Hedge Witch To Solitary Witchcraft

Hedge Witch Rae Beth, 2018-01-31 Written in the form of letters from an experienced witch to her two apprentices solitary witchcraft is offered not as a substitute for coven worship but as a fulfilling lifestyle in its own right Rae Beth explains the importance of the Goddess and her consort the Horned God as sources of spiritual strength and worship The author extols the feminine principles of healing and regeneration as well as attacking greed and self interest which jeopardize the planet's very future Rae Beth provides spells for all the key festivals of the witch's calendar describes and outlines the Pagan approach to finding a partner Her lyrical letters accompanied by delicate pen and ink sketches bring the reader towards a deeper understanding of the solitary witch's lifestyle and beliefs [Craft of the Hedge Witch](#) Geraldine Smythe, 2020-08 The world I was looking at defied description If it weren't for the haunting voice describing everything to me I would have regarded it all as nothing more than a fluke just another strange dream that I would probably forget But this was no ordinary dream I was being shown another world in an intentional and purposeful manner The imagery before me did not change or shift as in a regular dream and when I had questions in my mind the strange calm voice would answer me in simple yet shockingly sophisticated ways Then I suddenly found myself kneeling on the ground directly facing a thick hedge I turned my head to the left and there she was also kneeling and facing the hedge She was looking at me smiling warmly and knowingly It was her turn for a question and my answer would change things for me forever For the Hedge Witch who develops the ability to ride the Hedge they can straddle worlds at will and the advantages are many The Hedge Witch's magic is based on seamlessly shifting themselves into the twilight plane where miracles are commonplace and their magic flows freely As a newer amalgam emerging from and within the traditional paths Hedge Craft draws from the most pragmatic aspects of witchcraft and shamanism giving the witch a deeper understanding of their power and practical methods to access their potential **The Hedge Witch's Way** Rae Beth, 2018-01-31 Here is a guide to the magical spirituality of the hedge witch which describes a path that is profound and yet simple uncluttered by complex ritual a matter of the heart The hedge witch is a solitary witch and natural mystic who practises wildwood mysticism so called because it is the knowledge at the root of the tree of witchcraft Explained in detail are the witch's prayers spell casting and communication with spirits and faeries including those spirits travelling in the three realms of the magical otherworld The values and ethics of this most ancient tradition may surprise and delight with their blend of common sense compassion and wildness It is not a spiritual way for conformists This book opens the door to all those who feel they are natural witches but are as yet uninstructed The Hedge Witch's Way is a guide for witches of either gender potential wisewomen or wisemen that presents the faerie led practices of our ancestors in a modern day context *The Path of the Hedge Witch* Joanna van der Hoeven, 2022-10-08 Natural Witchcraft for the Solo Practitioner Relying on wits intelligence integrity and strength the hedge witch walks a
