examination of abuse and atonement A triumph of artistry and empathy Naomi Klein A crucial step forward This is an urgently needed book right now Jane Fonda Courageous transformative and yes healing Anne Lamott Like millions of women Eve Ensler has been waiting much of her lifetime for an apology Sexually and physically abused by her father Eve has struggled her whole life from this betrayal longing for an honest reckoning from a man who is long dead After years of work as an anti violence activist she decided she would wait no longer an apology could be imagined by her for her to her The Apology written by Eve from her father s point of view in the words she longed to hear attempts to transform the abuse she suffered with unflinching truthfulness compassion and an expansive vision for the future Through The Apology Eve has set out to provide a new way for herself and a possible road for others so that survivors of abuse may finally envision how to be free She grapples with questions she has sought answers to since she first realized the impact of her father s abuse on her life How do we offer a doorway rather than a locked cell How do we move from humiliation to revelation from curtailing behavior to changing it from condemning perpetrators to calling them to reckoning What will it take for abusers to genuinely apologize Remarkable and original The Apology is an acutely transformational look at how from the wounds of sexual abuse we can begin to re emerge and heal It is revolutionary asking everything of each of us courage honesty and forgiveness
