Books Burn Badly Jun 22 2024 On 19 August 1936 Hercules the boxer stands on the quayside at Coruña and watches Fascist soldiers piling up books and setting them alight. With this moment a young carefree group of friends are transformed into a broken generation. Out of this incident during the early months of Spain's tragic civil war, Manuel Rivas weaves a colourful tapestry of stories and unforgettable characters to create a panorama of twentieth-century Spanish history. For it is not only the lives of Hercules the boxer and his friends that are tainted by the unending conflict, but also those of a young washerwoman who sees souls in the clouded river water and the stammering son of a judge who uncovers his father's hidden library. As the singed pages fly away on the breeze, their stories live on in the minds of their readers.

Verity Oct 22 2021 Mais um romance de sucesso. Verity é perturbador, arrepiante e inesperado. Uma experiência inesquecível. Lowen Ashleigh é uma escritora que se debate com grandes dificuldades financeiras, até que aceita uma oferta de trabalho irrecusável: terminar os três últimos volumes da série de sucesso de Verity Crawford, uma autora de renome que ficou incapacitada depois de um terrível acidente. Para poder entrar na cabeça de Verity e estudar as anotações e ideias reunidas ao longo de anos de trabalho, Lowen aceita o convite de Jeremy Crawford, marido da autora, e muda-se temporariamente para a casa deles. Mas o que ela não esperava encontrar no caótico escritório de Verity era a autobiografia inacabada da autora. Ao lê-la, percebe que esta não se destinava a ser partilhada com ninguém. São páginas e páginas de confissões arrepiantes, incluindo as memórias de Verity relativas ao dia da morte da filha. Lowen decide ocultar de Jeremy a existência do manuscrito, sabendo que o seu conteúdo destroçaria aquele pai, já em tão grande sofrimento. Mas, à medida que os sentimentos de Lowen por Jeremy se intensificam, ela apercebe-se de que talvez seja melhor ele ler as palavras escritas por Verity. Afinal de contas, por mais dedicado que Jeremy seja à sua mulher doente, uma verdade tão horrenda faria com que fosse impossível ele continuar a amá-la. Os elogios da crítica: «Aviso: Verity não vai derreter-lhe o coração... Vai incendiar-lhe a alma.» - Kindle Crack Book Reviews «Isto não é um livro, é uma experiência visceral!» - B. B. Easton, autora bestseller

The Battle Of France May 29 2022 Peter Cornwell tells the story of the greatest air battle of the Second World War when six nations were locked in combat over north-western Europe for a traumatic six weeks in 1940. He describes the day-to-day events as the battle unfolds, and details the losses suffered by all six nations involved: Britain, France, Holland, Belgium, Germany and, rather belatedly, Italy. As far as RAF fighter squadrons in France were concerned, it was an all-Hurricane show, yet it was the Blenheim and Battle crews who suffered the brunt of the casualties. Every aircraft lost or damaged through enemy action while operating in France is listed together with the fate of the crews. The RAF lost more than a thousand aircraft of all types over the Western Front during the six-week battle, the French Air Force 1,400, but Luftwaffe losses were even higher at over 1,800 aircraft.

Dreamland Burning Feb 06 2023 A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.

Burns So Bad Nov 03 2022 A funny, sexy romantic suspense series about wildland firefighters by New York Times and USA Today bestselling author Anne Marsh! Rio Donovan is having a very bad day. He's three thousand feet about a California forest fire when his parachute fails to open. It's okay, though, because his teammate catches him and carries him safely to the ground. All's well that ends well. Except that his rescuer is his prickly, competitive, completely professional but entirely gorgeous

teammate Gia Jackson... Turns out, Rio's brothers have very strong opinions on the idea of Rio dating a coworker and they're voting no. According to them, Gia is off-limits. One of the guys. Plus, she's no fan of cocky hotshots. Rio's brothers are right—he should stay far, far away from Gia Jackson and her delightfully surly attitude. Her eternal case of bedhead. Her lemon-scented skin. Workplace romances are nothing but trouble and the secret-keeping Gia is the opposite of what Rio needs in his life right now. He should just send her a fruit basket and keep things professional. Nah—of course he's all in. Even when when they're trapped by a wildfire that forces them to hike out of the mountains together. And then stumble across a secret drug grow. Gia's about to find out just how dangerous Rio can be—and how hard he'll fight to keep her safe and make her his.

Sometimes I Lie Jun 29 2022 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber

wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Before I Burn Sep 13 2023 In the late 1970s, a pyromaniac runs amok in a close-knit community in rural Norway. Homes are burnt to a cinder, and panic spreads, as neighbors wonder who amongst them could be wreaking such fear and anguish. And slowly, almost imperceptibly, a mother comes to realize that her son is lighting the fires. Born into this time of chaos, Gaute Heivoll is indelibly linked to the arsonist intent on such destruction. By juxtaposing the pyromaniac's story with his own, Heivoll explores memory, loss, and the agonizing separation of child from parent that it is a rite of passage for us all. Written in fluid, luminous prose, *Before I Burn* is a literary sensation, by the foremost Norwegian writer of his generation.
