Oracle Night Paul Auster, 2009-04-28 Originally published New York Henry Holt 2003 *Oracle Night* Paul Auster, 2008-09-04 Oracle Night is a compulsively readable novel by one of the great writers of our time San Francisco Chronicle Several months into his recovery from a near fatal illness novelist Sidney Orr enters a stationery shop in Brooklyn and buys a blue notebook It is September 18 1982 and for the next nine days Orr will live under the spell of this blank book trapped inside a world of eerie premonitions and bewildering events that threaten to destroy his marriage and undermine his faith in reality If The New York Trilogy was Paul Auster's detective story his mesmerizing eleventh novel reads like an old fashioned ghost story But there are no ghosts in this book only flesh and blood human beings wandering through the haunted realms of everyday life Oracle Night is a narrative tour de force that confirms Auster's reputation as one of the boldest most original writers at work in America today His old fashioned art of creating suspense which rivals M R James or Conan Doyle In fact Oracle Night is best read as a post modern ghost story The Guardian

Travels in the Scriptorium Paul Auster, 2010-11-25 An old man sits in a room with a single door and window a bed a desk and a chair Each day he awakes with no memory unsure of whether or not he is locked into the room Attached to the few objects around him are one word hand written labels and on the desk is a series of vaguely familiar black and white photographs and four piles of paper Then a middle aged woman called Anna enters and talks of pills and treatment but also of love and promises Who is this Mr Blank and what is his fate What does Anna represent from his past and will he have enough time to ever make sense of the clues that arise After the huge success of The Brooklyn Follies Travels in the Scriptorium sees Auster return to more metaphysical territory A dark puzzle and a game that implicates both reader and writer alike it is an ingenious exploration of language responsibility and the passage of time

The Book of Illusions Paul Auster, 2003 A man's obsession with a silent film star

sends him on a journey into a shadow world of lies illusions and unexpected love Six months after losing his wife and two young sons in an airplane crash Vermont professor David Zimmer spends his waking hours mired in a blur of alcoholic grief and self pity Then watching television one night he stumbles upon a clip from a lost silent film by comedian Hector Mann Zimmer s interest is piqued and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure who vanished from sight in 1929 and has been presumed dead for sixty years When the book is published the following year a letter turns up in Zimmer s mailbox bearing a return address from a small town in New Mexico supposedly written by Hector s wife Hector has read your book and would like to meet you Are you interested in paying us a visit Is the letter a hoax or is Hector Mann still alive Torn between doubt and belief Zimmer hesitates until one night a strange woman appears on his doorstep and makes the decision for him changing his life forever This stunning novel plunges the reader into a universe in which the comic and the tragic the real and the imagined the violent and the tender dissolve into one another With *The Book of Illusions* one of America s most powerful and original writers has written his richest most emotionally charged work yet

Man in the Dark Paul Auster,2008 I am alone in the dark turning the world around in my head as I struggle through another bout of insomnia another white night in the great American wilderness So begins Paul Auster s brilliant devastating tale about the many realities we inhabit as wars flame all around us Seventy two year old August Brill is recovering from a car accident in his daughter s house in Vermont When sleep refuses to come he lies in bed and tells himself stories struggling to push back thoughts about things he would prefer to forget his wife s recent death and the horrific murder of his granddaughter s boyfriend Titus The retired book critic imagines a parallel world in which America is not at war with Iraq but with itself In this other America the twin towers did not fall and the 2000 election results led to secession as state after state pulled away from the union and a bloody civil war ensued As the night progresses Brill s story grows increasingly intense and what he is so desperately trying to avoid insists on being told Joined in the early hours by his granddaughter he gradually opens up to her and recounts the story of his marriage After she falls asleep he at last finds the courage to revisit the trauma of Titus s death Passionate and shocking *Man in the Dark* is a story of our moment an audiobook that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence

Invisible Paul Auster,2009-10-23 The internationally bestselling author of *The New York Trilogy* one of America s greatest living novelists dazzlingly reinvents the coming of age story *The Observer* Sinuously constructed in four interlocking parts Paul Auster s fifteenth novel opens in New York City in the spring of 1967 when twenty year old Adam Walker an aspiring poet and student at Columbia University meets the enigmatic Frenchman Rudolf Born and his silent and seductive girlfriend Margot Before long Walker finds himself caught in a perverse triangle that leads to a sudden shocking act of violence that will alter the course of his life Three different narrators tell the story of *Invisible* a novel that travels in time from 1967 to 2007 and moves from Morningside Heights to the Left Bank of Paris to a

remote island in the Caribbean It is a book of youthful rage unbridled sexual hunger and a relentless quest for justice With uncompromising insight Auster takes us into the shadowy borderland between truth and memory between authorship and identity to produce a work of unforgettable power that confirms his reputation as one of America s most spectacularly inventive writers The Times Literary Supplement Occasionally a novel is so masterful it leaves you breathless Paul Auster s Invisible is such a novel The Boston Globe Magnificent The results are revelatory Houston Chronicle As soon as you finish Paul Auster s Invisible you want to read it again It is the finest novel Paul Auster has ever written Clancy Martin The New York Times Book Review Auster has never been better The Seattle Times

The Brooklyn Follies Paul Auster,2007-04-01 From the bestselling author of Oracle Night and The Book of Illusions an exhilarating whirlwind tale of one man s accidental redemption Nathan Glass has come to Brooklyn to die Divorced estranged from his only daughter the retired life insurance salesman seeks only solitude and anonymity Then Nathan finds his long lost nephew Tom Wood working in a local bookstore a far cry from the brilliant academic career he d begun when Nathan saw him last Tom s boss is the charismatic Harry Brightman whom fate has also brought to the ancient kingdom of Brooklyn New York Through Tom and Harry Nathan s world gradually broadens to include a new set of acquaintances not to mention a stray relative or two and leads him to a reckoning with his past Among the many twists in the delicious plot are a scam involving a forgery of the first page of The Scarlet Letter a disturbing revelation that takes place in a sperm bank and an impossible utopian dream of a rural refuge Meanwhile the wry and acerbic Nathan has undertaken something he calls The Book of Human Folly in which he proposes to set down in the simplest clearest language possible an account of every blunder every pratfall every embarrassment every idiocy every foible and every inane act I had committed during my long and checkered career as a man But life takes over instead and Nathan s despair is swept away as he finds himself more and more implicated in the joys and sorrows of others The Brooklyn Follies is Paul Auster s warmest most exuberant novel a moving and unforgettable hymn to the glories and mysteries of ordinary human life

Mr Vertigo Paul Auster,2010-11-25 I was twelve years old the first time I walked on water So begins Mr Vertigo the story of Walt an irrepressible orphan from the Mid West Under the tutelage of the mesmerising Master Yehudi Walt is taken back to the mysterious house on the plains to prepare not only for the ability to fly but also for the stardom that will accompany it At the same time a delighted race through 1920s Americana and a richly allusive parable Mr Vertigo is a compelling magical novel a work of true originality by a writer at the height of his powers A virtuoso piece of storytelling by a master of the modern American fable The Independent

In the Country of Last Things Paul Auster,2010-11-25 That is how it works in the City Every time you think you know the answer to a question you discover that the question makes no sense This is the story of Anna Blume and her journey to find her lost brother William in the unnamed City Like the City itself however it is a journey that is doomed and so all that is left is Anna s unwritten account of what happened Paul Auster takes us to an unspecified and devastated world in which the self disappears amidst the horrors

that surround us But this is not just an imaginary futuristic world like the settings of Kafka stories it is one that echoes our own and in doing so addresses some of our darker legacies In the Country of Last Things is a tense psychological take on the dystopian novel It continues Auster's deep exploration of his central themes the modern city the mysteries of storytelling and the elusive and unstable nature of truth **Three Films** Paul Auster,2003-12 The screenplay also received an Independent Spirit Award in 1996 Set in contemporary Brooklyn *Smoke* directly inspired *Blue in the Face* a largely improvised comedy shot in a total of six days A film unlike any other it stars Harvey Keitel with featured performances by Roseanne Lily Tomlin Lou Reed and Michael J Fox **Day/Night** Paul Auster,2013-11-05 For the first time in one volume two existential classics by internationally bestselling novelist Paul Auster *Day Night* brings together two metaphysical novels that mirror each other and are meant to be read in tandem two men each confined to a room one suddenly alert to his existence the other desperate to escape into sleep In *Travels in the Scriptorium* elderly Mr Blank wakes in an unfamiliar cell with no memory of who he is or how he got there He must use the few objects he finds and the information imparted by the day's string of visitors to cobble together an idea of his identity In *Man in the Dark* another old man August Brill suffering from insomnia struggles to push away thoughts of painful personal losses by imagining what might have been Who are we What is real and not real How does the political intersect with the personal After great loss why are some of us unable to go on One of America's greats *Time Out Chicago* and a descendant of Kafka and Borges Booklist Auster explores in these two small masterpieces some of our most pressing philosophical concerns **Sunset Park** Paul Auster,2010-11-09 From the bestselling author of *4 3 2 1* and *The New York Trilogy* comes Paul Auster's luminous tour de force novel set during the 2008 economic collapse Auster fans and newcomers will find in *Sunset Park* his usual beautifully nuanced prose and a tremendous crash bang of an ending NPR *Sunset Park* opens with twenty eight year old Miles Heller trashing out foreclosed houses in Florida the latest stop in his flight across the country When Miles falls in love with Pilar Sanchez he finds himself fleeing once again going back to New York where his family still lives and into an abandoned house of young squatters in *Sunset Park* Brooklyn Woven together from various points of view that of Miles's father an independent book publisher trying to stay afloat Miles's mother a celebrated actress preparing her return to the New York stage and the various men and women who live in the house Auster seems to carry all of humanity inside him *The Boston Globe* **Here and Now** Paul Auster,J. M. Coetzee,2014-03-04 A civilized discourse between two cultivated and sophisticated men It's a pleasure to be in their company Michael Dirda *The Washington Post* J M Coetzee's latest novel *The Schooldays of Jesus* is now available from Viking *Late Essays* 2006 2016 will be available January 2018 After a meeting at an Australian literary festival brought them together in 2008 novelists Paul Auster and J M Coetzee began exchanging letters on a regular basis with the hope they might strike sparks off each other *Here and Now* is the result a three year epistolary dialogue that touches on nearly every subject from sports to fatherhood literature to film philosophy to politics from the financial crisis to art death eroticism marriage friendship and love Their high

spirited and luminous correspondence offers an intimate and often amusing portrait of these two men as they explore the complexities of the here and now and reveal their pleasure in each other's friendship on every page Burning Boy Paul Auster, 2021-10-26 A LOS ANGELES TIMES BOOK PRIZE WINNER A BOSTON GLOBE BEST BOOK OF 2021 Booker Prize shortlisted and New York Times bestselling author Paul Auster's comprehensive landmark biography of the great American writer Stephen Crane With Burning Boy celebrated novelist Paul Auster tells the extraordinary story of Stephen Crane best known as the author of The Red Badge of Courage who transformed American literature through an avalanche of original short stories novellas poems journalism and war reportage before his life was cut short by tuberculosis at age twenty eight Auster's probing account of this singular life tracks Crane as he rebounds from one perilous situation to the next A controversial article written at twenty disrupts the course of the 1892 presidential campaign a public battle with the New York police department over the false arrest of a prostitute effectively exiles him from the city a star crossed love affair with an unhappily married uptown girl tortures him a common law marriage to the proprietress of Jacksonville's most elegant bawdyhouse endures a shipwreck results in his near drowning he withstands enemy fire to send dispatches from the Spanish American War and then he relocates to England where Joseph Conrad becomes his closest friend and Henry James weeps over his tragic early death In Burning Boy Auster not only puts forth an immersive read about an unforgettable life but also casting a dazzled eye on Crane's astonishing originality and productivity provides uniquely knowing insight into Crane's creative processes to produce the rarest of reading experiences the dramatic biography of a brilliant writer as only another literary master could tell it Four Three Two One Paul Auster, 2017 According to family legend Ferguson's grandfather departed on foot from his native city of Minsk with one hundred rubles sewn into the lining of his jacket traveled west to Hamburg through Warsaw and Berlin and then booked passage on a ship called the Empress of China which crossed the Atlantic in rough winter storms and sailed into New York Harbor on the first day of the twentieth century He had a hard time of it especially in the beginning but even after it was no longer the beginning nothing ever went as he had imagined it would in his adopted country City of Glass Paul Auster, 2017-04-21 When reclusive crime writer Daniel Quinn receives a mysterious call seeking a private detective in the middle of the night he quickly and unwittingly becomes the protagonist in a thriller of his own As the familiar territory of the noir detective genre gives way to something altogether more disturbing Quinn becomes consumed by his mission and begins to lose his grip on reality Timbuktu Paul Auster, 2010-04-01 Meet Mr Bones the canine hero of Paul Auster's remarkable new novel Timbuktu Mr Bones is the sidekick and confidant of Willy G Christmas the brilliant troubled and altogether original poet saint from Brooklyn Like Don Quixote and Sancho Panza before them they sally forth on a last great adventure heading for Baltimore Maryland in search of Willy's high school teacher Bea Swanson Years have passed since Willy last saw his beloved mentor who knew him in his previous incarnation as William Gurevitch the son of Polish war refugees But is Mrs Swanson still alive And if she isn't what will prevent Willy from vanishing

into that other world known as Timbuktu Mr Bones is our witness Although he walks on four legs and cannot speak he can think and out of his thoughts Auster has spun one of the richest most compelling tales in recent American fiction By turns comic poignant and tragic Timbuktu is above all a love story Written with a scintillating verbal energy it takes us into the heart of a singularly pure and passionate character an unforgettable dog who has much to teach us about our own humanity
