A Simple Christmas Mike Huckabee, 2012-11-06 Every Christmas I still think about that guitar and the sacrifice it represented And I hope I don't forget to think about the greatest sacrifice of all God's gift of Himself Christmas has become synonymous with shopping overindulging competition and stress But according to Mike Huckabee who was a pastor before getting into politics that was never God's intention Going back to the Nativity Christmas is supposed to be about simple things faith love family and hope The hard part in today's crazy world is remembering that those simple things are the most precious of all Now Huckabee recounts twelve Christmas memories often funny sometimes deeply moving that range from his childhood in Arkansas to his years as a young husband and father to his time as a governor and then a presidential candidate These true stories will help you smile take a deep breath and maybe slow down your own holiday treadmill If you're looking for a little clarity sanity and

inspiration at this insane time of year you're sure to enjoy *A Simple Christmas* **Fan Fiction** Brent Spiner, 2021-10-12 Brent Spiner's explosive and hilarious novel is a personal look at the slightly askew relationship between a celebrity and his fans. If the Coen Brothers were to make a Star Trek movie involving the complexity of fan obsession and sci-fi, this noir comedy might just be the one. Set in 1991, just as Star Trek: The Next Generation has rocketed the cast to global fame, the young and impressionable actor Brent Spiner receives a mysterious package and a series of disturbing letters that take him on a terrifying and bizarre journey that enlists Paramount Security, the LAPD, and even the FBI in putting a stop to the danger that has his life and career hanging in the balance. Featuring a cast of characters from Patrick Stewart to LeVar Burton to Trek creator Gene Roddenberry to some completely imagined, this is the fictional autobiography that takes readers into the life of Brent Spiner and tells an amazing tale about the trappings of celebrity and the fear he has carried with him his entire life. **Fan Fiction** is a zany love letter to a world in which we all participate, the phenomenon of Fandom. **Miracle Run** Corrine Morgan-Thomas, Gary Brozek, 2009-03-03 The inspiration for the Lifetime movie and a guide for parents confronting their autistic children's journeys to adulthood. Parents of autistic children often wonder: What will happen to our kids when they grow up? Can they work? Have relationships and their own families? Here is the poignant story of one woman watching her autistic boys reach adulthood. A single mother barely making ends meet, Corrine Morgan-Thomas could hardly afford doctors for her twins, Stephen and Phillip. After their diagnosis of autism, no one else thought these boys would ever amount to anything. But Corrine managed, single-handedly, to keep the boys out of institutions and in regular school. And their inspiring story became Lifetime television's *Miracle Run*. The real miracle, though, was what happened where the movie left off: when Stephen and Phillip graduated to face adult autism. From their diagnosis to the present day, when the boys have grown into young men leading happy lives, Corrine's eye-opening story is full of candor, humor, and most of all, hope. **Beery Family History** William Beery, Judith Beery Garber, 1957 Also includes some descendants of Otto Beery. He was born in 1859 at Langnau, Berne, Switzerland, and immigrated to the United States ca. 1885. He married Mary McCleary in 1890 at Passaic, New Jersey. They had five children, 1891-1906. He died in 1918 at Wallington, New Jersey. **My Last Sigh** Luis Buñuel, 2013-03-26 ONE OF THE HOLLYWOOD REPORTER'S 100 GREATEST FILM BOOKS OF ALL TIME. A provocative memoir from Luis Buñuel, the Academy Award-winning creator of some of modern cinema's most important films, from *Un Chien Andalou* to *The Discreet Charm of the Bourgeoisie*. Luis Buñuel's films have the power to shock, inspire, and reinvent our world. Now, in a memoir that carries all the surrealism and subversion of his cinema, Buñuel turns his artistic gaze inward. In swift and generous prose, Buñuel traces the surprising contours of his life, from the Good Friday drumbeats of his childhood to the dreams that inspired his most famous films, to his turbulent friendships with Federico García Lorca and Salvador Dalí. His personal narratives also encompass the pressing political issues of his time, many of which still haunt us today: the specter of fascism, the culture wars, the nuclear bomb. Filled with film trivia, framed by Buñuel's intellect and wit, this is essential reading.

for fans of cinema and for anyone who has ever wanted to see the world through a surrealist's eyes Birds of a Lesser Paradise Megan Mayhew Bergman, 2012-03-06 From a prizewinning young writer whose stories have been anthologized in *The Best American Short Stories* and *New Stories from the South* comes a heartwarming and hugely appealing debut collection that explores the way our choices and relationships are shaped by the menace and beauty of the natural world
