Audio Drama 2 Aug 27 2022 Audio Drama 2 is the second collection of plays by Neville Teller, intended both for lovers of radio drama and for podcast producers who specialise in audio drama.

A Sketch of the Life and Labors of George Whitefield Nov 29 2022

The Storm Before the Calm Oct 29 2022 *One of Bloomberg's Best Books of the Year* The master geopolitical forecaster and New York Times bestselling author of *The Next 100 Years* focuses on the United States, predicting how the 2020s will bring dramatic upheaval and reshaping of American government, foreign policy, economics, and culture. In his riveting new book, noted forecaster and bestselling author George Friedman turns to the future of the United States. Examining the clear cycles through which the United States has developed, upheaved, matured, and solidified, Friedman breaks down the coming years and decades in thrilling detail. American history must be viewed in cycles—particularly, an eighty-year "institutional cycle" that has defined us (there are three such examples—the Revolutionary War/founding, the Civil War, and World War II), and a fifty-year "socio-economic cycle" that has seen the formation of the industrial classes, baby boomers, and the middle classes. These two major cycles are both converging on the late 2020s—a time in which many of these foundations will change. The United States will have to endure upheaval and possible conflict, but also, ultimately,

increased strength, stability, and power in the world. Friedman's analysis is detailed and fascinating, and covers issues such as the size and scope of the federal government, the future of marriage and the social contract, shifts in corporate structures, and new cultural trends that will react to longer life expectancies. This new book is both provocative and entertaining.

Gods of the Ancient Northmen Apr 10 2021

Everything Is on the One Mar 02 2023 Funk used to be a bad word. That was then. Now, funk is a pervasive style of music that has earned its rightful place alongside such other aural American art forms such as folk, blues, jazz and rock 'n roll. What's more, for those who free themselves, funk is a positive state of consciousness that brings together mind, body and soul in a quasi-spiritual experience of mesmerizing intensity. It took quite a while for funk to gain the respect it deserves. As with most other American music forms of the 20th century, funk remained a predominantly black phenomenon until the white public caught up and embraced it some 20 years after the fact. It had to survive the psychedelic 1960s, the disco 1970s and the new wave 1980s. This long-overdue book is a labor of love from a devout lifelong funk enthusiast. *Everything Is on the One: The First Guide to Funk* is designed to serve as an eye-opener for the uninitiated and as a reference guide for those already indoctrinated. The following pages thoroughly examine every aspect of funk through the inclusion of assorted text, reviews and lists. Everyone from J.B., Sly Stone and Hendrix to Clinton, Prince and the Red Hot Chili Peppers to Kool & the Gang and the Isley Brothers to the Bar-Kays and Slave to Run-D.M.C. and Dr. Dre to Stanley Clarke and Tom Browne to Muddy Waters and Stevie Ray Vaughan to the Talking Heads and Aerosmith is covered. There isn't really any specific formula for funk. But, you must have the right attitude and the music has to be on THE ONE. THE ONE stands for the first beat of standard four/four time in music (four counts per measure). Funk jumps on the first beat with a hard accent and then lays back in the groove for counts two through four. So just about everything in this book is on THE ONE. The content of this book is intended to be opinionated. It is designed to stimulate intelligent debate as to myriad topics that fall under the umbrella of funk. The objective is not to bash musical achievements or pursue character assassinations, but at the same time, measures are necessary to ensure the book's integrity. There are far too many music publications out there that find pandering to the industry and soft-pedaling issues seemingly unavoidable. This isn't one of them. By the same token, exceptional artists and outstanding work are given their just due. At this point, a word of caution is in order. Funk is extremely addictive and frequently results in an unquenchable desire to fill your ear hole with thumpin', bumpin', slammin', jammin' tunes. It can be an expensive habit, but always an immensely rewarding one. So slap your favorite jams into your stereo or iPod and read to the rhythmic rush while *The First Guide of Funk* does it to your eyeballs

baby bobba!

George Washington and the General's Dog Jul 06 2023 Children will delight at this little-known-story about our nation's first president, George Washington, that makes for perfect President's Day readers! Boom! Bang! Guns fire! Cannons roar! This Step 3 History Reader is about George Washington fighting in the American Revolution. He sees a dog lost on the battlefield. Whose dog is it? How will it find its master? Early readers will be surprised to find out what happens in this little-known true story about America's first president. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. These books are for children who are ready to read on their own.

3 x Carlin Mar 14 2024 A perfectly gift-able, perfectly cynical, slipcased omnibus of George Carlin's trademark irreverence--including bonus never-before-published material. For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, just in time for the holidays, Hyperion proudly collects all three volumes -- *When Will Jesus Bring the Pork Chops?*, *Napalm and Silly Putty*, and *Brain Droppings* -- into one hilarious omnibus, a slipcased edition that also includes new material.

Shipwreck (Dual Audio/Stage Edition) Mar 22 2022 From across the room I saw the President, torchlight playing across his visage. And the violins began, and the low rumble of the timpani. I screamed. I ran. An old farmhouse upstate. Snow is falling. Mountains are falling. Something is breaking apart. You are formally invited to dinner with the 45th President of the United States. Anne Washburn (*The Twilight Zone*, *Mr Burns*) returns with her sinister and sensational play, now updated in a special dual edition to coincide with its audio premiere on WNYC Public Radio, to be aired in October 2020 in partnership with New York Public Theater. As part of a bold experiment to write a history play about the present, this edition includes both the stage and audio versions of the play, as well as extensive commentary from the writer herself about the significant changes made to it in reaction to the unprecedented crises and protest movements of 2020.

A Second Chance at Eden Dec 31 2022 Six short stories and a novella from a master of science fiction, Peter F. Hamilton. This collection includes *Sonnie's Edge*, as seen in the award-winning Netflix anthology series *Love, Death & Robots*. Set in the same universe as the *Night's Dawn* trilogy, Peter F. Hamilton presents a compelling mix of human dilemmas, imagined technologies and extraordinary new cultures. Among others, this collection includes *Sonnie's Edge*, a story of contests to the death between constructed monsters. But one has a special advantage . . . We also visit an abandoned alien spacecraft in *Escape Route*. Abandoned, but is it really as empty as it seems? In the title

novella, *A Second Chance at Eden*, the co-creator of a genetically-engineered habitat is found murdered. But nobody can identify the perpetrator – or the motive. Featuring a diverse selection of stories set far in the future and beyond the stars, *A Second Chance at Eden* is a must-have collection from a writer at the top of his game.

The Way of the Fight Jun 17 2024 A NEW YORK TIMES BESTSELLER From the world's most popular UFC fighter, Georges "Rush" St. Pierre, comes a startlingly honest portrait of a fighter's journey, highlighting the lessons that propelled his rise from bullying victim to internationally celebrated athlete and champion. There's more to winning battles than fists and feet For world-renowned professional fighter Georges St-Pierre, the greatest asset is not physical strength or athleticism—it's a sense of purpose. From his beginnings as a small, mercilessly bullied child first discovering karate to his years as a struggling garbage collector who spent all his free time in the gym, his hard-fought rise in the sport of mixed martial arts, and his long, painful recovery from a career-threatening injury, Georges never lost sight of his ambition to become the greatest martial artist of all time. In *The Way of the Fight*, Georges for the first time reveals what propelled him not only to become a champion but to embrace obstacles as opportunities to build character. *The Way of the Fight* is an inspirational look into the mindset of a master. To Georges, all life is competition, and there's no more perfect metaphor for competition than the life of a fighter. He explains the value of discipline, risk and even fear, with the wisdom of one who knows that nothing is assured—his next fight could always be his last. Drawing inspiration from fighting legends, Eastern philosophy and a trusted inner circle, *The Way of the Fight* is a powerful, life-changing guide to living with purpose and finding the way to accomplish your loftiest goals.

The Fighting Cheyennes Mar 10 2021 Grinnell lived among the Cheyenne in the latter part of the 19th century. He was a deeply sympathetic observer of Indian life & culture. In this volume Grinnell gathered both Cheyenne & White accounts of the many battles between the two. He carefully explored Cheyenne culture & the way the Cheyenne to the threats on an alien society.

Travels with George Feb 01 2023 NEW YORK TIMES BESTSELLER "Travels with George . . . is quintessential Philbrick—a lively, courageous, and masterful achievement." —The Boston Globe Does George Washington still matter? Bestselling author Nathaniel Philbrick argues for Washington's unique contribution to the forging of America by retracing his journey as a new president through all thirteen former colonies, which were now an unsure nation. *Travels with George* marks a new first-person voice for Philbrick, weaving history and personal reflection into a single narrative. When George Washington became president in 1789, the United States of America was still a loose and quarrelsome confederation and a tentative political experiment. Washington undertook a tour of the ex-colonies to talk to ordinary citizens about his new government, and to imbue in them the idea of being one thing—Americans. In the fall of 2018, Nathaniel Philbrick embarked on

his own journey into what Washington called “the infant woody country” to see for himself what America had become in the 229 years since. Writing in a thoughtful first person about his own adventures with his wife, Melissa, and their dog, Dora, Philbrick follows Washington’s presidential excursions: from Mount Vernon to the new capital in New York; a monthlong tour of Connecticut, Massachusetts, New Hampshire, and Rhode Island; a venture onto Long Island and eventually across Georgia, South Carolina, and North Carolina. The narrative moves smoothly between the eighteenth and twenty-first centuries as we see the country through both Washington’s and Philbrick’s eyes. Written at a moment when America’s founding figures are under increasing scrutiny, *Travels with George* grapples bluntly and honestly with Washington’s legacy as a man of the people, a reluctant president, and a plantation owner who held people in slavery. At historic houses and landmarks, Philbrick reports on the reinterpretations at work as he meets reenactors, tour guides, and other keepers of history’s flame. He paints a picture of eighteenth-century America as divided and fraught as it is today, and he comes to understand how Washington compelled, enticed, stood up to, and listened to the many different people he met along the way—and how his all-consuming belief in the union helped to forge a nation.

History of Astronomy Apr 22 2022

Georges Oct 09 2023 A major new translation of a stunning rediscovered novel by Alexandre Dumas, *Georges* is a classic swashbuckling adventure. Brilliantly translated by Tina A. Kover in lively, fluid prose, this is Dumas’s most daring work, in which his themes of intrigue and romance are illuminated by the issues of racial prejudice and the profound quest for identity. Georges Munier is a sensitive boy growing up in the nineteenth century on the island of Mauritius. The son of a wealthy mulatto, Pierre Munier, Georges regularly sees how his father’s courage is tempered by a sense of inferiority before whites—and Georges vows that he will be different. When Georges matures into a man committed to “moral superiority mixed with physical strength,” the stage is set for a conflict with the island’s rich and powerful plantation owner, Monsieur de Malmédie, and a forbidden romance with Sara, the beautiful woman engaged to Malmédie’s son. Swordplay, a slave rebellion, a harrowing escape, and a vow of vengeance—*Georges* is unmistakably the work of the master who wrote *The Three Musketeers* and *The Count of Monte Cristo*. Yet it stands apart as the only book Dumas ever wrote that confronts the subject of race—a potent topic, since Dumas was of African ancestry himself. This edition also features a captivating Introduction by Jamaica Kincaid and an eloquent Afterword and Notes by Werner Sollors, who addresses key themes such as colonialism, racism, African slavery, and interracial intimacy. Long out of print in America, *Georges* can now be appreciated as never before and added to the greatest works of this immortal author.

Selected Sermons of George Whitefield Apr 03 2023

Tenth of December Jul 26 2022 The prize-winning, New York Times bestselling short story collection from the internationally bestselling author of *Lincoln in the Bardo* 'The best book you'll read this year' New York Times 'Dazzlingly surreal stories about a failing America' Sunday Times WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx(TM) in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

George Vs. George May 16 2024 Explores how the characters and lives of King George III of England and George Washington affected the progress and outcome of the American Revolution.

All Gods Battle Amazing George Sep 08 2023 Amazing George lives a life of bad and good religious choices. His conscious life seems confused. Yet, he finds powerful forces guiding him to where he is most uncomfortable. He knows he is flawed with failure, possessed by dangerous ambitions, and confused by memory shadows. He wanders seemingly without purpose, while moving with the relentless guidance of people and events. You may see your own religious beliefs lived or distorted. Innocently these sneak into George's living, but they come as if by some design. He finds a variety of people, rejecting and accepting them carelessly. His own life plans give way to horrific events, as well as the most uplifting. Somehow, he keeps on his way without personal direction. He's clumsy, comical, tragic, and, perhaps, hope filled. He is his own person without suspecting his own destiny, until a burst of clarity renders him amazing. A patient reader will get his or her amazing reward for loyalty.

The Nixon Tapes: 1973 (With Audio Clips) May 12 2021 With audio clips included, this "revealing" transcription captures a dark and dramatic year in presidential history—and the words of Richard Nixon himself (The New York Times Book Review). Between 1971 and 1973, President Richard Nixon's voice-activated tape recorders captured 3,700 hours of conversations. Douglas Brinkley and Luke Nichter's intrepid two-volume transcription and annotation of the highlights of this essential archive provides an unprecedented and fascinating window into the inner workings of a momentous presidency. *The Nixon Tapes: 1973* tells the concluding chapter of the story, the final year of taping, covering such events as the Vietnam cease-fire, the Wounded Knee standoff, and, of course, the Watergate investigation. Once again, there are revelations on every page. With Nixon's landslide 1972 reelection victory receding into the background and the scandal that would scuttle the administration looming, *The Nixon Tapes: 1973*

reveals the inside story of the tragedy that followed the triumph.

Curious George Goes to a Costume Party Feb 06 2021 Curious George inadvertently causes a sensation at his first Halloween costume party.

George Washington's Final Battle May 24 2022 George Washington is remembered for leading the Continental Army to victory, presiding over the Constitution, and forging a new nation, but few know the story of his involvement in the establishment of a capital city and how it nearly tore the United States apart. In *George Washington's Final Battle*, Robert P. Watson brings this tale to life, telling how the country's first president tirelessly advocated for a capital on the shores of the Potomac. Washington envisioned and had a direct role in planning many aspects of the city that would house the young republic. In doing so, he created a landmark that gave the fledgling democracy credibility, united a fractious country, and created a sense of American identity. Although Washington died just months before the federal government's official relocation, his vision and influence live on in the city that bears his name. This little-known story of founding intrigue throws George Washington's political acumen into sharp relief and provides a historical lesson in leadership and consensus-building that remains relevant today. This book will fascinate anyone interested in the founding period, the American presidency, and the history of Washington, DC.

Curious George Feb 18 2022 George and his friend Steve eat all of the honeycomb Betsy was going to use for her report on bees, so they build a beehive to make more.

"Too Much for Human Endurance" May 04 2023 The stories of the doctors, nurses and patients at the Union Army's hospital in Gettysburg come to life in this unique Civil War history. Those who toiled and suffered at the Army of the Potomac's XI Corps hospital at the George Spangler Farm in Gettysburg have long since departed. But Ronald D. Kirkwood, a journalist and George Spangler Farm expert, shares their stories—many of which have never been told before—in this gripping and scholarly narrative. Using a wealth of firsthand accounts, Kirkwood re-creates the XI Corps hospital complex and its people—especially George and Elizabeth Spangler, whose farm was nearly destroyed in the fateful summer of 1863. A host of notables make appearances, including Union officers George G. Meade, Henry J. Hunt, Edward E. Cross, Francis Barlow, Francis Mahler, Freeman McGilvery, and Samuel K. Zook. Pvt. George Nixon III, great-grandfather of President Richard M. Nixon, would die there, as would Confederate Gen. Lewis A. Armistead, who fell mortally wounded at the height of Pickett's Charge. Kirkwood presents the most complete lists ever published of the dead, wounded, and surgeons at the Spanglers' XI Corps hospital, and breaks new ground with stories of the First Division, II Corps hospital at the Spanglers' Granite Schoolhouse. He also examines the strategic importance of the property itself, which was used as a staging area to get artillery and infantry to the embattled front line.

The Body in Sound, Music and Performance Dec 19 2021 *The Body in Sound, Music*

and Performance brings together cutting-edge contributions from women working on and researching contemporary sound practice. This highly interdisciplinary book features a host of international contributors and places emphasis on developments beyond the western world, including movements growing across Latin America. Within the book, the body is situated as both the site and centre for knowledge making and creative production. Chapters explore how insightful theoretical analysis, new methods, innovative practises, and sometimes within the socio-cultural conditions of racism, sexism and classicism, the body can rise above, reshape and deconstruct understood ideas about performance practices, composition, and listening/sensing. This book will be of interest to both practitioners and researchers in the fields of sonic arts, sound design, music, acoustics and performance.

A Swim in a Pond in the Rain Sep 27 2022 NEW YORK TIMES BESTSELLER • From the Booker Prize–winning author of *Lincoln in the Bardo* and *Tenth of December* comes a literary master class on what makes great stories work and what they can tell us about ourselves—and our world today. **LOGLISTED FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD • ONE OF THE BEST BOOKS OF THE YEAR:** The Washington Post, NPR, Time, San Francisco Chronicle, Esquire, Milwaukee Journal Sentinel, Town & Country, The Rumpus, Electric Lit, Thrillist, BookPage • “[A] worship song to writers and readers.”—Oprah Daily For the last twenty years, George Saunders has been teaching a class on the Russian short story to his MFA students at Syracuse University. In *A Swim in a Pond in the Rain*, he shares a version of that class with us, offering some of what he and his students have discovered together over the years. Paired with iconic short stories by Chekhov, Turgenev, Tolstoy, and Gogol, the seven essays in this book are intended for anyone interested in how fiction works and why it’s more relevant than ever in these turbulent times. In his introduction, Saunders writes, “We’re going to enter seven fastidiously constructed scale models of the world, made for a specific purpose that our time maybe doesn’t fully endorse but that these writers accepted implicitly as the aim of art—namely, to ask the big questions, questions like, How are we supposed to be living down here? What were we put here to accomplish? What should we value? What is truth, anyway, and how might we recognize it?” He approaches the stories technically yet accessibly, and through them explains how narrative functions; why we stay immersed in a story and why we resist it; and the bedrock virtues a writer must

foster. The process of writing, Saunders reminds us, is a technical craft, but also a way of training oneself to see the world with new openness and curiosity. *A Swim in a Pond in the Rain* is a deep exploration not just of how great writing works but of how the mind itself works while reading, and of how the reading and writing of stories make genuine connection possible.

Enemy of the State Nov 10 2023 “In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best” (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America’s closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king’s own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They’ve barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America’s intelligence agencies to join the Saudis’ effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to “an explosive climax” (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.

Antonia Nov 17 2021 The time was the month of April, 1785, and the place Paris, where the spring that year was a genuine spring. The garden was in holiday attire, the greensward was studded with marguerites, the birds were singing, and the lilacs grew so straight and so close to Julien's window, that their fragrant clusters actually entered his room and strewed the white tiled floor of his studio with their little violet crosses. Julien Thierry was a painter of flowers, like his father André Thierry, renowned under Louis XV. in the art of decorating spaces over doors, dining-room panels and boudoir ceilings. Those dainty ornaments became, under his skilful hands, objects of genuine, serious art, so that the artisan had become an artist, highly esteemed by people of taste, handsomely paid, and a person of much consideration in society. Julien, his pupil, had confined himself to painting on canvas. The fashion of his time frowned upon the fanciful and charming decorations of the Pompadour style. The Louis XVI. style was more severe;

flowers were no longer strewn upon walls and ceilings, but were framed. Julien, then, painted flower and fruit pieces of the Mignon variety, mother-of-pearl shells, multi-colored butterflies, green lizards and drops of dew. He had much talent, he was handsome, he was twenty-four years old, and his father had left him nothing but debts.

The Elect Lady Jun 05 2023

They Called Us Enemy - Expanded Edition Jun 24 2022 The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

[The Epic of Gilgamesh](#) Jan 20 2022 Andrew George's "masterly new translation" (The Times) of the world's first truly great work of literature A Penguin Classic Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, the Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluent narrative and will long rank as the definitive English Gilgamesh. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Next Generation Level 1 Teacher's Resource Book with Class Audio CDs (3) Sep 15 2021 Next Generation is a two-level course for Bachillerato, combining complete preparation for the Pruebas de Acceso a la Universidad (PAU) exams with material that helps learners improve their English language skills for life. It also comes with the Class Audio CDs.

George Fox's 'book of Miracles' Dec 11 2023

The Fighting Ground Apr 15 2024 Scott O'Dell Award for Best Historical Fiction * ALA Notable Book * ALA Best Books for YA Newbery Medal-winning author Avi tells the “compelling story of a young boy’s first encounter with war and how it changes him.”—Publishers Weekly Jonathan may be only thirteen years old, but with the Revolutionary War unfolding around him, he’s more certain than ever that he wants to be a part of it—to fight for independence alongside his brother and cousin to defeat the British. But Jonathan’s father, himself wounded from battle, refuses to let his son join the front lines. When Jonathan hears the tavern bell toll, calling all soldiers to arms, he rushes to enlist without telling his dad. Gun in hand, Jonathan falls in with a militia and marches onward to the fighting ground. It feels like he’s been waiting his whole life for this moment. But no amount of daydreaming could prepare Jonathan for what he encounters. In just twenty-four hours, his life will be forever changed—by his fellow soldiers, unsuspecting enemies, and the frightening and complicated realities of war. More than thirty years after its publication, award-winner *The Fighting Ground* continues to be an important work of historical fiction for young readers.

George A. Romero Jun 12 2021 George A. Romero (b. 1940) has achieved a surprising longevity as director since his first film, *Night of the Living Dead* (1968). After relocating to Canada, he shows no signs of slowing up: his recent film, *Survival of the Dead* (2009), is discussed in a new interview conducted by Tony Williams for this volume, and still other films are awaiting release. Although commonly known as a director of zombie films, a genre he himself launched, Romero's films often transcend easy labels. His films are best understood as allegorical commentaries on American life that just happen to appropriate horror as a convenient vehicle. Romero's films encompass works as different as *The Crazies*, *Hungry Wives*, *Knightriders*, and *Bruiser*. The interviews in this collection cover a period of over forty years. In whatever format they originally appeared—the printed page, the internet, or the video interview—these discussions illustrate both the evolution of Romero's chosen forms of technology and the development of his thinking about the relationship between cinema and society. They present Romero as an independent director in every sense of the word.

The Past Has Another Pattern: Memoirs Jul 14 2021 During his long career as a

diplomat, international lawyer, statesman and investment banker, George Ball interrogated Albert Speer at the end of World War II, worked with Jean Monnet to build Europe, supervised the rescue of hostages in the Congo, advised President Kennedy during the Cuban missile crisis and, as Undersecretary of State in the Johnson and Kennedy administrations, was an early and consistent opponent of America's involvement in Vietnam. "Clarity, serenity and precision are the marks of this major contribution to an understanding of American foreign policy during the past 40 years. The book deserves to be compared with Dean Acheson's *Present at the Creation* (but less self-satisfied) and George Kennan's *Memoirs* (but less introverted). Although the author is best known to the general public for his opposition to American military involvement in Vietnam, the historian will find his discussion of European issues the most interesting part of the book." — Gaddis Smith, *Foreign Affairs* "[A] first-rate memoir of American politics and foreign policy over half a century. It is literate, lively and amusing, and in places it clarifies basic questions about the foreign policy of the United States... *The Past Has Another Pattern* is a colorful and thought provoking tour of the recent and not-so-recent past, conducted by a skillful guide." — Daniel Yergin, *The New York Times* "[O]ne of the great, examined public lives of our time." — Kirkus "A distinguished lawyer and public servant with experience of Presidents stretching from Roosevelt to Reagan, [George Ball] has written an impressive book of memoirs." — Douglas Johnson, *London Review of Books* "A few years ago I read some 70 volumes of biography and autobiography as a Pulitzer Prize juror. George Ball's memoirs are everything that most of the art is not. While he does not neglect his achievement, he is candid on the things that went wrong. His public life has provided him with a very great deal of very great importance to tell. He writes admirably well. And much of his story is amusing. This year there will, I promise, be no other biography that will be as good." — John Kenneth Galbraith "George Ball is that rarity — a distinguished public servant who can write; and his memoir is not only indispensable for the historian but absorbing for the general reader." — Arthur Schlesinger, Jr.

I am George Washington Feb 13 2024 Children will want to read about our first president while discussing the presidential elections. This is the ninth book in the New York Times bestselling biography series that inspires while it informs and entertains. (Cover may vary) George Washington was never afraid to be the first to try something, from exploring the woods around his childhood home to founding a brand new nation, the United States of America. With his faith in the American people and tremendous bravery, he helped win the Revolutionary War and became the country's first president. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle* and the *Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly

adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: George Washington's courage to set off a new course is highlighted here. You'll want to collect each book in this dynamic, informative series!

His Excellency Oct 17 2021 National Bestseller To this landmark biography of our first president, Joseph J. Ellis brings the exacting scholarship, shrewd analysis, and lyric prose that have made him one of the premier historians of the Revolutionary era. Training his lens on a figure who sometimes seems as remote as his effigy on Mount Rushmore, Ellis assesses George Washington as a military and political leader and a man whose “statue-like solidity” concealed volcanic energies and emotions. Here is the impetuous young officer whose miraculous survival in combat half-convinced him that he could not be killed. Here is the free-spending landowner whose debts to English merchants instilled him with a prickly resentment of imperial power. We see the general who lost more battles than he won and the reluctant president who tried to float above the partisan feuding of his cabinet. His Excellency is a magnificent work, indispensable to an understanding not only of its subject but also of the nation he brought into being.
