Robert Stone. They call him "Stone" because he's hard as a rock. He's sexy, debonair and arrogant as f*ck. A sexy, dangerous rival for power in the city that never sleeps. He sits on top of an empire looking down at the world...and now he's my stepbrother. Our history has been one dangerous game of cat and mouse. My business is in trouble and a merger is the only solution. I'll be screwed if this merger falls through...and maybe even if it does. The heat between us is unbearable. If that volcano between his legs erupts we'll both get scorched. I have to resist or my upcoming marriage will be shattered. I can't afford to get STONED. Makes the best or worst funny white elephant gifts under 10 for adults. Perfect Journal for Step Brother appreciation! This would make a fantastic gift for family, friend or coworker How can something so good feel so bad? CHLOEI thought the summer in America was supposed to be the best time of my life with grand finale being my mother's wedding, but, all I got when I arrived was an annoying step brother. Adam was a typical "bad boy" obsessed with his motorcycle and nothing else. From the start, we butted heads, going at it like a male beta fish who sees his own reflection. But, under that toughened exterior, Adam was actually pretty sweet - sweet enough for me to fall for him and I fell hard. His lips were like candy. His body an addiction. I wanted him. I needed him, but I could never have him...Special bonus included. AUTHOR'S NOTE: This romance is a complete standalone and due to its content is intended for 18+ readers. All characters are adults and all interactions are consensual. At the end of World War II, twenty-year-old Vera is brutally raped by an unknown assailant. From that rape is born a boy named Fred, a misfit who later becomes a talented boxer. Vera's young son, Barnum, forms a special but bizarre relationship with his half brother, fraught with rivalry and dependence as well as love. "I should have been your father," Fred tells Barnum, "instead of the fool who says he is." It is Barnum, who is now a screenwriter with a fondness for lies and alcohol, who narrates his family's saga. As he shares his family's history, he chronicles generations of independent women and absent and flawed men whom he calls the Night Men. Among them is his father, Arnold, who bequeaths to Barnum his circus name, his excessively small stature, and a con man's belief in the power of illusion. Filled with a galaxy of finely etched characters, this prize-winning novel is a tour de force and a literary masterpiece richly deserving of the accolades it has received. A foster girl with a dangerous past is adopted. When she sees her foster brother, she immediately has a crush on him. Through the journey of their lost tale, she finds friends, but the worst that could possibly happen comes true. She goes through rough times. Will the love that they share be the same when she comes back? When she does, did she lose the most important thing to her? Talk to the boss. You might be getting fired. Unpaid parking tickets. Your attention is required. Doctor says bend over and cough. Hot step mom wants to help you get off. THIS couch, for money, is where you must go. Sometimes a fireman needs to empty his hose. In bed with one lover. the other hides away. ordered a pizza. Can't afford to pay. Picked up a hitch hiker. She can't thank you enough. You wound up in prison and it's gonna get rough. HOT step sister and friend stole your PS4. You got caught shoplifting at your favourite store. You went for a massage that came with a feel. You met with a realtor but only closed one deal. The plumber is here. Your pipes need to be cleaned. Step-sister is stuck in the washing machine. Kassia I watched with caution as my father introduced me to my new brother. "Kassia this is Grayson, he is going to be living with us now." I extended my arm to greet him. He looked at it first before shaking it. "Nice

to meet you." He said, sounding a little uninterested. "Be nice Grayson." Emily, his mother, shouted from the other side of the living room. Emily had been married to my dad for a few months but I'd known her for two years. She was sweet, maybe too sweet sometimes, which always made me wonder why her son lived with his dad and not with her. He lived with his dad until he basically kicked him out a few days ago. We all had no idea know why. Grayson was tall, about 6'2 with a lean body. He had tattoos all over, even on his hands. He wore black all the time and he always had two or three rings on his fingers. His eyes were green with a little hazel in them and his brown hair sat right above his shoulder. He was basically perfect. From the moment I saw him walking through the door, I found it hard to believe he was real. "Kassia, show Grayson his room. We hope you two can get along, maybe even become friends because you'll be stuck together for a while," My dad said then let out a faint laugh. I smiled at Grayson, but he just stared at me. "F-follow me," I said nervously under his observing gaze. He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I labeled him an *sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? *Stand-alone novel *Sera-t-il son pire cauchemar ?* Quand Greta a appris que son demi-frère venait vivre avec eux, elle était à la fois curieuse et heureuse de faire la connaissance du fils de son beau-père. Malheureusement, elle a vite déchanté. Elec est tout simplement odieux avec elle. Pourtant, elle se sent attirée par ce garçon tatoué qui semble tout faire pour cacher ses blessures. Lentement, leur relation évolue, il s'ouvre petit à petit jusqu'à une nuit inoubliable. Le lendemain, Elec est parti, il disparaît de sa vie aussi vite qu'il y était apparu. Sept ans plus tard, un drame familial les réunit à nouveau. Greta comprend alors que l'adolescent qui s'amusait à la faire tourner en bourrique est devenu un homme très séduisant qui va lui faire tourner la tête. Sauront-ils à nouveau se faire confiance ?

Modern anthropology would be radically different without this book. Published in 1871, this first major study of kinship, inventive and wide-ranging, created a new field of inquiry in anthropology. Drawing partly upon his own fieldwork among American Indians, anthropologist Lewis Henry Morgan examined the kinship systems of over one hundred cultures, probing for similarities and differences in their organization. In his attempt to discover particular types of marriage and descent systems across the globe, Morgan demonstrated the centrality of kinship relations in many cultures. Kinship, it was revealed, was an important key for understanding cultures and could be studied through systematic, scientific means. ∅ Anthropologists continue to wrestle with the premises, methodology, and conclusions of *Systems of Consanguinity and Affinity*. Scholars such as W. H. R. Rivers, Robert Lowie, Meyer Fortes, Fred Eggan, and Claude Lévi-Strauss have acknowledged their intellectual debt to this study; those less sympathetic to Morgan's treatment of kinship nonetheless do not question its historical significance and impact on the development of modern anthropology. This book will be the first of a children's series titled "The Half-Brother/Step-Brother Series." This book is to help children ages 4 and up understand where outside siblings that live with other parents come from. In addition, I

hope to help children understand that their half-sibling is someone they could love and accept, although they share one parent. I've hated him since middle school. The effortlessly popular, lacrosse superstar, beautiful, blue-eyed nightmare Emerson Sawyer. Funny thing is, he didn't even know I existed until our senior year, when his mom started hooking up with my dad. Now he torments me in the hallways, calling me "Sis" whenever he gets the chance, relishing in the fact that I can't hide my blushing whenever he's around. Even though I can't stand him, my body betrays me-and he loves it. Emerson and his mom just moved in with us, and as if crushing on him wasn't weird enough, now our bedrooms share a wall. The sexual tension keeps building between us, but I know nothing can ever happen...especially now that our parents are engaged. I try to tell myself that I hate him, that he's wrong for me, that we'll never be together...So why did I agree to play Seven Minutes in Heaven at his girlfriend's high school party? And why does Emerson suddenly have my panties in his hands? Stepbrother Billionaire is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content. He is a nice respectable man that treats her mother well. When they told Vale they would be leaving her home for a month as they go on their honeymoon they'd forgotten to mention one slight little detail... They'd called Maxwell's son, Axel to watch over her while they were gone. Nothing major, just keep an eye here and there. Axel is not too happy about the request, but he agrees because he knows how important it is for his father. After spending a day watching her, Axel refuses to let her out of his sight. That little girl attracts trouble wherever she goes. His cock twitches every time he looks at her. For fucks sake, she's four years younger than him. He doesn't understand why he wants her so badly. He only knows one thing. No one else will get close to what's his. He would be there to make sure of it. WARNING. This story has characters that possess possessive behavior. Mature Content. 18+ only. Book 1 of 2 Three months. Three months trapped on a ranch in remote Montana with my mom's latest husband and his dark, brooding son. I shouldn't care that my new stepbrother's talent with ropes goes beyond lassoing stray cattle. I shouldn't care that his every look says he wants me but he's going to fight it to the bitter end. I shouldn't care that as the summer rolls on, my fascination overwhelms my better judgment and now I'm dying to call by stepbrother Master. Beaten and lied to by his previous alpha, Wyatt Fleming has been recovering from his past: by running his own restaurant, and being the best dad to his daughter, Hazel. No one knows his deepest secret: Nine years ago, he kissed his alpha stepbrother in the family's piano room. Raph has never forgotten that kiss. Not when Wyatt had looked at him, wide-eyed and beautiful. Nine years ago, their grandmother caught him kissing Wyatt. Wyatt had fled, entangled himself in an abusive relationship. By not rescuing him, Raph had helped ruin his brother's life. Saddled with guilt, Raph wishes he had fewer regrets: he should've stood up to Grandma, should've gotten himself out of debt, and stayed with the one omega he could never let go. When their father throws a party, Raph finds Wyatt in heat. Their simmering embers kindle into a roaring flame; after a steamy night together, Wyatt discovers that he's pregnant. Raph refuses to fail his omega again. Wyatt refuses to abandon his innocent child. As their relationship intensifies, both men face the very real danger... of their family and pasts coming to pull them apart.

Omega's Step Brother is a 97,000-word alpha/omega nonshifter MPreg romance, with a hilariously adorable 9-year-old, some angst, lots of food, and an alpha who has loved his omega for the longest time. **Warning:** This book contains references to past domestic/emotional abuse. Full list of warnings available on the Look Inside. If those are your triggers, please exercise caution when reading!

All I have to do is spy on Dimitri Brokov. The Dimitri Brokov. Billionaire, CEO, Russian Mobster, and my step-brother. I can have it all. A fling with the hot, tattooed and totally off-limits jerk, half a million dollars and, best of all, the sweet taste of revenge to mend my broken heart. Spying on Dimitri might just get me killed, but every time anger flickers into his eyes, I move a little closer. Every time he touches me, I get a little hotter. I'm supposed to be in control, but I keep going back for more. His hands on me are addictive, the danger he's in thrills me. And when he ties me to his bed so I can't run, we share more than a night of passion; we share a purpose. A mission. One that threatens everything we thought we knew.

Hot? Yes. F*ed up? Definitely. Two of kind? Probably. After arriving at her estranged mother's new home, Karley's not only taken back by the luxurious lifestyle her mother now lives in but also by her stepfather's two sons, Justin and Joe. The Osborne boys have a reputation around town for being wealthy, beautiful, and getting any girl they choose. It's a surprise to all, including Karley, when Justin turns his charm on her. He says he feels drawn to her and showers her with attention and adoration. They begin dating long distance, and every trip home draws her deeper into their torrid relationship. But not everyone is happy about this decision- especially Justin's older brother, Joe. Joe not only voices his disapproval, but also silently challenges Justin for Karley's affection. Karley is soon drawn to both brothers, enjoying their attention -one openly and the other behind closed doors. As one brother consumes her heart, the other consumes her thoughts. Unfortunately for Karley, both brothers harbor a deadly secret, one that links them to the recent killings of several girls. Karley is left with a

decision to make: which brother to trust and which one to fear as the Osborne brothers' true personalities are brought to light, all racing to a shattering conclusion. This is bad. Very bad. He's rubbing off on me. Resident bad boy Ethan Colton is turning me into an irresponsible bad girl. ----- Rule #2 - When I tell you to come here, you come here. It's still an order, still practically growling at me, commanding me to obey him, but it's more, too. It's fun and flirty, a little playful. I can see why girls fall for him, can see why his devious smirk melts their resistance, because it's doing the same to me. ----- Ethan is a cocky, arrogant jerk. He's always been that way. Why do girls trip over their own feet just to be with him? I don't know! I'll never understand it. Don't they realize he's just going to ditch them after a couple of weeks? Yes, he can be nice when he wants to be. It's true that he's ridiculously attractive, too. It's not like I want to stare at him when he walks around shirtless, but it's hard not to notice someone like him. He's got that bad boy smile that makes you want to... Did I mention he's my stepbrother? Ick. What? You think I'm falling for him? Nope! It's impossible. I met the devil when I was fourteen years old. Just a kid himself, he was hellbent on making me miserable. By fifteen I hated him. When I was sixteen, I moved as far away as I could. Since I've left, my life has been simple-peaceful and still. I had no intention of ever returning to Skull Creek. Until tragedy struck and I was called back. It's been two years since I saw my step-brother. I hoped he had changed. But, the devil is still the same. He's arrogant and ruthless. Rules the town with an iron fist. Where he walks, crowds part. Now, his blame is set on me, along with his dark orbs of hate. It's time to show him I'm not the same girl I was back then. If he pushes, I'll push harder. Where I bend, he will break. I refuse to catch fire on the flames he's set around me. If he wants to play, I'll play. As long as he doesn't find my weakness, I can survive this. Even if my weakness has become the devil himself. A reckless sacrifice to protect a family legacy... Sarah Kidnapped. Imprisoned. Ravished. When tragedy stole my family, my father's will mandated my future. I didn't inherit Atwood Industries. I became the only one capable of protecting it. Atwood Industries belongs only to a male heir, my heir. And my enemies-my own step-brothers-will stop at nothing to create a shared bloodline. But they've made a mistake, and they'll forever regret trying to control me. Nicholas Damned. Destroyed. Enthralled. My family's livelihood depended on acquiring the rival Atwood Industries and seizing the innocent woman bound within its terms of succession. I never expected such a challenge from my step-sister. I never thought I'd betray my own blood to protect her from the nightmare we began. But if I don't stop her, the woman I'm forbidden to love will sacrifice herself to tear apart my billion dollar empire... Note: This novel is a dark romance which will include themes of captivity, abuse, and sexual encounters with multiple partners. The story may be uncomfortable for certain readers. However, the series will feature a Happily Ever After and will not include themes of cheating/adultery. An extensive dictionary (almost 1800 pages) of the Upriver dialects of Halkomelem, an Amerindian language of B.C., giving information from almost 80 speakers gathered by the author over a period of 40 years. Entries include names and dates of citation, dialect information, phonological, morphological, syntactic, and semantic information, domain memberships of each alloeme, examples of use in sentences, and much cultural information. After his mother remarries, Ian Ryder finds himself spending the summer at a beachside mansion. It's the kind of thing he might have dreamed of, but there is a major complication—his gorgeous new stepbrother. Tortured by a family tragedy, Lucas

resents Ian and his mother. He can't accept that his father has moved on and remarried. On top of that, his attraction to Ian is a shock to him. Until he met Ian, Lucas always thought he was straight. But the heat between them is undeniable. He can't stay away from Ian, and Ian can't resist him. No matter how rough or arrogant Lucas is, Ian can't help falling for him. When their secret relationship is revealed, the fallout sends Lucas back to his old life and Ian is devastated. Will Lucas come to his senses in time, or will he let Ian slip away from him forever? Beginning in 1924, Proceedings are incorporated into the Apr. number.
