From Under the Wheel Lynn Gawronski, 2008-06 From Under the Wheel is an introspective look at loss and devastation and helps find a way to reach far beyond the events in our lives that leave scars It challenges the Why Me in all of us and exposes the path our choices ultimately create It encourages a way to

move past losses and difficulties by assigning a meaning to individual experiences And finally it helps excavate the true intent of your inner self to give purpose to living every day Lynn Gawronski s view From Under the Wheel is both reality and metaphorical The picture of the wheel of the single axel flat bed trailer sitting on her chest as it ran her over is forever imprinted in her memory But even a miraculous recovery wouldn t stop trauma from happening again Two years later she was a passenger in a car hit broadside by another and was left partially paralyzed with facial injuries and emotional scars The next twenty years would prove to challenge every bit of her faith with more tragedy and loss and at times just life each time stimulating another wheel and presenting another effort for recovery and healing whether physical or emotional The end result is the emergence of a life with purpose and renewed spirit but the book doesn t stop there She also provides a planning tool and the steps that she is using to help her carry out her purpose in life so that the reader may do the same With each new challenge and successful outcome Lynn Gawronski considers herself out From Under the Wheel **Chilton's General Motors Chevrolet Cobalt & Pontiac G5** Joe L.
