Liquid Life Rachel Armstrong, 2019 If we lived in a liquid world the concept of a machine would make no sense Liquid life is metaphor and apparatus that discusses the consequences of thinking working and living through liquids It is an irreducible paradoxical parallel planetary scale material condition unevenly distributed spatially but temporally continuous It is what remains when logical explanations can no longer account for the experiences that we recognize as part of being alive Liquid Life references a third millennial understanding of matter that seeks to restore the agency of the liquid soul for an ecological era which has been banished by reductionist brute materialist discourses and mechanical models of life Offering an alternative worldview of the living realm through a new materialist and liquid study of matter Armstrong conjures forth examples of creatures that do not obey mechanistic concepts like predictability efficiency and rationality With the advent of molecular science an increasingly persuasive ontology of liquid technologies can be identified Through the lens of lifelike dynamic droplets the agency for these systems exists at the interfaces between different fields of matter energy that respond to highly local effects with no need for a central organizing system Liquid Life seeks an alternative partnership between humanity and the natural world It provokes a re invention of the languages of the living realm to open up alternative spaces for exploration including contributor Rolf Hughes angelology of language which explores the transformative invocations of prose poetry and Simone Ferracina s graphical notations that help shape our concepts of metabolism upcycling and designing with fluids A conceptual and practical toolset for thinking and designing liquid life reunites us with the irreducible soul substance of living things which will neither be simply solved nor go away **Unleashed** Cherrie Lynn, 2017-07-24 Kelsey is not having a good day Her husband has run off with the wife of her best friend Evan the one man who could maybe see Kelsey through this craziness Nothing quite like humiliation to make things awkward But Evan has no intention of letting that happen He s got plans namely an extra plane ticket to Hawaii with Kelsey s name on it The one he should never have let slip away straight into the arms of a man who shattered her heart Kelsey is anticipating a week of fun in the sun with her bestie No one s more surprised when she discovers that Evan has seduction on his mind and that she s more than ready for it But past demons have a way of ripping open old wounds and threatening the survival of even the strongest relationship Each book in the Ross Siblings series is STANDALONE **Unleashed** **Rock Me** **Breathe Me In** **Leave Me Breathless** **Light Me Up** **Take Me On** **Watch Me Fall** **Breathless** Amphibians, Reptiles and Turtles of the Cimarron National Grassland, Kansas Joseph T.
