Manual (Classic Reprint) Luther Lee,2015-07-19 Excerpt from The Revival Manual Infidelity assumes a variety of forms but in none is it more successful and more fatal than when it appears robed in livery stolen from the Sanctuary and goes forth as the friend and advocate of religion and assumes to steady and guide the ark of God In this form and with these pretensions many who design to be honest Christians are deceived by it and unsuspectingly embrace its errors for the teachings of Christianity who should they meet it undisguised would shun it as they would the hissing serpent So far as the influences that emanate from unsanctified hearts is allowed to dictate the language of the pulpit and direct the exercises of the sanctuary it will constrain the one to speak such smooth things as will startle none from their own carnal repose and muld the other into a form which will secure the friendship and support of an unrenewed world In no one instance has this been more strikingly illustrated than on the subject of conversion and the means to be employed to procure conversions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book

Hittin' the Prayer Bones Anderson Blanton,2015-07-29 In this work Anderson Blanton illuminates how prayer faith and healing are intertwined with technologies of sound reproduction and material culture in the charismatic Christian worship of southern Appalachia From the radios used to broadcast prayer to the curative faith cloths circulated through the postal system material objects known as spirit matter have become essential since the 1940s Blanton argues to the Pentecostal community s understanding and performances of faith Hittin the Prayer Bones draws on Blanton s extensive site visits with church congregations radio preachers and their listeners inside and outside the broadcasting studios and more than thirty years of recorded charismatic worship made available to him by a small Christian radio station In documenting the transformation and consecration of everyday objects through performances of communal worship healing prayer and chanted preaching Blanton frames his ethnographic research in the historiography of faith healing and prayer as well as theoretical models of materiality and transcendence At the same time his work affectingly conveys the feelings of horror healing and humor that are unleashed in practitioners as they experience in their own words the sacred healing presence of the Holy Ghost

Manual of Revivals George Winfred Hervey,2018-01-20 Excerpt from Manual of Revivals Practical Hints and Suggestions From Histories of Revivals and Biographies of Revivalists But in churches not a few the highest and steepest difficulty is of a social kind Their meetings are largely arranged with a view to attract young people and to maintain social amusements Reunions festi vals fairs sociables and all that succeed each other so rapidly and with such momentum that church life vies with the world of fashion in keeping out of the mind all thought about our Christian duties and interests A revival crossing the track of such a train of festivi ties would be as unwelcome as a fire that is devour ng a railroad bridge About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this book you will learn how to maintain an unoffendable heart use your voice effectively to prepare the way demonstrate a lifestyle of love marry the land live effectively in consecrated community be grounded in the Word persevere to win the prize be activated through intimacy with Christ No matter your age you can be a part of this band of committed disciples who come together under the banner of holy devotion and unwavering commitment to contend for God's kingdom to come

REVIVAL SKETCHES AND MANUAL HEMAN. HUMPHREY,2018 **The School of Revival** Bryan

Meadows,2018-07-17 Welcome to the School of Revival This is an intermediate course on the subject of Building Revival in the 21st Century Revival has become quite a catchphrase in Christianity But for the most part the Body of Christ does not have a consensus of definition as it relates to Revival or the phenomenon that surrounds it This manual is an attempt towards presenting workable and scalable models that will enable generations to see significant moves of God in their day What if I told you that Revival wasn't an event but an environment built over time In this manual Bryan Meadows paints a prophetic picture detailing the process of Revival The Revival Manual is an interactive and in depth collection of notes lessons and diagrams all designed to be a resource in the hands of the Revivalist Welcome to the World of Revival The Revival of

1857-58 Kathryn Teresa Long,1998-07-02 This book provides a fresh in depth examination of the Revival of 1857-58 a widespread religious awakening most famous for urban prayer meetings in major metropolitan centers across the United States Often mentioned in religious history texts and articles but overshadowed by scholarly attention to the first and second Great Awakenings the revival has lacked a critical book length analysis This study will help to fill this gap and to place the event within the context of Protestant revival traditions in America The Revival of 1857-58 was a multifaceted religious movement that Long suggests may have been the closest thing to a truly national revival in American history The awakening marked the coming together of formalist and populist evangelical groups particularly in urban areas and helped to create the beginnings of a transdenominational religious identity among middle class American evangelicals Long explores the revival from various angles emphasizing the importance of historiography and examining the way Calvinist clergy and the editors of the daily press canonized particular versions of the revival story most notably its role in the history of great awakenings and its character as a masculine businessmen's revival She gives attention to grassroots perspectives on the awakening and also pursues wider social and cultural questions including whether the revival actually affected evangelical involvement in social reform The book combines insights from contemporary scholarship concerning revivals women's history and nineteenth century mass print with extensive primary source research The result is a clearly written study that blends careful description with nuanced analysis *Radio Fields* Lucas Bessire,Daniel Fisher,2012-11-19 Radio is the most widespread

electronic medium in the world today As a form of technology that is both durable and relatively cheap radio remains central to the everyday lives of billions of people around the globe It is used as a call for prayer in Argentina and Appalachia to organize political protest in Mexico and Libya and for wartime communication in Iraq and Afghanistan In urban centers it is

played constantly in shopping malls waiting rooms and classrooms Yet despite its omnipresence it remains the media form least studied by anthropologists Radio Fields employs ethnographic methods to reveal the diverse domains in which radio is imagined deployed and understood Drawing on research from six continents the volume demonstrates how the particular capacities and practices of radio provide singular insight into diverse social worlds ranging from aboriginal Australia to urban Zambia Together the contributors address how radio creates distinct possibilities for rethinking such fundamental concepts as culture communication community and collective agency
