"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review All's fair when you're in love with War. For Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And

while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. New school year, same old problems . . . At Mythos Academy, everyone knows exactly who I am: Rory Forseti, Spartan girl and the daughter of Reapers. Even though I fought alongside my cousin Gwen Frost to save the mythological world from Loki and his evil Reapers of Chaos, I'm still the most hated girl at the academy because of all the horrible things my parents did. I had hoped that this school year would be different, but the other kids just won't let me forget about my parents. But something strange is going on at the Colorado academy. First, I run into a Viking guy who dislikes me more than most. Then I notice some odd artifacts in the Library of Antiquities. And worst of all, I start hearing rumors about a new group of Reapers who can summon mythological monsters. I might be the most hated girl at Mythos Academy, but I'm also the only one who can save it . . . Every bloody thread has been leading to this . . . I've battled a lot of bad guys in my time, both as Gin Blanco and as the notorious assassin the Spider. But I've never faced off against anyone quite as powerful and deadly as the dastardly leader of the Circle secret society. Just when I finally have a lead on how I can defeat the evil group once and for all, new information comes to light that throws me for a loop. Suddenly, everyone and everything I love is in imminent peril of being destroyed, and I'm racing against the clock to figure out a way to save my friends. The stakes couldn't be higher, and the danger has never been greater. Somehow, I need to weave one last strand in my web of death—and kill my enemies before they kill me . . . "The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In Tales of the Cthulhu Mythos, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: , The Call of Cthulhu by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. , Notebook Found in a Deserted House by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. , Cold Print by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. , The Freshman by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. PLUS EIGHTEEN MORE SPINE-TINGLING TALES! A young girl sets off on a journey of self-discovery in this "richly atmospheric" tale blending steampunk, adventure, and gothic romance (Kirkus Reviews). With her noticeably large hands and feet, Lena Mattacascar is undoubtedly different. Secretly, she's wondered if she might actually be Peculiar, and if her father—who left when she was only five years old—may have been Peculiar too. On her eighteenth birthday, Lena receives a letter that inspires her to leave the safety of the City and search for her father in the northern wilderness of Scree—a place inhabited by people whose own unusual characteristics make them unacceptable to modern society. Her journey leads to romance, danger, and a darkness she's never imagined. For in the wilds of Scree, she must confront her deepest fears . . . "Readers graduating from the stories of C.S. The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep: it's Gin Blanco's party—and you'll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me— Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color. A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. One day, I'm getting schooled in swordplay by the guy who broke my heart—the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword—or die trying. Gin Blanco, aka the assassin the Spider, might have finally killed her nemesis, Mab Monroe, but that doesn't mean that it's smooth sailing. Gin goes to Mab's funeral to say her goodbyes and runs into some of Ashland's most notorious underworld power players, including Jonah McAllister and Phillip Kincaid. McAllister wants her dead, and Kincaid has his own murky motives when it comes to the Spider, and Gin once again finds herself fighting for her life. Only this time, she might wind up in the cemetery right next to Mab.... Hunting for the bad guys has never been so dangerous . . . Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. Further complicating matters is Leo's murderous family, especially Queen Maeven Morricone, the mastermind behind the infamous Seven Spire massacre. The full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider—from the bestselling author of *Heart of Venom*. How did I end up in a career where I always have blood on my hands? Well, let me tell you a story about an assassin who thought she could do no wrong . . . Ten years ago. A blistering hot August night. I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then, I had yet to learn one very important rule: arrogance will get you, every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control . . . right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them. There's a reason assassins aren't supposed to feel anything. Luckily, a knife to the heart can fix that problem, especially when I'm the one wielding it . . . “An amazing ride . . . The Spider made me fall in love with Gin all over again.” —All Things Urban Fantasy “Estep did a great job of having a younger, more naïve, and a less patient Gin come across the page.” —Vampire Book Club “I was tremendously satisfied and as anxious as ever for more from Ashland's greatest (semi-retired) assassin.” —Smexy Books A fierce gladiator queen must face off against her enemies in an epic battle in this next thrilling installment of New York Times and USA Today bestselling author Jennifer Estep's *Crown of Shards* series—an action-packed adventure full of magic, murderous machinations, courtly intrigue, and pulse-pounding romance. In a realm where one's magical power determines one's worth, Lady Everleigh's lack of obvious ability relegates her to the shadows of the royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark forces are at work inside the palace. When her cousin Vasilisa, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until she can decide her next move. But as the bloodthirsty Vasilisa exerts her power, pushing Bellona to the brink of war, Evie's fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen.
