*Experiencias Oct 16 2022* Follow Daniel around the Spanish-speaking world as he guides students through this innovative new language course Experiencias: Beginning Spanish is a dynamic and innovative introductory Spanish course that builds students' language competency and offers realistic language encounters, so they can begin communicating in Spanish as early as possible. In Experiencias: Beginning Spanish, students meet Daniel, a native Spanish speaker who guides them through the learning process. For each chapter, there is a video episode of Daniel's "how to" show, where he interviews his Spanish-speaking friends about authentic topics of interest to today's students. The Experiencias course focuses on connecting language with culture, engaging students with content related to the perspectives of native speakers. Each chapter focuses on a different country, integrating grammar and vocabulary into real-world units that will give students a sense of excitement and wonder. Additional pedagogical features include an emphasis on metacognitive learning strategies, a reduced grammatical syllabus that leaves room for extra work on challenging areas, and content recycling throughout the text for enhanced language mastery. Takes students on a journey through the Spanish-speaking world, featuring a different country in each chapter Offers innovative pedagogical techniques and activities drawn from the authors' own classroom research Engages students with a focus on culture, practical communication, and video interviews with native Spanish speakers Develops oral and written communication skills through authentic tasks structured by the ACTFL Proficiency Guidelines With WileyPLUS for Experiencias: Beginning Spanish, students have access to an enhanced e-text featuring videos, audio recordings, interactive vocabulary exercises, educational animations, links to additional resources, and more. This text is an excellent choice for today's beginning Spanish speakers, whether in traditional or online classroom environments.

Experiencias May 30 2021 "In Experiencias Intermediate, students follow Sofía, a 23-year-old heritage learner of Spanish from the U.S., who travels extensively. Like Daniel in Experiencias Beginning, Sofía introduces each chapter's main strategy and shares her blog on the Spanish-speaking world. Through her video segments, Sofía poses questions to Spanish speakers and invites students to compare others' perspectives to their own. Guided by the ACTFL Proficiency Guidelines (2012), Experiencias concentrates on what students can realistically communicate after two to four semesters of classroom-based Spanish language instruction. Experiencias Beginning develops oral communication and literacy through a variety of authentic tasks. With the help of Experiencias Intermediate students continue to develop communicative competencies while also focusing on practical literacies, digital humanities, and job-related skills. The communicative nature of the tasks found in the book encourages students to begin using Spanish immediately in the classroom as they express their own personal meaning"--

Paramedic Care Apr 29 2021 Volume 1: "Introduction to Advanced Prehospital Care" (includes Airway Management) Volume 2: "Patient Assessment" Volume 3: "Medical Emergencies" Volume 4: "Trauma Emergencies" Volume 5: "Special Considerations / Operations (includes Assessment-Based Management) Dr. Bryan E. Bledsoe, lead author of the classic pre-'98 curriculum text "Paramedic Emergency Care," along with co-authors Robert Porter and Richard Cherry, has woven together contributions from field experts to provide detailed, yet student-friendly texts that will set the standard for paramedic education for years to come. In developing this series to meet the new curriculum, the goals were threefold: Comprehensive coverage. The program includes "all" materials required for the new U.S. DOT curriculum and, where appropriate, expanded information .

Accuracy. The material reflects the best and latest in scientific and medical practice, written and reviewed by experts . Appropriate level. Concepts and terminology are clearly explained. Beginning at the level of the new student and progressing through the development of new and advanced concepts, this series will provide the student with a broad background of knowledge and a firm grasp of how to apply it to paramedic emergency care .
