channel incentive system is commonly used as the most effective tool. However, aiming at maintaining a high marketing channel efficiency in the dynamic market, OEMs need to develop good internal controls and a more scientific approach in adjusting dealer marketing target. In this paper, current channel marketing status in automotive industry will be introduced, conflicts in the marketing channel cooperation will be identified, channel stakeholders will be analyzed to identify the key influencing factors, and build a more reasonable MERT adjusting methodology, and finally, recommendations will be provided for manufacturers in-house executives.

Seminar paper from the year 2014 in the subject Business economics Marketing Corporate Communication CRM Market Research Social Media grade 10 EGAD Business School language English abstract

The automobile industry is famous for being ahead of the curve in most areas. Automotive companies cannot rely on a one-time announcement or word of mouth chatter to keep a steady stream to customers. These companies have to have well-developed advertising strategies in their marketing processes in order to sustain a profitable growth in all the markets they serve throughout the world. Mercedes-Benz (MB) is a German high-class automobile company. Its products stand for luxury, reliability, and dependability. The company belongs to the multinational division of the German manufacturer Daimler AG and has its headquarters in Stuttgart, Baden-Württemberg, Germany. The company has 274,616 employees and gained a profit of 10.887 billion U.S. dollars with revenue of 147.257 billion U.S. dollars. Mexico is very important for the company's North American strategy, which can be proved by the fact that Mercedes-Benz produces its cars in Monterrey, Nuevo Leon, Mexico. According to the McKinsey Global Media Report 2013, Latin America provided the highest growth in expenditure for advertising in 2012; the increase was 13.3 percent. The increasing investments of automotive companies are a reason for it. In 2011, the industry expanded its expenditures in advertising by 101 percent. A critical analysis of the MB's marketing strategy in Mexico is the

purpose of this research paper Since we are not able to cover all aspects of the marketing of MB due to the limitation of 10 to 15 pages for this paper the study will be focusing on the following areas sponsoring social media TV advertisements and magazine commercials Thus other areas of marketing like brand management or viral marketing will not be addressed The products and services the company offers in Mexico will be men
