J. EDGAR HOOVER

The Man and the Secrets

CURT GENTRY

"The cumulative effect is overwhelming. Eleanor Roosevelt was right: Hoover's FBI was an American gestapo." —*Newsweek*

J Edgar Hoover The Man And Secrets Curt Gentry

RJ Shavelson

J Edgar Hoover The Man And Secrets Curt Gentry

J Edgar Hoover Curt Gentry,2001-03-06 A study of J Edgar Hoover and how he influenced American politics presidents civil rights movements etc during his fifty years as director of FBI

J Edgar Hoover; the Man and His Secrets by Curt Gentry Curt Gentry,1991

J. Edgar Hoover Curt Gentry,1998-02-01 Shocking grim frightening and darkly comic Curt Gentry s masterful portrait of America s top policeman is the most important political book in years From more than 300 interviews and 100 000 pages of previously classified documents the coauthor of *Helter Skelter* reveals exactly how a paranoid FBI director created the fraudulent myth of an invincible incorruptible FBI

Photographs Puppetmaster Richard Hack,2007 While many of J Edgar Hoover s achievements and insecurities are well documented the author of *Hughes and Clash of the Titans* reveals for the first time the most hidden secrets of Hoover s private life and exposes previously undisclosed conduct that threatened to compromise the security of the entire nation of photos

[Helter Skelter: The True Story of the Manson Murders](#) Vincent Bugliosi,Curt Gentry,2001-12-04 The true story of the Manson murders

The FBI Story Don Whitehead,1959

Operation Overflight Francis Gary Powers,Curt Gentry,2011-03 In this new edition of his classic 1970 memoir about the notorious U 2 incident pilot Francis Gary Powers reveals the full story of what actually happened in the most sensational espionage case in Cold War history After surviving the shoot down of his reconnaissance plane and his capture on May 1 1960 Powers endured sixty one days of rigorous interrogation by the KGB a public trial a conviction for espionage and the start of a ten year sentence After nearly two years the U S government obtained his release from prison in a dramatic exchange for convicted Soviet spy Rudolph Abel The narrative is a tremendously exciting suspense story about a man who was labeled a traitor by many of his countrymen but who emerged a Cold War hero

Official and Confidential Anthony Summers,2012-01-17 A New York Times bestselling author s revealing important biography of the longtime FBI director The Philadelphia Inquirer No one exemplified paranoia and secrecy at the heart of American power better than J Edgar Hoover the original director of the Federal Bureau of Investigation For this consummate biography renowned investigative journalist Anthony Summers interviewed more than eight hundred witnesses and pored through thousands of documents to get at the truth about the man who headed the FBI for fifty years persecuted political enemies blackmailed politicians and lived his own surprising secret life Ultimately Summers paints a portrait of a fatally flawed individual who should never have held such power and for so long

Young J. Edgar Kenneth Ackerman,2011-09-27 On June 2 1919 bombs exploded simultaneously in nine American cities One destroyed the home of the Attorney General of the United States A Mitchell Palmer In the aftermath of World War I America faced a new enemy radical communism Palmer vowed a crackdown and to lead it he chose his youngest assistant twenty four year old J Edgar Hoover Under Palmer s wing Hoover helped execute a series of brutal nationwide raids bursting into homes without warning arresting over 10 000

Americans and assembling secret files on hundreds of thousands of suspects and political enemies A handful of lawyers like Clarence Darrow and future Supreme Court Justices Felix Frankfurter and Harlan Fisk Stone dared to defend accused radicals in the name of free speech and civil liberties YOUNG J EDGAR brings to life Palmer s raids and Hoover s coming of age a metaphor on post 9 11 America It reaches the heart of our current debate on personal freedoms in a time of war and fear Editorial Reviews Features demagogues terrorists a gullible xenophobic public rogue law enforcement officials and good guys both in and out of government who discredit the raids Ackerman captures well the pathological character of the young Hoover Publishers Weekly A history to savor Richmond Times Dispatch Ackerman Boss Tweed does an outstanding job portraying the Teflon quality of Hoover Young J Edgar is a book that demonstrates forcefully the corrupting nature of power in the hands of flawed government officials It s panoramic detailed and extremely timely Huntington News As hard as Mr Ackerman is on Hoover he does not demonize him A chilling account of how the rule of law in a war on terror can be subverted into a war of terror New York Sun Ackerman s extremely well written and thoroughly researched history convincingly refuted Hoover s dishonest effort to minimize his own central role in promoting the first Red Scare of the World War I and early 1920s era Athan Theoharis Emeritus Professor at Marquette University and author of The FBI and American Democracy and The Quest for Absolute Security **A Conspiracy So Immense** David M. Oshinsky,2019-08-20 Few politicians in our history have had the emotional impact of Joe McCarthy and acclaimed historian David Oshinsky s chronicling of his life has been called both nuanced and masterful Here David Oshinsky presents us with a work heralded as the finest account available of Joe McCarthy s colorful career With a storyteller s eye for the dramatic and presentation of fact and insightful interpretation of human complexity Oshinsky uncovers the layers of myth to show the true McCarthy His book reveals the senator from his humble beginnings as a hardworking Irish farmer s son in Wisconsin to his glory days as the architect of America s Cold War crusade against domestic subversion a man whose advice if heeded some believe might have halted the spread of Communism in Southeast Asia and beyond A Conspiracy So Immense reveals the internal and external forces that launched McCarthy on this political career carried him to national prominence and finally triggered his decline and fall More than the life of an intensely even pathologically ambitious man however this book is a fascinating portrait of America in the grip of Cold War fear anger suspicion and betrayal Complete with a new foreword A Conspiracy So Immense will continue to keep in the spotlight this historical figure a man who worked so hard to prosecute criminals whose ideals work against that of his for America Act of Treason Mark North,2011-07 Examination of how J Edgar Hoover knew President Kennedy would be assassinated and the coverup that followed the assassination **Federal Bureau of Investigation** United States. Department of Justice,1941 The Director Paul Letersky,2022-07-12 The first book ever written about FBI Director J Edgar Hoover by a member of his personal staff his former assistant Paul Letersky offers unprecedented clear eyed and compelling Mark Olshaker coauthor of Mindhunter insight into an American legend The 1960s

and 1970s were arguably among America's most turbulent post-Civil War decades. While the Vietnam War continued seemingly without end, protests and riots ravaged most cities, the Kennedys and MLK were assassinated, and corruption found its way to the highest levels of politics, culminating in Watergate. In 1965, at the beginning of the chaos, twenty-two-year-old Paul Letersky was assigned to assist the legendary FBI director J. Edgar Hoover, who'd just turned seventy and had by then led the Bureau for an incredible forty-one years. Hoover was a rare and complex man who walked confidently among the most powerful. His personal privacy was more tightly guarded than the secret files he carefully collected, and that were so feared by politicians and celebrities. Through Letersky's close working relationship with Hoover and the trust and confidence he gained from Hoover's most loyal senior assistant Helen Gandy, Paul became one of the few able to enter the Director's secretive and sometimes perilous world. Since Hoover's death half a century ago, millions of words have been written about the man, and hundreds of hours of TV dramas and A-list Hollywood films produced. But until now, there has been virtually no account from someone who for a period of years spent hours with the Director on a daily basis. Balanced, honest, and keenly observed, this vivid portrait of the fabled scourge of gangsters, Klansmen, and communists, *The Wall Street Journal* sheds new light on one of the most powerful law enforcement figures in American history. *Enemies*, Tim Weiner, 2012. Presents the history of the FBI's secret intelligence operations, detailing how the bureau has been used to conduct political warfare and how it became the most powerful intelligence service in the United States. [Battleground Chicago](#) Frank Kusch, 2008-05. The 1968 Democratic Convention, best known for police brutality against demonstrators, has been relegated to a dark place in American historical memory. *Battleground Chicago* ventures beyond the stereotypical image of rioting protestors and violent cops to reevaluate exactly how and why the police attacked antiwar activists at the convention. Working from interviews with eighty former Chicago police officers who were on the scene, Frank Kusch uncovers the other side of the story of '68, deepening our understanding of a turbulent decade. Frank Kusch's compelling account of the clash between Mayor Richard Daley's men in blue and antiwar rebels reveals why the 1960s was such a painful era for many Americans. To his great credit, Kusch allows the pigs to speak up for themselves. Michael Kazin. Kusch's history of white Chicago policemen and the 1968 Democratic National Convention is a solid addition to a growing literature on the cultural sensibility and political perspective of the conservative white working class in the last third of the twentieth century. David Farber, *Journal of American History*. **Secrecy and Power** Richard Gid Powers, 2020-02-08. A well-researched biography about the public and private life of J. Edgar Hoover, former FBI director and America's most controversial law enforcer, that draws on previously unknown personal documents, a study of FBI files, and the presidential papers of nine administrations. *Secrecy and Power* is a full biography of former FBI director covering all aspects of Hoover's controversial career, from the Red Scare following World War I to the 1960s and his personal vendettas against Martin Luther King and the civil rights and antiwar movements. **Hoover** Kenneth Whyte, 2018-11-06. An exemplary biography, exhaustively researched, fair-minded,

and easy to read It can nestle on the same shelf as David McCullough's Truman a high compliment indeed The Wall Street Journal The definitive biography of Herbert Hoover one of the most remarkable Americans of the twentieth century a wholly original account that will forever change the way Americans understand the man his presidency his battle against the Great Depression and their own history An impoverished orphan who built a fortune A great humanitarian A president elected in a landslide and then resoundingly defeated four years later Arguably the father of both New Deal liberalism and modern conservatism Herbert Hoover lived one of the most extraordinary American lives of the twentieth century Yet however astonishing his accomplishments are often eclipsed by the perception that Hoover was inept and heartless in the face of the Great Depression Now Kenneth Whyte vividly recreates Hoover's rich and dramatic life in all its complex glory He follows Hoover through his Iowa boyhood his cutthroat business career his brilliant rescue of millions of lives during World War I and the 1927 Mississippi floods his misconstrued presidency his defeat at the hands of a ruthless Franklin Roosevelt his devastating years in the political wilderness his return to grace as Truman's emissary to help European refugees after World War II and his final vindication in the days of Kennedy's New Frontier Ultimately Whyte brings to light Hoover's complexities and contradictions his modesty and ambition his ruthlessness and extreme generosity as well as his profound political legacy Hoover An Extraordinary Life in Extraordinary Times is the epic poignant story of the deprived boy who through force of will made himself the most accomplished figure in the land and who experienced a range of achievements and failures unmatched by any American of his or perhaps any era Here for the first time is the definitive biography that fully captures the colossal scale of Hoover's momentous life and volatile times

The Last Days of the Late, Great State of California Curt Gentry, 1977-02

The Digital Person Daniel J Solove, 2004 Daniel Solove presents a startling revelation of how digital dossiers are created usually without the knowledge of the subject argues that we must rethink our understanding of what privacy is what it means in the digital age before addressing the need to reform the laws that regulate it

The Burglary Betty Medsger, 2014-01-07 INVESTIGATIVE REPORTERS a day care director a physicist a cab driver an antiwar activist a lock picker a graduate student haunted by members of her family lost to the Holocaust and the passivity of German civilians under Nazi rule Betty Medsger's extraordinary book re-creates in resonant detail how this group scouted out the low security FBI building in a small town just west of Philadelphia taking into consideration every possible factor and how they planned the break in for the night of the long anticipated boxing match between Joe Frazier and Muhammad Ali knowing that all would be fixated on their televisions and radios Medsger writes that the burglars removed all of the FBI files and released them to various journalists and members of Congress soon upending the public's perception of the inviolate head of the Bureau and paving the way for the first overhaul of the FBI since Hoover became its director in 1924 And we see how the release of the FBI files to the press set the stage for the sensational release three months later by Daniel Ellsberg of the top secret seven thousand page Pentagon study on U S decision making regarding the Vietnam War which became known as the

Pentagon Papers The Burglary is an important and gripping book a portrait of the potential power of non violent resistance and the destructive power of excessive government secrecy and spying
