Follow these instructions to access your free digital copy of Technical Graphics and other bonus materials. A Charlotte Mason Inspired Journey Through American History! American history comes alive in America's Story 2 as students experience the struggle of the fledgling American nation as she strives to resolve conflict, reconstruct after division, expand through the Wild West, and join the world in the Industrial Revolution. Easy for teachers, exciting for students! America's Story 2 is designed to be easy to use with a convenient schedule to save you time! While students embark on an exciting adventure through American history as they: Learn to retell history through the use of oral & written narration Sketch their way through historical scenes Create their own maps And compile a timeline from the Civil War to the Industrial Revolution of the early 1900s! America's Story 2 Teacher Guide Includes: Suggested Daily Schedule—Saving you time! Student worksheets for narration (oral & written), sketching, map adventures, & timelines. Optional Digging Deeper activities Special Project Ideas Review sheets & answer keys 3-hole

punched, perforated pages for convenience Course Features: Approximately 45 minutes per lesson, 4-5 days per week Designed for grades 3-6 in a one-year history course A history of the United States from prehistoric times to the present. This edition can be used for the second part of a two-year American history course. The text includes a review of American history up to the Civil War. Build your students' understanding and appreciation for the broad diversity in U.S. history. Enhances students' historical and critical-thinking skills with materials on key Native American tribes Promotes easily individualized instruction and engages varied intelligences Includes teacher guide, plus reproducible student information sheets and activities “This immigration story is universal.” —School Library Journal, Starred Dan Yaccarino’s great-grandfather arrived at Ellis Island with a small shovel and his parents’ good advice: “Work hard, but remember to enjoy life, and never forget your family.” With simple text and warm, colorful illustrations, Yaccarino recounts how the little shovel was passed down through four generations of this Italian-American family—along with the good advice. It’s a story that will have kids asking their parents and grandparents: Where did we come from? How did our family make the journey all the way to America? “A shovel is just a shovel, but in Dan Yaccarino’s hands it becomes a way to dig deep into the past and honor all those who helped make us who we are.” —Eric Rohmann, winner of the Caldecott Medal for *My Friend Rabbit* “All the Way to America is a charmer. Yaccarino’s heartwarming story rings clearly with truth, good cheer, and love.” —Tomie dePaola, winner of a Caldecott Honor Award for *Strega Nona* A history of the United States from prehistoric times to the present. This edition can be used for the second part of a two-year American history course. The text includes a review of American history up to the Civil War. Nation-building efforts by the United States and the international community have led to both success and failure, overwhelming support and debilitating controversy. Some are motivated by national security interests; others by humanitarian concerns. They seem to have exploded since the end of the Cold War but in fact have long been used as a foreign policy tool. What they all have in common is a substantial investment of troops, treasure and time. There is no formula--each operation is unique, with lessons to be learned and trends noted. Examining the history of America's experience, this book describes the mechanisms behind what often appears to be a haphazard enterprise. [This book explores] seven broad themes central to American history:

global relations, [the] Constitutional heritage, democratic values, technology and society, cultural diversity, geographic diversity, and economic development. They provide a context for the historical events [which] will help [the student] understand the connections between historical events and see how past events are relevant to today's social, political, and economic concerns. -Themes in American history. Throughout [the book, the student is] asked to think critically about the events and issues that have shaped U.S. history ... Helping [the student] develop critical thinking skills is a [key] goal of [the text]. -Critical thinking and the study of history. Ventures is a six-level, standards-based ESL series for adult-education ESL. Ventures Civics offers reproducible civics worksheets for use alongside the Ventures series.
