilled to catch the eye of a tall, dark, and dangerously handsome man, Sylvia is through with that sort of adventure. She trusted the wrong man once and paid for it dearly. The fiery bluestocking is resolved to avoid Rafe, until a chance encounter between them reveals the normally irreverent man's unexpected depths—and an attraction that's impossible to ignore. But when Sylvia begins to suspect she isn't the only one harboring a few secrets, she realizes that Rafe may pose a risk to far more than her heart.

**Harry Potter and the Chamber of Secrets** Oct 06 2021 Jim Kay's dazzling depiction of J.K. Rowling's wizarding world has won legions of fans since the first Illustrated Edition of the Harry Potter novels was published in hardback in 2015, becoming a bestseller around the world. This irresistible smaller-format paperback edition of *Harry Potter and the Chamber of Secrets* perfectly pairs J.K. Rowling's storytelling genius with the enchantment of Jim Kay's illustrations, bringing the magic of Harry Potter to new readers with full-colour pictures throughout. This edition has been beautifully redesigned with selected illustration

highlights - the fully illustrated edition is still available in hardback. Fizzing with magic and brimming with humour, this inspired reimagining will captivate wizards and Muggles alike, as Harry and his friends, now in their second year at Hogwarts School of Witchcraft and Wizardry, seek out a legendary chamber and the deadly secret that lies at its heart ...

**The Transmedia Franchise of Star Wars TV** Feb 02 2024 While previous work on the Star Wars universe charts the Campbellian mythic arcs, political representations, and fan reactions associated with the films, this volume takes a transmedial approach to the material, recognizing that Star Wars TV projects interact with and relate to other Star Wars texts. The chapters in this volume take as a basic premise that the televisual entrants into the Star Wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the Star Wars franchise—and, thus, industry-wide transmedia storytelling strategies—developed. The book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long-running popular series, long-ignored texts, and even toy commercials to bear on the franchise's complex history.

Cain V. Abel Mar 03 2024 Enter the packed courtroom and take your seat as a juror on the Cain v. Abel trial. Soon, the prosecution and defense attorneys (angels from Jewish legend) will call Cain, Abel, Sin, Adam, Eve, and God to the witness stand to present their perspectives on the world's first murder. Great Jewish commentators throughout the ages will also offer contradictory testimony on Cain's emotional, societal, and spiritual influences. As jurors, when we mete out Cain's punishment, must we factor in his family history, psychological makeup, and the human impulse to sin? In this highly eclectic and gripping compilation of insights by Jewish commentators on the Cain and Abel story, courtroom scenes are juxtaposed with the author's commentary, advancing novel insights and introspection. As each of us grapples with Cain's actions, we confront our own darkest traits. If Cain is a symbol for all humanity, what can we do to avoid becoming like him? Furthering this conversation, Rabbi Dan Ornstein includes a discussion and activity guide to promote open dialogue about human brokenness and healing, personal impulses, and societal responsibility.

**Fantastic Beasts and Where to Find Them: The Illustrated Edition** May 01 2021 An essential companion to the Harry Potter novels, now fully illustrated! Fantastic Beasts and Where to Find Them, Newt Scamander's classic compendium of magical creatures, has delighted generations of wizarding readers. With this beautiful, large-scale new edition illustrated in full color, Muggles too will have the chance to discover where the Runespoor lives, what the Puffskein eats, and why shiny objects should always be kept away from the Niffler. Proceeds from the sale of this book will go to Comic Relief and J.K. Rowling's international charity, Lumos, which will do magic beyond the powers of any wizard. If you feel that this is insufficient reason to part with your money, one can only hope that passing wizards feel more charitable if they see you being attacked by a Manticore.

*Harry Potter and the Cursed Child* Jul 27 2023 As an overworked employee of the Ministry of Magic, a husband, and a father, Harry Potter struggles with a past that refuses to stay where it belongs while his youngest son, Albus, finds the weight of the family legacy difficult to bear.

**The Unofficial Harry Potter Character Compendium** May 25 2023 This compendium showcases EVERY character ever mentioned in the Harry Potter books, films and play: the good, the bad and the misunderstood. With more than 700 entries, this book is packed from cover to cover! J.K. Rowling's collection of mystical multitudes is what makes the wizarding world so enchanting. To dive into Harry's story is to immerse yourself in the richness of a magical universe filled with wizarding history, culture and

lore. A world of witches, wizards, owls, elves, non-magical people, anti-non-magical-people people, folks who can talk to snakes and snakes who used to be folks. There are mind-readers, shape-shifters, centaurs, giants, ghosts (nearly headless and fully formed) and one enormous, extremely ill-tempered tree. This massive tome details every character created by J.K. Rowling and appearing in the official Harry Potter canon of books, movies and plays. Each entry highlights one character, where you will find details of when the character was first mentioned, appearance, wizard school, house, patronus, wand, related family members, skills and achievements, personal history and more. The Compendium also includes genealogical charts and family trees for the major characters, world maps detailing important locations, homes and schools, as well as charts detailing alliances between characters.

Harry Potter and The Chamber of Serpents, A Potter Secret Parody Jan 21 2023 Austen comes to England knowing as an American he'll stick out at his new school. But when an errant owl lands him at Hogwarts he's in for more than he expected. If it's not hard enough being the only American at Hogwarts, Austen's sorted into the most despised of all the houses. Then stumbling around the dungeon while trying to find his common room, he unwittingly helps the monster from the Chamber of Serpents. Will he discover the secret of the Chamber before he becomes another victim of He-Who-Must-Not-Be-Named?

**Harry Potter** Nov 30 2023 Harry Potter and the Chamber of Secrets is the second novel in the Harry Potter series, written by J. K. Rowling. The plot follows Harry's second year at Hogwarts School of Witchcraft and Wizardry, during which a series of messages on the walls of the school's corridors warn that the "Chamber of Secrets" has been opened and that the "heir of Slytherin" would kill all pupils who do not come from all-magical families. These threats are found after attacks which leave residents of the school "petrified" (frozen like stone). Throughout the year, Harry and his friends Ron Weasley and Hermione Granger investigate the attacks. The book was published in the United Kingdom on 2 July 1998 by Bloomsbury and in the United States on 2 June 1999 by Scholastic Inc. Although Rowling found it difficult to finish the book, it won high praise and awards from critics, young readers and the book industry, although some critics thought the story was perhaps too frightening for younger children. Much like with other novels in the series, Harry Potter and the Chamber of Secrets triggered religious debates; some religious authorities have condemned its use of magical themes, while others have praised its emphasis on self-sacrifice and on the way in which a person's character is the result of the person's choices. Several commentators have noted that personal identity is a strong theme in the book, and that it addresses issues of racism through the treatment of non-magical, non-human and non-living characters. Some commentators regard the diary as a warning against uncritical acceptance of information from sources whose motives and reliability cannot be checked. Institutional authority is portrayed as self-serving and incompetent. The book is also known to have some connections to the sixth novel of the series, Harry Potter and the Half-Blood Prince. The film adaptation of the novel, released in 2002, became (at that time) the seventh highest grossing film ever and received generally favourable reviews. Video games loosely based on Harry Potter and the Chamber of Secrets were also released for several platforms, and most obtained favourable reviews.

**Harry Potter and the Chamber of Secrets** Jun 06 2024 'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

The Magicians Trilogy Books 1-3 Oct 30 2023 The entire #1 New York Times bestselling Magicians trilogy, including The Magicians, The Magician King, and The Magician's Land, now available in one ebook bundle The Magicians Quentin Coldwater is brilliant but miserable. A high school math genius, he's

secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams may have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined . . . *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. The Magician King Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real-world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth. *The Magician's Land* Quentin Coldwater has lost everything. He has been cast out of Fillory, the secret magical world of his childhood dreams that he once ruled. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Meanwhile, the magical barriers that keep Fillory safe are failing, and barbarians from the north have invaded. Eliot and Janet, the rulers of Fillory, embark on a final quest to save their beloved world, only to discover a situation far more complex—and far more dire—than anyone had envisioned. Along with Plum, a brilliant young magician with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. His new life takes him back to old haunts, like Antarctica and the Neatherlands, and old friends he thought were lost forever. *The Magician's Land* is an intricate and fantastical thriller, and an epic of love and redemption that brings the *Magicians* trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy.

*Harry Potter and the Deathly Hallows* Sep 28 2023 'Give me Harry Potter,' said Voldemort's voice, 'and none shall be harmed. Give me Harry Potter, and I shall leave the school untouched. Give me Harry Potter, and you will be rewarded.' As he climbs into the sidecar of Hagrid's motorbike and takes to the skies, leaving Privet Drive for the last time, Harry Potter knows that Lord Voldemort and the Death Eaters are not far behind. The protective charm that has kept Harry safe until now is broken, but he cannot keep hiding. The Dark Lord is breathing fear into everything Harry loves and to stop him Harry will have to find and destroy the remaining Horcruxes. The final battle must begin - Harry must stand and face his enemy... Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

***Harry Potter and the Goblet of Fire (Harry Potter, Book 4)* Mar 30 2021** Harry wants to get away from the pernicious Dursleys and go to the International Quidditch Cup with Hermione, Ron, and the Weasleys. He wants to dream about Cho Chang, his crush (and maybe do more than dream). He wants to find out about the mysterious event involving two other rival schools of magic, and a competition that hasn't happened for a hundred years. He wants to be a normal, fourteen-year-old wizard. Unfortunately for Harry Potter, he's not normal - even by wizarding standards. And in this case, different can be deadly.

*The Chosen One* May 13 2022 Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever.

**What We Saw** Feb 19 2023 “A smart, sensitive, and gripping story about the courage it takes to do what’s right.” —Deb Caletti, National Book Award finalist Critically acclaimed memoirist Aaron Hartzler, author of *Rapture Practice*, takes an unflinching look at what happens to a small town when some of its residents commit a terrible crime. The party at John Doone's last Saturday night is a bit of a blur. Kate Weston can piece together most of the details: Stacey Stallard handing her shots, Ben Cody taking her keys and getting her home early... But when a picture of Stacey passed out over Deacon Mills's shoulder appears online the next morning, Kate suspects she doesn't have all the details. When Stacey levels charges against four of Kate's classmates, the whole town erupts into controversy. Facts that can't be ignored begin to surface, and every answer Kate finds leads back to the same questions: Who witnessed what happened to Stacey? And what responsibility do they have to speak up about what they saw? This honest, authentic debut novel—inspired by the events in the Steubenville rape case—will resonate with readers who've ever walked that razor-thin line between guilt and innocence that so often gets blurred, one text at a time.
