An accounting study guide with questions, and answers is a helpful tool for anyone
that is taking an an accounting class. An accounting course book covers topics

extensively. With the study guide the person can take the quizzes, and check their answers. The study guide shows which answer is correct. Some study guide books will explain why the other answers is close, but not correct. Once the person takes the quiz on a specific topic. They will find out where their weakness is, and what areas they have to study. The book will help them prepare for class exams, and any professional exams they may take. Working Papers provide students with formatted templates to aid them in doing homework assignments. Accounting Paper 1 O Level (Topical & Yearly) Chapter Study Guides and Working Papers Chapters 1-29 Study & Master Accounting Grade 12 has been developed with the help of practising teachers, and covers all of the requirements of the National Curriculum Statement for Accounting. Special features of the Learner's Book include: * module openers, which clearly explain to the learner the outcomes for that module * margin notes and reminders, to assist learners with new concepts * assessment activities, ensuring continuous self, peer, and group assessment * class assessments with set marks and times * case studies and projects, which deal with issues related to the real world, and move learners beyond the confines of the classroom.
