The Blind Owl Sadegh Hedayat, 2010-10-12 An opium addict spirals into madness after losing a mysterious lover in this extraordinary work of modern Persian literature The Times Literary Supplement UK Sadegh Hedayat was Iran's most renowned modern fiction writer and his spine-tingling novel *The Blind Owl* is considered his seminal work A classic of modern Iranian literature this edition is presented to contemporary audiences with a new introduction by Porochista Khakpour one of the most exciting voices from a new generation of Iranian American authors A haunting tale of loss and spiritual degradation *The Blind Owl* tells the story of a young opium addict's despair after losing a mysterious lover Through a series of intricately woven events that revolve around the same set of mental images an old man with a spine-chilling laugh four cadaverous black horses with rasping coughs a hidden urn of poisoned wine the narrator is compelled to record his obsession with a beautiful woman even as it drives him further into frenzy and madness [Sadeq Hedayat, an Anthology](#)

Rseadiq Hideayat, 1979 **Blind Owl** Sadeq Hedayat, 2022-04-12 A new English translation of one of the most important controversial Iranian novels of the twentieth century A Penguin Classic Written by one of the greatest Iranian writers of the twentieth century *Blind Owl* tells a two-part story of an isolated narrator with a fragile relationship with time and reality In first person the narrator offers a string of hazy dreamlike recollections fueled by opium and alcohol He spends time painting the exact same scene on the covers of pen cases an old man wearing a cape and turban sitting under a cypress tree separated by a small stream from a beautiful woman in black who offers him a water lily In a one-page transition the reader finds the narrator covered in blood and waiting for the police to arrest him In part two readers glimpse the grim realities that unlock the mysteries of the first part In a new translation that reflects Hedayat's conversational confessional tone *Blind Owl* joins the ranks of classics by Edgar Allan Poe Franz Kafka and Fyodor Dostoyevsky that explore the dark recesses of the human psyche [Sadeq Hedayat](#) Homa Katouzian, 2021-11-18 Sadeq Hedayat is the most famous and the most enigmatic Iranian writer of the 20th century This book is the first comprehensive study of Hedayat's life and works set against the background of literary and political developments in a rapidly changing Iran over the first half of the 20th century Katouzian discusses Hedayat's life and times and the literary and political circles with which he was associated But he also emphasises the uniqueness and universality of his ideas that have both influenced and set Hedayat apart from other Iranian writers of the period and that have given him a mystique that has been instrumental in his posthumous success with acclaimed works such as *The Blind Owl* This second edition is fully revised and updated to reflect on recent debates and scholarship on Sadeq Hedayat

The Blind Owl Sadegh Hedayat, 2011-11 Tells the story of an unnamed pen case painter the narrator who sees in his macabre feverish nightmares that the presence of death annihilates all that is imaginary We are the offspring of death and death delivers us from the tantalizing fraudulent attractions of life it is death that beckons us from the depths of life If at

times we come to a halt we do so to hear the call of death Throughout our lives the finger of death points at us The narrator addresses his murderous confessions to the shadow on his wall resembling an owl His confessions do not follow a linear progression of events and often repeat and layer themselves thematically thus lending to the open ended nature of interpretation of the story

Sadeq Hedayat Homa Katouzian,2007-09-13 This edited collection brings together the foremost authorities on Sadeq Hedayat s work

[The Blind Owl \(Authorized by The Sadegh Hedayat Foundation - First Translation into English Based on the Bombay Edition\)](#) Sadegh Hedayat,2012-08-01 Widely regarded as Sadegh Hedayat s masterpiece the Blind Owl is the most important work of literature to come out of Iran in the past century On the surface this work seems to be a tale of doomed love but with the turning of each page basic facts become obscure and the reader soon realizes this book is much more than a love story Although the Blind Owl has been compared to the works of the Kafka Rilke and Poe this work defies categorization Lescot s French translation made the Blind Owl world famous while D P Costello s English translation made it largely accessible Sadly this work has yet to find its way into the English pantheon of Classics This 75th anniversary edition translated by award winning writer Naveed Noori and published in conjunction with the Hedayat Foundation aims to change this and is notable for a number of firsts The only translation endorsed by the Sadegh Hedayat Foundation The first translation to use the definitive Bombay edition Hedayat s handwritten text The only available English translation by a native Persian and English speaker The preface includes a detailed textual analysis of the Blind Owl Finally by largely preserving the spirit as well as the structure of Hedayat s writing this edition brings the English reader into the world of the Hedayat s Blind Owl as never before Extensive footnotes explaining Persian words phrases and customs ignored in previous translations provide deeper understanding of this work for both the casual reader and the serious student of literature There are indeed marked differences between Costello s and Noori s translations As Noori indicates his attempt to preserve the overabundance of dashes gives the reader a more immediate sense of the narrator s agitation The first sentence flows on in Noori s translation piling sensation upon sensation never allowing us to pause and catch our breath or separate out the images from the sensations In his discussion of the relationship between his translation and Costello s Noori also draws on translation theory and sees Costello s focus on the fluidity of the text in English as a domestication of Hedayat s original Noori s new English translation and his preface are a welcome addition and will no doubt draw the attention of scholars interested in Hedayat s works The close textual and comparative analysis of the type Noori offers marks a new and long overdue critical approach to the translation of the most celebrated work of modern Persian prose Professor Nasrin Rahimieh in Middle Eastern Literatures

The Blind Owl Şādiq Hidāyat,1986 Widely regarded as Sadegh Hedayat s masterpiece the Blind Owl is the most important work of literature to come out of Iran in the past century On the surface this work seems to be a tale of doomed love but with the turning of each page basic facts become obscure and the reader soon realizes this book is much more than a love story Although the Blind Owl has been compared to the works of the Kafka Rilke

and Poe this work defies categorization Lescot's French translation made the Blind Owl world famous while D P Costello's English translation made it largely accessible Sadly this work has yet to find its way into the English pantheon of Classics This 75th anniversary edition translated by award winning writer Naveed Noori and published in conjunction with the Hedayat Foundation aims to change this and is notable for a number of firsts The only translation endorsed by the Sadeq Hedayat Foundation The first translation to use the definitive Bombay edition Hedayat's handwritten text The only available English translation by a native Persian and English speaker The preface includes a detailed textual analysis of the Blind Owl Finally by largely preserving the spirit as well as the structure of Hedayat's writing this edition brings the English reader into the world of the Hedayat's Blind Owl as never before Extensive footnotes explaining Persian words phrases and customs ignored in previous translations provide deeper understanding of this work for both the casual reader and the serious student of literature

Sadeq Hedayat Homa Katouzian, 2021-10-21 Sadeq Hedayat is the most famous and the most enigmatic Iranian writer of the 20th century This book is the first comprehensive study of Hedayat's life and works set against the background of literary and political developments in a rapidly changing Iran over the first half of the 20th century Katouzian discusses Hedayat's life and times and the literary and political circles with which he was associated But he also emphasises the uniqueness and universality of his ideas that have both influenced and set Hedayat apart from other Iranian writers of the period and that have given him a mystique that has been instrumental in his posthumous success with acclaimed works such as The Blind Owl This second edition is fully revised and updated to reflect on recent debates and scholarship on Sadeq Hedayat

Three Drops of Blood Sadeq Hedayat, 2018-01-01 The title story Three Drops of Blood follows the protagonist's increasingly unstable mental state through the repeated occurrence of three drops of blood while Hadji Murat depicts an almost Joycean epiphany in classically understated terms as a man mistakes another woman for his wife These are stories which though set in a distinctive milieu deal with universal truths and cut to the very essence of humanity

The Myth of Creation Šādiq Hidāyat, 1998 The Myth of Creation Afsaneh ye Afarinesh is one of the earliest works by Iran's best known twentieth century writer Sadeq Hedayat whose popularity outside Iran is due mostly to his short novel The Blind Owl Little has been written in critical literature about this work perhaps because critics find the subject matter too sensitive for its generally Jewish Christian and Moslem audiences Given the general plot line of this story Hedayat demonstrates an open skepticism towards the three major Middle Eastern religions particularly Islam by casting the characters of his story in the form of puppets This suggests that even the creator as perceived by these three religions is a mere puppet controlled by unseen hands

Hedayat's Blind Owl as a Western Novel Michael Beard, 2014-07-14 The Iranian writer Sadeq Hedayat is the most influential figure in twentieth century Persian fiction and the object of a kind of cult after his suicide in 1951 His masterpiece The Blind Owl is the most important novel of modern Iran Its abrupt tortured opening sentence There are sores which slowly erode the mind in solitude like a kind of canker is one of the best known and most frequently recited passages

of modern Persian But underneath the book's uncanniness and its narrative eccentricities Michael Beard traces an elegant pastiche of familiar Western traditions A work of advocacy for a disturbing and powerful piece of fiction his comprehensive analysis reveals the significance of *The Blind Owl* as a milestone not only for Persian writing but also for world literature The international decentered nature of modernist writing outside the West typified by Hedayat's European education and wide reading in the Western canon suggested to Beard the strategy of assessing *The Blind Owl* as if it were a Western novel Viewed in this context Hedayat's intricate chronicle challenges the very notion of a national literature rethinking and reshaping our traditions until we are compelled through its eyes to see them in a new way Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Sadeq Hedayat Homa Katouzian, 2007-09-13 Featuring contributions from leading scholars of Iranian studies and or comparative literature this edited comprehensive and critical edited collection provides detailed scholarly analysis of Hedayat's life and work using a variety of methodological and conceptual approaches Hedayat is the author of *The Blind Owl* the most famous Persian novel both in Iran and in Europe and America Many of his short stories are in a critical realist style and are regarded as among some of the best written in twentieth century Iran But his most original contribution was the use of modernist more often surrealist techniques in Persian fiction Thus he was not only a great writer but also the founder of modernism in Persian fiction Yet both Hedayat's life and his death came to symbolize much more than leading writers would normally claim He still towers over modern Persian fiction and will remain a highly controversial figure so long as the clash of the modern and the traditional the Persian and the European and the religious and the secular has not led to a synthesis and a consensus

World Literature and Hedayat's Poetics of Modernity Omid

Azadibougar, 2020-02-01 This book introduces the canonical figure Sadeq Hedayat 1903 1951 and draws a comprehensive image of a major intellectual force in the context of both modern Persian Literature and World Literature A prolific writer known for his magnum opus *The Blind Owl* 1936 Hedayat established the use of common language for literary purposes opened new horizons on imaginative literature and explored a variety of genres in his creative career This book looks beyond the reductive critical tendencies that read a rich and diverse literary profile in light of Hedayat's suicide arguing instead that his literary imagination was not solely the result of genius but rather enriched by a vast network of the world's literary traditions This study reflects on Hedayat's attempts at various genres of artistic creation including painting fiction writing satire and scholarly research as well as his persistent struggles for artistic authenticity which transcended solidly established literary and artistic norms Providing a critical reading of Hedayat's work to untangle aspects of his writing including

reflections on science religion nationalism and coloniality alongside his pioneering work on folk culture and how humor informs his writings this text offers a critical review of the status of Persian literature in the contemporary landscape of the world s literary studies

[The Blind Owl and Other Stories](#) Sadegh Hedayat,2017-07-21 Following a disjointed vision like structure *The Blind Owl* is the nightmarish exploration of the psyche of a madman The narrator is an ailing solitary misanthrope who suffers from hallucinations and his dreamlike tale is layered circular driven by its own demented logic and punctuated with macabre and surreal episodes such as the discovery of a mutilated corpse and a bizarre competition in which two men are locked in a dungeon like room with a cobra Initially banned in the author s native Iran the novel first appeared in Tehran in 1941 and became a bestseller Full of powerful symbolism and terrifying imagery this dark novella is Hedayat s masterpiece

The Prince Hūshang Gulshirī,2006 In mid 1920s Iran in a crumbling house in a provincial town the last survivor of a deposed dynasty is slowly dying from tuberculosis The old prince s domain has been reduced to his domestic household where the former glories of his ancestors haunt him Drifting in and out of reality the prince relives episodes of his forbearers exulted and often brutal past a macabre time of public despotism when men were put to death by being sheathed in plaster and when a child might be beheaded as punishment for poor schoolwork Long dead relatives threaten menacingly from photographs the old prince surrounds himself with damaged images fleetingly brought to life by a fractured hallucinatory mind only to fade away as another vestige from the past rattles in its picture frame As hazy memories bleed into one another it soon becomes clear that the most torturous for the dying man is that of his wife Fakronessa who used to taunt him with the energy and violence of his grandfather and great grandfather forcing him then to avenge himself by sleeping with their servant Fakhri and subsequently driving his wife to an early grave
