Exam establishes a clear, simple framework for revision and helps students get to grips with what exams are all about. Part 1 begins by exploring institutional expectations and common anxieties and exam myths, before showing students how to tackle various types of exam, including essay-based exams, short-answer questions, multiple-choice questions, calculation-based exams and open book exams. Part 2 helps readers plot an effective revision strategy for an imminent exam and, equally important, a detailed strategy for optimal use of time and productive powers during the exam. Finally, Part 3 helps students put their plans into action. Ace Your Exam will be an essential companion to all students preparing for and taking exams.

Strategies for Student Writers Apr 08 2021 A comprehensive writing text for students in all disciplines. Covers every aspect of the writing process, from coming up with an idea to the final written product, whether it be an essay, exam essay, tutorial paper, or report. Illustrates each stage of the process of writing with examples and models. Offers strategies for the ``prewriting stage'': thinking the question through, defining a purpose, selecting evidence, and choosing a presentation structure; for the writing stage: constructing introductions and conclusions, sustaining a line of argument, and choosing an appropriate level of technicality or generality; and for the editing stage:

reworking sentences, ensuring that each paragraph has a focus, and that the argument flows well throughout the paper. Contains notes on referencing systems, bibliographies, and on punctuation and spelling. Includes many examples of good writing drawn from a wide variety of subjects.
