(Quelle: www.pearson.com). Management Accounting has two broad branches Financial Accounting and Cost Accounting. This book covers the first aspect of Management Accounting. Financial Accounting A Managerial Emphasis seeks to delve deep into all the aspects of Financial Accounting from a manager's perspective. The objective is to present the concepts, applications and practices of Financial Accounting in such a manner that even those readers having no prior exposure to the subject can understand its theory and practice. A manager is more interested in understanding various elements in financial statements and thereby being able to analyze and interpret the financial health of a business entity on the basis of financial statements. This apart, readers will also become thoroughly acquainted with the financial disclosure practices followed in India. The highlights of the book are discussions on: 1 Accounting Standards in India 1 Understanding Published Financial Statements 1 Inventory Valuation and Depreciation Accounting 1 Cash Flow Reporting and Interpretation 1 Financial Statements Analysis 1 Intra-firm and Inter-firm Comparisons 1 Consolidated Financial Statements 1 Valuation Techniques 1 Accounting for Amalgamations 1 Selected Solved and Unsolved Cases New to the Second Edition! Financial Statements Analysis by Banks 1 Investment Accounting for Banks 1 Accounting for Share buyback 1 ESOP Accounting Studying cost accounting is one of the best business decisions a student can make. Why? Because success in any business--from the smallest corner store to the largest multinational corporation--requires the use of cost accounting principles and practices. Cost accounting provides key data to managers for planning and controlling, as well as for costing products, services, and customers. The Arab World Edition of this popular text from world famous author Charles T. Horngren has been especially created to motivate and engage students of cost accounting from across the Arab World. While there are many cost accounting textbooks available on the market, none have been developed with such a strong focus on preparing students for an accounting career in both the Arab World and globally. This new text sets out to provide cost accounting students with the practical skills and theoretical knowledge students need to thrive in both their academic study and future careers. Drawing on many locally sourced examples and case studies, this text gives students an essential global perspective on cost accounting, all the while making core concepts relevant to students' own experiences. For undergraduate and MBA students taking a Cost or Management Accounting course. Emphasizing the "different costs for different purposes," this text focuses on strategy and the decision making process. With a tradition of being the market leading text and professional standard, the new edition has deepened its strategic focus and emphasis, and invested in market breaking MyAccountingLab tutorial support. A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization. 0132624540 / 9780132624541 Cost Accounting: A Managerial Emphasis and MyAccountingLab with Pearson eText for Cost Accounting: A Managerial Emphasis Package Package consists of: 0132372541 / 9780132372541 MyAccountingLab with Pearson eText -- Access Card -- for Cost Accounting 0136126634 / 9780136126638 Cost Accounting: A Managerial Emphasis For undergraduate and MBA Cost or Management Accounting courses The text that defined the cost accounting market.
