## Call Me Burroughs A Life Barry Miles

*Call Me Burroughs* Barry Miles, 2014-01-28 Fifty years ago Norman Mailer asserted William Burroughs is the only American novelist living today who may conceivably be possessed by genius Few since have taken such literary risks developed such individual political or spiritual ideas or spanned such a wide range of media Burroughs wrote novels memoirs technical manuals and poetry He painted made collages took thousands of photographs produced hundreds of hours of experimental recordings acted in movies and recorded more CDs than most rock bands Burroughs was the original cult figure of the Beat Movement and with the publication of his novel *Naked Lunch* which was originally banned for obscenity he became a guru to the 60s youth counterculture In *Call Me Burroughs* biographer and Beat historian Barry Miles presents the first full length biography of Burroughs to be published in a quarter century and the first one to chronicle the last decade of Burroughs s life and examine his long term cultural legacy Written with the full support of the Burroughs estate and drawing from countless interviews with figures like Allen Ginsberg Lucien Carr and Burroughs himself *Call Me Burroughs* is a rigorously researched biography that finally gets to the heart of its notoriously mercurial subject *William S. Burroughs* Barry Miles, 2014-02-06 Authoritative biography of cult writer and author of *NAKED LUNCH* William Burroughs 1914 1997 It has been 50 years since Norman Mailer asserted I think that William Burroughs is the only American novelist living today who may conceivably be possessed by genius This assessment holds true today No one since then has taken such risks in their writing developed such individual radical political ideas or spanned such a wide range of media Burroughs has written novels memoirs technical manuals and poetry he has painted made collages taken thousands of photographs made visual scrapbooks produced hundreds of hours of experimental tapes acted in movies and recorded more CDs than most rock groups Made a cult figure by the publication of *NAKED LUNCH* Burroughs was a mentor to the 1960s youth culture Underground papers referred to him as Uncle Bill and he ranked alongside Bob Dylan and the Beatles Buckminster Fuller and R D Laing as one of the gurus of the youth movement who might just have the secret of the universe Based upon extensive research this biography paints a new portrait of Burroughs making him real to the reader and showing how he was perceived by his contemporaries in all his guises from icily distant to voluble drunk It shows how his writing was very much influenced by his life situation and by the people he met on his travels around America and Europe He was beneath it all a man torn by emotions his guilt at not visiting his dotting mother his despair at not responding to reconciliation attempts from his father his distance from his brother the huge void that separated him from his son and above all his killing of his wife Joan Vollmer *The Beat Hotel* Barry Miles, 2000 *The Beat Hotel* is a delightful chronicle of a remarkable moment in American literary history From the Howl obscenity trial to the invention of the cut up technique Barry Miles s extraordinary narrative chronicles the feast of ideas that was Paris where the Beats took awestruck audiences with Duchamp and Celine and where

some of their most important work came to fruition Ginsberg's *Kaddish* and *To Aunt Rose Corso's The Happy Birthday of Death* and Burroughs's *Naked Lunch* Based on firsthand accounts from diaries letters and many original interviews *The Beat Hotel* is an intimate look at an era of spirit dreams and genius *Last Words* William S. Burroughs, 2000 Laid out as diary entries of the last nine months of Burroughs's life *Last Words* spans the realms of cultural criticism personal memoir and fiction Classic Burroughs concerns literature U S drug policy the state of humanity his love for his cats permeate this poignant portrait of the man his life and the creative process **Ginsberg** Barry Miles, 2000 Drawing on his personal friendship with the poet as well as Ginsberg's journals and correspondence the author presents a portrait of one of the twentieth century's most extraordinary poets Back cover [Literary Outlaw: The Life and Times of William S. Burroughs](#) Ted Morgan, 2012-07-31 Almost indecently readable captures Burroughs's destructive energy his ferocious pessimism and the renegade brilliance of his style *Vogue* With a new preface as well as a final chapter on William S Burroughs's last years the acclaimed *Literary Outlaw* is the only existing full biography of an extraordinary figure Anarchist heroin addict alcoholic and brilliant writer Burroughs was the patron saint of the Beats His avant garde masterpiece *Naked Lunch* shook up the literary world with its graphic descriptions of drug abuse and illicit sex and resulted in a landmark Supreme Court ruling on obscenity Burroughs continued to revolutionize literature with novels like *The Soft Machine* and to shock with the events in his life such as the accidental shooting of his wife which haunted him until his death Ted Morgan captures the man his work and his friends Allen Ginsberg and Paul Bowles among them in this riveting story of an iconoclast **The Stray Bullet** Jorge García-Robles, 2013-10-01 William S Burroughs arrived in Mexico City in 1949 having slipped out of New Orleans while awaiting trial on drug and weapons charges that would almost certainly have resulted in a lengthy prison sentence Still uncertain about being a writer he had left behind a series of failed business ventures including a scheme to grow marijuana in Texas and sell it in New York and an already long history of drug use and arrests He would remain in Mexico for three years a period that culminated in the defining incident of his life Burroughs shot his common law wife Joan Vollmer while playing *William Tell* with a loaded pistol He would be tried and convicted of murder in absentia after fleeing Mexico First published in 1995 in Mexico where it received the Malcolm Lowry literary essay award *The Stray Bullet* is an imaginative and riveting account of Burroughs's formative experiences in Mexico his fascination with Mexico City's demimonde his acquaintances and friendships there and his contradictory attitudes toward the country and its culture Mexico Jorge García Robles makes clear was the place in which Burroughs embarked on his fatal vocation as a writer Through meticulous research and interviews with those who knew Burroughs and his circle in Mexico City García Robles brilliantly portrays a time in Burroughs's life that has been overshadowed by the tragedy of Joan Vollmer's death He re-creates the bohemian Roma neighborhood where Burroughs resided with Joan and their children the streets of postwar Mexico City that Burroughs explored and such infamous figures as Lola la Chata queen of the city's drug trade This compelling book also offers a

contribution by Burroughs himself an evocative sketch of his shady Mexican attorney Bernab Jurado **Running with Scissors** Augusten Burroughs,2010-04-01 The 1 New York Times bestselling memoir from Augusten Burroughs Running with Scissors now a Major Motion Picture Running with Scissors is the true story of a boy whose mother a poet with delusions of Anne Sexton gave him away to be raised by her psychiatrist a dead ringer for Santa and a lunatic in the bargain Suddenly at age twelve Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor The doctor s bizarre family a few patients and a pedophile living in the backyard shed completed the tableau Here there were no rules there was no school The Christmas tree stayed up until summer and Valium was eaten like Pez And when things got dull there was always the vintage electroshock therapy machine under the stairs Running with Scissors is at turns foul and harrowing compelling and maniacally funny But above all it chronicles an ordinary boy s survival under the most extraordinary circumstances

Everything Lost William S. Burroughs,Geoffrey Dayton Smith,John M. Bennett,2008 In late summer 1953 as he returned to Mexico City after a seven month expedition through the jungles of Ecuador Colombia and Peru William Burroughs began a notebook of final reflections on his four years in Latin America His first novel Junkie had just been published and he would soon be back in New York to meet Allen Ginsberg and together complete the manuscripts of what became The Yage Letters and Queer Yet this notebook the sole survivor from that period reveals Burroughs not as a writer on the verge of success but as a man staring down personal catastrophe and visions of looming cultural disaster Losses that will not let go of him haunt Burroughs throughout the notebook Bits of it keep floating back to me like memories of a daytime nightmare However out of these dark reflections we see emerge vivid fragments of Burroughs fiction and even more tellingly unique primary evidence for the remarkable ways in which his early manuscripts evolved Assembled in facsimile and transcribed by Geoffrey D Smith John M Bennett and Burroughs scholar Oliver Harris the notebook forces us to change the way we see both Burroughs and his writing at a turning point in his literary biography **The Zapple Diaries** Barry Miles,2016-09-27 A revealing history of

the Beatles experimental record label as told by the label s manager In August 1968 the Beatles launched their greatest business enterprise Apple Records to international fanfare The less well known story is the introduction of their Zapple label about nine months later If Apple represented artists with new commercial opportunities Zapple offered more cutting edge freedom its mission was to distribute experimental music and spoken word recordings from the leading avant garde figures of the time The brainchild of Paul McCartney the label captured the counterculture spirit of the 1960s by collaborating with Yoko Ono alongside John Lennon Allen Ginsberg Richard Brautigan Charles Bukowski Lawrence Ferlinghetti and Charles Olson The Zapple Diaries is the first full length look at the enterprise as well as a true insider account from Barry Miles the label s manager who went on to become a leading authority and chronicler of 60s culture He provides insight into the colorful lives and working methods of the artists and discloses the fascinating story of the experimental venture ultimately offering up a revealing and engaging account of this little known chapter of Beatles history The British Invasion Barry

Miles,2009 Examines the British influences on American culture between 1964 and 1969 discussing rock bands such as The Beatles the Yardbirds supermodel Twiggy and Mary Quant minidresses James Bond films and more Cursed from Birth William S. Burroughs. Jr.,2006-08-23 Being the son of counter culture author William S Burroughs is bound to be a trial After all the man who frequented lesbian dives and had a fascination with firearms couldn t possibly make that great of a father Perhaps inevitably William Jr called Billy referred to himself as cursed from birth and in the book of the same name editor David Ohle collects parts of Billy s third and unfinished novel Prakriti Junction his last journals and poems and correspondence and conversations to recreate this tortured life Endowed with the sufferings but not the patience of Job Billy s life was often characterized by tragedy and frustration although there were also pockets of success and levity More than just the memoir of a casualty of the Beat Generation Cursed From Birth provides rare insight in Billy s father as well as his scene friends and times It also provides an all too familiar story of familial difficulties that anyone with difficult parents can understand and appreciate **Of Wolves and Men** Barry Holstun Lopez,2004 **Junky** William S. Burroughs,2009 Junk is not like alcohol or weed a means to increased enjoyment in life Junk is not a kick It is a way of life Burrough s cult classic is a raw semi autobiographical account of drug addiction which outraged America and influenced generations of writers to come He relates with unflinching realism the highs and lows of dependency euphoria hallucinations ghostly nocturnal wanderings and strange sexual encounters Junky is a dark powerful and mesmerizing account of one man s challenge to turn self destruction into art **Jack Kerouac King of the Beats** Barry Miles,2007-02 In conformist 1950s America Jack Kerouac s On the Road was greeted with both delirium and dismay For his generation a generation waiting to be written he and the universe he created symbolism freedom He identified the living pulse of America in jazz clubs and fast cars and found vibrancy in hoboes hopping freight cars and travelling the highways In his hunt for the big experience and his longing for greatness Kerouac has inspired each successive generation He is now an icon an image an attitude forever personifying the mad ones the ones who are mad to live mad to be saved desirous of everything at the same time Including the sale of the Kerouac archive to the New York public library Jack Kerouac King of the Beats is a completely up to date provocative and intimate portrait of one of the twentieth century s most influential writers revealing a man full of contradictions rarely at peace with himself Barry Miles friend and official biographer of Allen Ginsberg and William Burroughs provides a meticulously researched exploration of the complex man and extraordinary writer whose creative mishmash of joyous incoherence drug induced ecstasy genuine mysticism and constant craving has persuaded so many to take to the road *The Ticket That Exploded* William S. Burroughs,2011-02-24 In *The Ticket That Exploded* William S Burroughs s grand cut up trilogy that starts with *The Soft Machine* and continues through *Nova Express* reaches its climax as inspector Lee and the Nova Police engage the Nova Mob in a decisive battle for the planet Only Burroughs could make such a nightmare vision of scientists and combat troops of ad men and con men whose deceitful language has spread like an incurable disease be at
