The D-Life Journal for Old Testament 1 is an excellent tool for personal study or for using the Old Testament in discipleship. By reading one Bible story a day for five days each week, you will read 260 different stories from the Old Testament and record a brief journal entry from each story. For 52 of those stories you will have a weekly study guide with great discussion questions for leading a discipleship group. Stories for your discipleship group will include: The Fall of Man, The Call of Abraham, The Sacrifice of Isaac, Joseph and Potiphar's Wife, Moses and the Burning Bush, The Ten Commandments, The Fall of Jericho, Gideon and His Army, The Love of Ruth, David and Goliath, David's Mighty Men, Naboth's Vineyard, The Valley of Dry Bones, Daniel in the Lion's Den, Jonah and the Great Fish, and many more. Whether you use this journal for your own personal devotional time or for leading a discipleship group, you will find this to be an excellent resource for studying the Old Testament. The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. This Testament notebook / Journal makes an excellent gift for any occasion. Lined - Size: 6 x 9" - Notebook - Journal - Planner - Dairy - 110 Pages - Classic White Lined Paper - For Writing, Sketching, Journals and Hand Lettering Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis, Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. Table of Contents ARTICLES Poetry and Emotion in Psalm 22, Part One Joel Atwood (Mis)understanding Sailhamer Kevin Chen The Non-Royal Portrayal of Moses in the Pentateuch Gregory Goswell Connecting Khirbet Qeiyafa to the Proper Israelite King: Sauline Stronghold or Davidic Fortress? Douglas Petrovich BOOK REVIEWS This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources. ESV Scripture Journal: Numbers positions the full text of the book of Numbers opposite lightly lined blank pages for recording notes and prayers--a great resource for personal Bible reading and reflection, group Bible studies, or sermon notes. Just what is a proper use of the Bible, especially the New Testament, in Christian debates about acceptance of homosexuals? In addition to bringing clarity and honesty to issues of the relevance of the Bible, this work brings a little more light and a little less heat to the discussion, a little more acceptance of all persons on the "other side," and maybe even an awareness that in Christ there is really no "other side" at all. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. Three approaches to questions about the theological connection between the Old and New Testaments. The relationship between the Testaments is not as simple and straightforward as it sometimes appears. When New Testament authors appeal to Old Testament texts to support their arguments, what is the relationship between their meanings and what was originally intended by their Old Testament forebears? Leading biblical scholars Walter Kaiser, Darrel Bock, and Peter Enns present their answers to questions about the use of the Old Testament in the New Testament, addressing elements such as: Divine and human authorial intent. Context of passages. Historical and cultural considerations. The theological grounds for different interpretive methods. Each author applies his framework to specific texts so that readers can see how their methods work out in practice. Each contributor also receives a thorough critique from the other two authors. Three Views on the New Testament Use of Old Testament gives readers the tools they need to develop their own views on the meaning, contexts, and goals behind the New Testament citations of the Old. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion. "In this outstanding collection, eminent New Testament scholar C. K. Barrett considers various dimensions of the fourth gospel. As a foundation for greater understanding, he discusses the theological method inherent in John's writings. He includes an important chapter on Christology that deals with Jesus' relationship to God and the nature of his humanness. Particularly revealing is the comparison of the theological vocabulary of the Gospel of John and the Gospel of Truth. Four vital aspects of Johannine literature are discussed: symbolism, sacraments, paradox-dualism, and history. One essay is devoted to Ignatius of Antioch, whose thought is related to John's." -- Book cover. Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. What if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a PhD in Biblical Studies and succeeding in the academic world? This book is precisely intended to fill that need. From theory to practice, you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with: How do I choose a program? How can I gain admission into an elite program? How do I choose a research topic? Alongside the "big" questions about the process, there are also a host of smaller matters: How do I publish an article? What conferences are out there in my field? Where do I start looking for a job? How do I get teaching experience? How do I write a syllabus? This guidebook tackles all of these questions and many more in three parts: Prepare focuses on getting into a PhD program; Succeed guides you through the doctoral program, especially the writing of the dissertation; and Advance treats issues that relate to success in the academic world such as conference participation, publishing, employment, and best practices in teaching. PRAISE FOR THE FIRST EDITION "Gupta has kindly provided me a book version of an academic mentor. In a time when many professors are busy, Gupta walks the extra mile and makes himself present not only in person to those near him, but also in writing for those like me. I can't thank him enough!" --Natan B. de Carvalho, College Student "Dr. Gupta's book offered indispensable advice for me as I applied for PhD programs, completed my thesis, and applied for (and secured) tenure-track jobs. I am grateful for his service to the guild!" --Madison N. Pierce, Assistant Professor in New Testament, TEDS "Having started seminary about a year after the first edition appeared, I was able to use Gupta's abundance of clear-headed advice to build a path to doctoral study. I can see, as a student in a first-tier PhD program, that this journey would not have been possible had I not been able to learn the many unspoken rules Gupta outlines in this invaluable book." --Jonathan Groce, New Testament PhD student at Emory University "This book should be required for anyone even slightly interested in biblical higher education. I've enjoyed it so much that I've bought it three times, having given it away to two students." --Ryan Lyton, Director of Academic Services and Adjunct Professor at Life Pacific University-Virginia "This book has proven immensely helpful as I navigated the PhD application process. Providing useful benchmarks and invaluable suggestions, Gupta's sage advice prepared me for success." --Benjamin Castaneda, PhD student at the University of St. Andrews "The world of academic biblical studies can be difficult to navigate, especially for ethnic minorities. This book has prepared me well by making an opaque process clear and straightforward. I recommend it to anyone considering this path." --Daniel K. Eng, PhD candidate, University of Cambridge "I wanted to thank you for the invaluable guidance your book provided as I made decisions concerning my academic future. I have just completed my M.A. in Classical Studies at Villanova and was accepted into graduate programs at both Edinburgh and Oxford. Every step of the way your text provided clear and specific recommendations. It was a true blessing." --Ken Tully, Adjunct Faculty at Villanova "Prepare, Succeed, Advance is a tremendously helpful reference tool. As an academic advisor, I will make this the first resource I recommend to colleagues who may not have the advantage of personal experience in a PhD program. As a student, I will regularly return to Gupta's work for counsel on the next stage of academic life. Doctoral students should rejoice at having such a sure guide to academic success and commend Gupta for his contribution." --Samuel Emadi, review in JETS 56/1 (2013) 139-141, (140-141) "This guide is indispensable to anyone thinking about a PhD." --Abram K-J, "Should I get a PhD?" Words on the Word blog, July 9 2012 "Nijay Gupta's Prepare, Succeed, Advance: A Guidebook for Getting a PhD in Biblical Studies and Beyond is just that, a guidebook. It does not claim to provide a formula on how the entire process works. At the same time, it is more than that in the sense that Gupta's honesty, attention to detail, and measured optimism throughout the entire book give his voice a level of credibility and warmth that prospective students will find invaluable as they begin their own individual paths toward academia." --Michael Suh, PhD, Emory, review in RBL: October 2014 "Prepare, Succeed, Advance has so many helpful points that my highlighter almost gave out. If you have even the tiniest desire to pursue a PhD in Biblical Studies, get a few pencils, two highlighters, and a copy of this book. You won't be sorry." --Andrew Kelley, PhD, Edinburgh "When I started to investigate what a PhD in Biblical Studies entailed I was lost. What do schools look for? What programs are better for what field? So many questions, and so little (quality) answers. When I found Dr. Gupta's book I found both a map and compass. His book laid out the road ahead--including avenues to avoid, and boulevards to explore in more detail. Following Dr. Gupta's candid advice I have received offers to study at a couple of UK PhD programs. I think I owe Dr. Gupta some money! Buy this book--you will not be disappointed!" --Joshua Morris Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. Fresch (Bible College of South Australia, Australia) Colin Toffelmire (Ambrose University, Canada) Ryan Hanley (Southern Baptist Theological Seminary, USA) Michele E. Knight (Trinity Evangelical Divinity School, USA) Clarke offers an important study of the standard text of the New Testament that is in the hands of every new Testament scholar. He compares the five editions to appear since 1966, focusing upon the textual apparatus and the A, B, C and D evaluation of evidence letter-ratings. Clarke presents the evidence of extensive 'grade inflation' in the fourth edition, implying a much higher degree of certainty than previous editions had accepted. He claims that the editors have not only been inconsistent and overly optimistic in their modifications, but have also failed to provide readers with an adequate explanation and methodological basis for these unprecedented changes. Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. "Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures."--MICHAEL DEAN MCDONALD, the Bible Project Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis, Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. The most thorough grounding available in the various disciplines of NT study, this is an invaluable tool for students, scholars and other serious readers of the earliest Christian writings. With a full survey of scholarship on each topic, in 600 packed pages the volume gives a reliable, in-depth presentation of: the history of interpretation – the NT canon – text criticism – the language of the NT – the historical and literary context – methods and approaches. The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter-denominational journal JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics. In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor of the award-winning Commentary on the New Testament Use of the Old Testament, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by students of the New Testament and pastors alike. The canon achieves the concord and harmony of the law and the prophets in the covenant delivered at the coming of the Lord of which Clement of Alexandria so eloquently spoke.--Hans Boersma, J. I. Packer Professor of Theology, Regent College This volume of essays is dedicated to Professor Ralph Martin of the University of Sheffield, formerly Director of the Graduate Studies Program at Fuller Theological Seminary, widely known for his incisive and disciplined scholarship on the New Testament. The editors called on associates from his various teaching posts, former students, and colleagues in the field for these original essays, the range of which reflects Professor Martin's own broad interests in New Testament studies, worship and ministry. Contributors to the volume are: Ernest Best, Colin Brown, James Dunn, E. Earle Ellis, Donald Guthrie, Donald Hagner, Gerald Hawthorne, Colin Kruse, Andrew Lincoln, I. Howard Marshall, Leon Morris, Peter T. O'Brien, Terence Paige, Eduard Schweizer, Graham Stanton, Marianne Meye Thompson and Michael J. Wilkins, with a curriculum vitae and reminiscences supplied by Lynn A. Losie and Leslie Allen. Utilizes material from the award-winning Dictionary for Theological Interpretation of the Bible to introduce theological interpretation through a book-by-book survey of the New Testament. Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis, Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, She Reads Truth is the message that will help you understand the place of God's Word in your life.
