*Museum of Unheard (Of) Things* Roland Albrecht, 2015-11-05 MUSEUM OF UNHEARD OF THINGS is the catalogue raisonne of the world famous literary cabinet of curiosities in Berlin which holds the record of being the most visited museum in the German capital if one offsets the number of visitors to the square meters of the exhibition space The museum collects unique objects to which curator Roland Albrecht

has patiently lent his ear in order to hear the unheard of story each of them has to tell This book is the first publication to assemble all the 78 stories in the current collection all categorized according to weight translated into English for the first time Included are unheard of tales about a clock of a Swiss inventor who promoted New Time where the day was only twenty hours long an hour fifty minutes and a minute fifty seconds and was subsequently arrested by the authorities the first portrait ID card in history created for Michel de Montaigne a fork which reveals the secret history of a meeting of chefs in the Alps the stone that inspired Thomas Mann to write many of his stories or the scandalous relationship between the Brothers Grimm and alphabet soup The book ends with a story about the museum itself which may make some readers ponder about the veracity of its existence These extraordinary tales of seemingly ordinary objects invite the reader to imagine the world differently by listening more carefully and intimately to all the things that surround our everyday lives The present is always a story presented by the winners of history With a gaze kindred to Walter Benjamin's Albrecht collects things which appear utterly trivial in the given here and now With patience kindred to Sigmund Freud's he listens to them until they start revealing their stories With a playful spirit kindred to Jorge Luis Borges he writes them down The result is a gentle but persistent wake up call in the form of short stories which cracks the tyranny of present and offers a glimpse into the unheard of world of things devoid of victors and losers but full of tales that await to be told

D.),1991-01-01 *The Dare* Harley Laroux,2023-10-31 Jessica Martin is not a nice girl As Prom Queen and Captain of the cheer squad she'd ruled her school mercilessly looking down her nose at everyone she deemed unworthy The most unworthy of them all The freak Manson Reed her favorite victim But a lot changes after high school A freak like him never should have ended up at the same Halloween party as her He never should have been able to beat her at a game of Drink or Dare He never should have been able to humiliate her in front of everyone Losing the game means taking the dare a

dare to serve Manson for the entire night as his slave It s a dare that Jessica s pride and curiosity won t allow her to refuse What ensues is a dark game of pleasure and pain fear and desire Is it only a game Only revenge Only a dare Or is it something more The Dare is an 18 erotic romance novella and a prequel to the Losers Duet Reader discretion is strongly advised This book contains graphic sexual scenes intense scenes of BDSM and strong language A full content note can be found in the front matter of the book
