The Ghost Ship Richard Middleton, 1926 **The Ghost-ship** Richard Middleton, 1912 **Ghost Ship** Mary Higgins Clark, 2012-10-01 Thomas loves his summer visits to his grandmother's on Cape Cod He spends his days wondering about the sailing ships of the past and imagining their stories One afternoon after a night of terrible thunderstorms Thomas finds deep in the sands a weathered old fashioned belt buckle When he picks it up a boy his own age appears before him His name is Silas Rich a cabin boy from a ship called the *Monomoy* that sailed almost 250 years ago As Silas tells his tale suddenly the world of sailing ships is very near indeed

The Ghost Ship Richard Middleton, 1926 *The Ghost-Ship Other Stories (Classic Reprint)* Richard Middleton, 2015-07-10 Excerpt from *The Ghost Ship Other Stories* The other day I said to a friend I have just reading in proof a volume of short stories by an author named Richard Middleton He is dead It is an extraordinary book and all the work in it is full of a quite curious and distinctive quality In my opinion it is very fine work indeed It would be so simple if the business of the introducer or preface writer were limited to such a straightforward honest and direct expression of opinion unfortunately that is not so For most of us the happier ones of the world it is enough to say I like it or I don't like it and there is an end the critic has to answer the everlasting Why And so I suppose it is my office in this present instance to say why I like the collection of tales that follows I think that I have found a hint as to the right answer in two of these stories One is called *The Story of a Book* the other *The Biography of a Superman* Each is rather an essay than a tale though the form of each is narrative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
