Kat Petroski has a weakness for swoo. That indescribable charm guys from the wilder side have. Not that falling for it has worked out for her, since she's a twice-divorced mother of two. So she's got an early-warning swoo alert. Then Jack Treadwell walks into her life. Between his motorcycle and his adventure-seeking attitude, Jack has all the trappings she can't resist and should. Still, is that the real Jack? Something tells her he may be more dentist than biker. But is he father material? Because swoo aside, Kat's a mom first. And the man who wins her heart must first win over her boys.

Professional Wrestling in Mississippi: A History Oct 25 2023 Bounce off the ropes for a high-flying jaunt through the history of Magnolia State professional wrestling. At its peak, professional wrestling was arguably the most popular sport in Mississippi. The pageantry and colorful personalities appealed to grandparents and grandchildren alike. Author Jeffrey Martin invites readers to step inside the squared circle and revisit everything from the carnival wrestling days of the late 1800s to the chiseled melodrama of modern wrestling. Along the way, readers will learn about Billy Romanoff, the old-school wrestler turned promoter who made wrestling a weekly staple at the Jackson City Auditorium; Jerry Lawler and Bill Dundee, who brought down the house on Friday nights at the Tupelo Sports Arena; and George and Gil Culkun, the father-and-son duo who split with "Cowboy" Bill Watts to create their own Mississippi territory,

kickstarting the careers of Kamala, Terry Gordy, Michael Hayes and many other pivotal figures.

Adult Sibling Relationships

Jan 28 2024 The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood. Driven by affection but also characterized by ambivalence and ambiguity, adult sibling relationships can become hurtful, uncertain, competitive, or exhausting though the undercurrents of love and loyalty remain. An approach that recognizes the

positive aspects of the changing sibling relationship, as well as those that need improvement, can restore healthy ties and rebuild family closeness. With in-depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction, this book offers vital direction for traversing the emotional terrain of adult sibling relations. It pursues a richer understanding of ambivalence, a normal though little explored feeling among siblings, and how ambiguity about the past or present can lead to miscommunication and estrangement. For both professionals and general readers, this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new, productive avenues of friendship in middle and later life—skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members. *Machine Learning and Data Mining in Pattern Recognition* Mar 06 2022 This book constitutes the refereed proceedings of the 13th International Conference on Machine Learning and Data Mining in Pattern Recognition, MLDM 2017, held in New York, NY, USA in July/August 2017. The 31 full papers presented in this book were carefully reviewed and selected from 150 submissions. The topics range from theoretical topics for classification,

clustering, association rule and pattern mining to specific data mining methods for the different multi-media data types such as image mining, text mining, video mining, and Web mining.

Gannon Feb 27 2024 Texas was a vast, lawless frontier after the Civil War...Gunslingers rode roughshod over scarce, often corrupt, lawmen. Into this Texas rode young Jake Gannon, a tough but peaceable man from Kentucky, skilled in tracking and shooting, who dreamed only of a ranch of his own. Outlaws shattered his new life; his brother was ambushed by a crooked marshal. But the last straw was when his beloved 16-year-old fiancée was raped and murdered. Now Jake Gannon turns bounty hunter, tracking down the killers one by one, and making them wish they'd never been born, in Doug Bowman's *Gannon*. A Note from the Tanna Kamma: The laws regarding the release from vows hover in the air (having no Scriptural support).

The laws of Shabbat; of the Festival Offerings; and acts of trespass; are like mountains suspended by a hair; for there are but scant Scriptural foundation for them but there are numerous halakhot for them. Civil cases; Temple services; the regulations concerning purity and contamination; and the forbidden sexual relations; all of these have true and firm Scriptural support. AND IT IS THESE {the ones with true and firm Scriptural support) WHICH ARE THE FUNDAMENTALS OF THE TORAH [The last Paragraph of Chapter One of the Hagigah Mishna; found at 10a-i of the Art Scroll rendition (with some modifications). Demythologizing Jesus of Nazareth: Was Jesus a Historical Or Mthical Person?

Aug 30 2021 Some subjects are terribly complicated like Gravity, Dark Matter, Wormholes and the whole idea of Quantum Physics. Recently, though, these difficult subjects have taken a back seat to the search for the historical Jesus, especially, after Dan Brown's book, The Da Vinci Code. Yet, it should be pointed out that the search to identify Jesus of Nazareth is not as difficult as liberals have led to believe. One problem is that liberals refuse to debate in the traditional manner of denying or affirming a proposition that can be proven true or false based on the evidence. Liberals insist on presenting hypotheses dressed in a postmodern worldview that allows subjective imagination to be valued as highly as historical facts. They present opinions without labeling them as such, responding that, "My views are as authoritative as yours!" They do this while discounting and distorting concrete historical facts, without which, conservative scholars are left shadow-boxing avoidance and silence. ROBERT FULLER is an ordained minister having received his BA degree in the Biblical Field from Abilene Christian University and a M. Ed from the University of North Texas. Mr. Fuller's goal in this book is to reduce the highly technical material surrounding the Jesus-debates into a more easily understood vocabulary that avid readers without degrees can comprehend. This

subject is extremely interesting and important to the laity and those who have no idea about what is going on in this cultural conflict. I believe this book accomplishes its goal by unveiling the "slight-of-hand" illusions of scholars who present personal opinions in the guise of scholarship. Read this book and find out that some liberal scholars have stacked their bunk higher than a two-story building!
