Mendl Mann's 'The Fall of Berlin' Mar 01 2023 Mendl Mann's autobiographical novel The Fall of Berlin tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. Translated into English from the original Yiddish by Maurice Wolfthal, the narrative follows Menakhem as he fights on the front line in Stalin's Red Army against Hitler and the Nazis who are destroying his homeland of Poland and exterminating the Jews. Menakhem encounters anti-Semitism on various occasions throughout the novel, and struggles to comprehend how seemingly normal people could hold such appalling views. As Mann writes, it is odd that "vicious, insidious anti-Semitism could reside in a person with elevated feelings, an average person, a decent person". The Fall of Berlin is both a striking and timely look at the struggle that many Jewish soldiers faced. An affecting and unique book, which eloquently explores a variety of themes - such as anti-Semitism, patriotism, Stalinism and life as a Jewish soldier in the Second World War - this is essential reading for anyone interested in the Yiddish language, Jewish history, and the history of World War II.

After the Berlin Wall Nov 28 2022 A revelatory history of the commemoration of the Berlin Wall and its significance in defining contemporary German national identity.

30 Years since the Fall of the Berlin Wall Jan 31 2023 The year 2019 marks 30 years since the fall of the Berlin wall. This symbolic event led to German unification and the collapse of communist party rule in countries of the Soviet-led Eastern bloc. Since then, the post-communist countries of Central, Eastern and South-eastern Europe have tied their post-communist transition to deep integration into the West, including EU accession. Most of the states in Central and Eastern Europe have been able to relatively successfully transform their previous communist political and economic systems. In contrast, the non-Baltic post-Soviet states have generally been less successful in doing so. This book, with an internationally respected list of contributors, seeks to address and compare those diverse developments in communist and post-communist countries and their relationship with the West from various angles. The book has three parts. The first part addresses the progress of post-communist transition in comparative terms, including regional focus on Eastern and South Eastern Europe, CIS and Central Asia. The second focuses on Russia and its foreign relationship, and internal politics. The third explores in detail economies and societies in Central Asia. The final part of the book draws some historical comparisons of recent issues in post-communism with the past experiences.

The Red Army and the Second World War Jul 25 2022 In a definitive new account of the Soviet Union at war, Alexander Hill charts the development, successes and failures of the Red Army from the industrialisation of the Soviet Union in the late 1920s through to the end of the Great Patriotic War in May 1945. Setting military strategy and operations within a broader context that includes national mobilisation on a staggering scale, the book presents a comprehensive account of the origins and course of the war from the perspective of this key Allied power. Drawing on the latest archival research and a wealth of eyewitness testimony, Hill portrays the Red Army at war from the perspective of senior leaders and men and women at the front line to reveal how the Red Army triumphed over the forces of Nazi Germany and her allies on the Eastern Front, and why it did so at such great cost.

Image Critique & the Fall of the Berlin Wall Jun 23 2022 Sunil Manghani's "Image Critique and the Fall of the Berlin Wall" examines the use of visual image, using the event of the fall of the Berlin Wall as a contemporary case study. The book presents a new critical visual theory: image critique - a dual procedure combining a focus on both analysing and interpreting images, with a consideration of how images can be used to critically examine and engage with our contemporary culture. Manghani's interdisciplinary approach is complimented by a vast array of sources, including illustrative visual images, creating an accessible and lively debate. Manghani examines current debates surrounding visual culture, ranging from such topics as Francis Fukuyama's end of history thesis to metapictures and East German film. The result is an exhilarating interweaving of history, politics, and visual culture. It presents an image-based approach to critical theory. It provides a rich interplay of text and image. It offers a large number of images and stills. Whilst much has been written about Berlin and the Berlin Wall (mostly in the context of WWII or German reunification), this publication is the first to focus specifically on the media angle of the event, and its significance and influence in the development of political debate.

A Woman in Berlin Mar 21 2022 For eight weeks in 1945, as Berlin fell to the Russian army, a young woman kept a daily record of life in her apartment building and among its residents. She tells of the shameful indignities to which women in a conquered city are always subject.

The Fall of the Berlin Wall Dec 10 2023 Using the Berlin Wall as the focus, traces the history of the Cold War, from the Russian Revolution in 1917 through World War II, and finally to the destruction of the Wall.

The Fall of the Berlin Wall Dec 18 2021 Each book examines a truly momentous day in history when, during a period of 24 hours, a specific event had major repercussions, both immediate and long-term. Each book charts the build up to the event, the actual day and how the world reacted in the hours, days and years that were to come.

The Rise and Fall of the Berlin Wall Oct 08 2023 Chronicles the history of the Berlin Wall, explaining why it was built, how it was constructed, and the impact it had on the lives of people on both sides, and describes the events leading up to the wall's destruction.

The Fall of Berlin 1945 Jun 16 2024 "A tale drenched in drama and blood, heroism and cowardice, loyalty and betrayal."—Jonathan Yardley, The Washington Post The Red Army had much to avenge when it finally reached the frontiers of the Third Reich in January 1945. Frenzied by their terrible experiences with Wehrmacht and SS brutality, they wreaked havoc—tanks crushing refugee columns, mass rape, pillage, and unimaginable destruction. Hundreds of thousands of women and children froze to death or were massacred; more than seven million fled westward from the fury of the Red Army. It was the most terrifying example of fire and sword ever known.

Antony Beevor, renowned author of D-Day and The Battle of Arnhem, has reconstructed the experiences of those millions caught up in the nightmare of the Third Reich's final collapse. The Fall of Berlin is a terrible story of pride, stupidity, fanaticism, revenge, and savagery, yet it is also one of astonishing endurance, self-sacrifice, and survival against all odds.

The Fall of Berlin Oct 16 2021 "Mendl Mann's autobiographical novel The Fall of Berlin tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. Translated into English from the original Yiddish by Maurice Wolfthal, the narrative follows Menakhem as he fights on the front line in Stalin's Red Army against Hitler and the Nazis who are destroying his homeland of Poland and exterminating the Jews. Menakhem encounters anti-Semitism on various occasions throughout the novel, and struggles to comprehend how seemingly normal people could hold such appalling views. As Mann writes, it is odd that ""vicious, insidious anti-Semitism could reside in a person with elevated feelings, an average person, a decent person". The Fall of Berlin is both a striking and timely look at the struggle that many Jewish soldiers faced. An affecting and unique book, which eloquently explores a variety of themes - such as anti-Semitism, patriotism, Stalinism and life as a Jewish soldier in the Second World War - this is essential reading for anyone interested in the Yiddish language, Jewish history, and the history of World War II. "

The Fall of the Berlin Wall May 03 2023 More than two decades after the Wall's collapse, this book brings together leading authorities who offer a fresh look at how leaders in four vital centers of world politics--the United States, the Soviet Union, Europe, and China--viewed the world in the aftermath of this momentous event. Jeffrey Engel contributes a chronological narrative of this tumultuous period, followed by substantive essays by Melvyn Leffler on the United States, Chen Jian on China, James Sheehan on Germany and Europe, and William Taubman and Svetlana Savranskaya on the Soviet Union.

The Library of Congress World War II Companion Feb 05 2021 An indispensable reference on World War II produced by the Library of Congress and edited by Pulitzer Prize–winning historian David M. Kennedy. With hundreds of illustrations and quotations from contemporary documents, this will be the most authoritative popular reference on World War II. The noted historian John Keegan called World War II "the largest single event in human history." More than sixty years after it ended, that war continues to shape our world. Going far beyond accounts of the major battles, The Library of Congress World War II Companion examines, in a unique and engaging manner, this devastating conflict, its causes, conduct, and aftermath. It considers the politics that shaped the involvement of the major combatants; military leadership and the characteristics of major Allied and Axis armed services; the weaponry that resulted in the war's unprecedented destruction, as well as debates over the use of these weapons; the roles of resistance groups and underground fighters; war crimes; daily life during wartime; the uses of propaganda; and much more. Drawn from the unparalleled collections of the institution that has been called "America's Memory," The Library of Congress World War II Companion includes excerpts from contemporary letters, journals, pamphlets, and other documents, as well as first-person accounts recorded by the Library of Congress Veterans History Project. The text is complemented by more than 150 illustrations. Organized into topical chapters (such as "The Media War," "War Crimes and the Holocaust," and two chapters on "Military Operations" that cover the important battles), the book also include readers to navigate through the rich store of information in these pages. Filled with facts and figures, information about unusual aspects of the war, and moving personal accounts, this remarkable volume will be indispensable to anyone who wishes to understand the World War II era and its continuing reverberations.

Berlin Aug 06 2023 The Red Army had much to avenge when it finally reached the frontiers of the Reich in January 1945. Political instructors rammed home the message of Wehrmacht and SS brutality. The result was the most terrifying example of fire and sword ever known, with tanks crushing refugee columns under their tracks, mass rape, pillage and destruction. Hundreds of thousands of women and children froze to death or were massacred because Nazi Party chiefs, refusing to face defeat, had forbidden the evacuation of civilians. Over seven million fled westwards from the terror of the Red Army. Antony Beevor reconstructs the experiences of those millions caught up in the nightmare of the Third Reich's final collapse, telling a terrible story of pride, stupidity, fanatcism, revenge and savagery, but also one of astonishing endurance, self-sacrifice and survival against all odds.

Victory in Europe Nov 16 2021 By midnight on 6 June 1944, the future of Europe hung in the balance. Allied troops occupied beachheads as Hitler's troops threatened to drive them back into the sea. Karen Farrington presents this remarkable story of the final Allied liberation and the push through to Berlin, the beating heart of the Third Reich.

Don't Need No Thought Control Aug 14 2021 The fall of the Berlin Wall is typically understood as the culmination of political-economic trends that fatally weakened the East German state. Meanwhile, comparatively little attention has been paid to the cultural dimension of these dramatic events, particularly the role played by Western mass media and consumer culture. With a focus on the 1970s and 1980s, Don't Need No Thought Control explores the dynamic interplay of popular unrest, intensifying economic crises, and cultural policies under Erich Honecker. It shows how the widespread influence of (and public demands for) Western cultural products forced GDR leaders into a series of grudging accommodations that undermined state power to a hitherto underappreciated extent.

Fear of Mirrors Mar 09 2021 The story of a family whose life mirrors the rise and fall of the Soviet Union With the fall of Communism, East German dissident Vlady Meyer's life begins to fall apart. As the German nation unifies, his wife splits up with him. He loses his university job now that the times have turned against his Marxist views. He wants to tell his alienated son, Karl, what his family's long and passionate involvement with communism really meant, but he can't. Vlady's story is interwoven with that of Ludwik, Kim Philby's recruiter, and his four comrades, brilliant Galician secret agents working for the Fourth Department of the Red Army. Thoughtful and intimate, Fear of Mirrors unfolds an expansive plot that touches on the greatest political upheavals of the twentieth century. Its protagonist captures the hopes once roused by the Bolshevik Revolution and the hard realities that followed; Vlady Meyer is a mirror reflecting impeccably the intellectual milieu of an incomparable period.

The Fall of Berlin Sep 26 2022 By March 1945, the Red Army had closed in on Berlin. Marshal Zhukov, with almost a million soldiers and 20,000 tanks and guns at his disposal, launched his assault of the Seelow Heights. While costly with 30,000 Russians killed, it brought the Russian Army to the gates of the capital. On 20 April, Hitler's 56th birthday, Soviet artillery began a massive bombardment of the doomed city. The Fuhrer ordered every soldier, Hitlerjugend and Volkssturm to fight to the death. The house-to-house fighting that followed was brutal and savage with heavy casualties for both military and civilians. Using superb Russian and German imagery this fine Images of War series book describes the Russian assault and Nazi last-ditch defense of Hitler's capital during the final days of the Third Reich.

After the Berlin Wall Jul 13 2021 Twenty years after its fall, the wall that divided Berlin and Germany presents a conceptual paradox: on one hand, Germans have sought to erase it completely; on the other, it haunts the imagination in complex and often surprising ways

Der Klang der Familie Apr 09 2021 After the fall of the Wall, Berlin is full of disused spaces and abandoned buildings, just waiting to be filled with new life. It is unclear who owns any of this, which allows the techno scene to take over these new empty spaces in both halves of the city. Clubs, galleries, ateliers and studios spring up – only to disappear again a few weeks later. Soon Berlin has become the epicentre of a new culture, attracting enthusiastic followers from all over the world to clubs like the Tresor and the E-Werk. Wearing gasmasks and welding goggles they dance the night away to the jackhammer sound of previously obscure Detroit DJs. Among them are writers, artists, photographers, designers, DJs, club-owners, music producers, bouncers and scenesters, people from the centre of the movement and from its peripheries – in Der Klang der Familie they all get to have their say and paint a vibrant picture of a time when it felt like everything was possible.

The Fall of Berlin May 15 2024 An exciting narrative of the last days of Berlin and the Third Reich. Annotation copyright by Book News, Inc., Portland, OR

Berlin in the Cold War May 11 2021 Dramatic events that touched the whole world: the blockade, the airlift, the uprising of June 1953, the construction of the Wall, stories of escape and espionage, and the fall of the Iron Curtain

Berlin Jun 04 2023 Berlin tells the story of those men, women and children caught up in the crescendo of the Third Reich's final defeat, who suffered to the end from folly, cruelty and the naked exercise of power on a scale that is almost incomprehensible.

Collapse Apr 21 2022 A major study of the collapse of the Soviet Union—showing how Gorbachev's misguided reforms led to its demise “A deeply informed account of how the Soviet Union fell apart.”—Rodric Braithwaite, Financial Times “[A] masterly analysis.”—Joshua Rubenstein, Wall Street Journal In 1945 the Soviet Union controlled half of Europe and was a founding member of the United Nations. By 1991, it had an army four million strong with five thousand nuclear-tipped missiles and was the second biggest producer of oil in the world. But soon afterward the union sank into an economic crisis and was torn apart by nationalist separatism. Its collapse was one of the seismic shifts of the twentieth century. Thirty years on, Vladislav Zubok offers a major reinterpretation of the final years of the USSR, refuting the notion that the breakup of the Soviet order was inevitable. Instead, Zubok reveals how Gorbachev's misguided reforms, intended to modernize and democratize the Soviet Union, deprived the government of resources and empowered separatism. Collapse sheds new light on Russian democratic populism, the Baltic struggle for independence, the crisis of Soviet finances—and the fragility of authoritarian state power.

The Fall of Berlin Apr 14 2024 Mendl Mann's autobiographical novel The Fall of Berlin tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. The novel follows Menakhem as he fights on the front line in Stalin's Red Army against Hitler and the Nazis who are destroying his homeland of Poland and exterminating the Jews. Menakhem encounters anti-Semitism on various occasions throughout the narrative, and struggles to comprehend how seemingly normal people could hold such appalling views. As Mann writes, it is odd that "vicious, insidious anti-Semitism could reside in a person with elevated feelings, an average person, a decent person". The Fall of Berlin is both a striking and timely look at the struggle that many Jewish soldiers faced. Skillfully translated from Yiddish and introduced by Maurice Wolfthal, this is an affecting and unique book which eloquently explores a variety of themes - anti-Semitism, patriotism, Stalinism and life as a Jewish soldier in the Second World War. The Fall of Berlin is essential reading for anyone interested in the Yiddish language, Jewish history, and the history of World War II. As with all Open Book publications, this entire book is available to read for free on the publisher's

website. Printed and digital editions, together with supplementary digital material, can also be found at www.openbookpublishers.com.

Mendl Mann's 'The Fall of Berlin' Nov 09 2023 Mendl Mann's autobiographical novel The Fall of Berlin tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. The German Defense Of Berlin Apr 02 2023 Often written during imprisonment in Allied War camps by former German officers, with their memories of the World War fresh in their minds, The Foreign Military Studies series offers rare glimpses into the Third Reich. In this study Oberst a.D. Wilhem Willemar discusses his recollections of the climatic battle for Berlin from within the Wehrmacht. "No cohesive, over-all plan for the defense of Berlin was ever actually prepared. All that existed was the stubborn determination of Hitler to defend the capital of the Reich. Circumstances were such that he gave no thought to defending the city until it was much too late for any kind of advance planning. Thus the city's defense was characterized only by a mass of improvisations. These reveal a state of total confusion in which the pressure of the enemy, the organizational chaos on the German side, and the catastrophic shortage of human and material resources for the defense combined with disastrous effect. "The author describes these conditions in a clear, accurate report which I rate very highly. He goes beyond the more narrow concept of planning and offers the first German account of the defense of Berlin to be based upon thorough research. I attach great importance to this study from the standpoint of military history and concur with the military opinions expressed by the author."-Foreword by Generaloberst a.D. Franz Halder.

The Last 100 Days May 23 2022 A dramatic countdown of the final months of World War II in Europe, The Last 100 Days brings to life the waning power and the ultimate submission of the Third Reich. To reconstruct the tumultuous hundred days between Yalta and the fall of Berlin, John Toland traveled more than 100,000 miles in twenty-one countries and interviewed more than six hundred people—from Hitler's personal chauffeur to Generals von Manteuffel, Wenck, and Heinrici; from underground leaders to diplomats; from top Allied field commanders to brave young GIs. Toland adeptly weaves together these interviews using research from thousands of primary sources. When it was first published, The Last 100 Days made history, revealing after-action reports, staff journals, and top-secret messages and personal documents previously unavailable to historians. Since that time, it has come to be regarded as one of the greatest historical narratives of the twentieth century.

The Fall of the Berlin Wall Sep 14 2021 William F. Buckley Jr. reflects on the event that marked the fall of Communism in Europe The fall of the Berlin Wall in November 1989 was the turning point in the struggle against Communism in Eastern Europe. The culmination of popular uprisings in Hungary, Poland, and East Germany, the Wall's fall led inexorably to revolutions in Czechoslovakia and Romania, the reunification of Germany, and, ultimately, the disintegration of the Soviet Union itself. In this book, American conservative pioneer and National Review founder William F. Buckley Jr. explains how and why the Cold War ended as it did-and what lessons we can draw from the experience. Writing with his legendary wit and insight, he brings to life Communism's last gasp, showing how Reagan's hard-nosed foreign policy and Gorbachev's reforms undermined Warsaw Pact dictators, emboldened dissidents, and finally made the dream of freedom a reality in Eastern Europe. Written by one of America's most erudite and influential political thinkers and writer. Includes a new foreword by Henry Kissinger marking the 20th anniversary of the opening of the Berlin Wall Hailed as "eloquent [and] immensely readable" (Baltimore Sun), this account "celebrates the tenacity of the human spirit and the will to achieve freedom" (Publishers Weekly). Sure to delight conservatives, annoy liberals, and enlighten everyone who reads it, The Fall of the Berlin Wall is William F. Buckley Jr. at his inimitable best.

FALL OF BERLIN Sep 07 2023

The Fall of the Berlin Wall Aug 26 2022 There is perhaps no greater symbol of both political oppression and the human spirit of the twentieth century than the Berlin Wall. Built during the height of the Cold War in 1961, the Wall was meant to both stop the number of citizens trying to leave East Germany for the freedoms and opportunities of the West and to prevent people spreading the ideals of democracy from coming in. In the 28 years the Wall stood, it is estimated over 1,000 people were killed trying to escape into West Berlin. In the end, the Wall fell without a shot being fired. As Mikhail Gorbachev was laying the foundations for the peaceful dismantling of the Soviet Union, the people of East Berlin and East Germany began demanding their city and country be freed from Soviet occupation. Finally, in November 1989, the Wall was torn down and Germany was once again reunited. This is the story of the dark rise and the eventual uplifting triumph over the Wall that split not only a city and nation, but friends and families.

The Fall of Berlin Feb 17 2022 "Mendl Mann's autobiographical novel The Fall of Berlin tells the painful yet compelling story of life as a Jewish soldier in the Red Army. Menakhem Isaacovich is a Polish Jew who, after fleeing the Nazis, finds refuge in the USSR. Translated into English from the original Yiddish by Maurice Wolfthal, the narrative follows Menakhem as he fights on the front line in Stalin's Red Army against Hitler and the Nazis who are destroying his homeland of Poland and exterminating the Jews. Menakhem encounters anti-Semitism on various occasions throughout the novel, and struggles to comprehend how seemingly normal people could hold such appalling views. "

New York Times When the Wall Came Down Jan 19 2022 Recounts the fall of the Berlin Wall.

Prussian Nights Jun 11 2021

The Fall of Berlin Jul 05 2023 The story of the battle for and the fall of Berlin by the Russian General whose 8th Guards Army spearheaded this last great campaign of World War II in Europe.

Blood in the Oder: The Fall of Berlin, 1945 Oct 28 2022 Blood in the Oder is the second of two volumes exploring the Battle for Berlin and the last months of the Third Reich and the defense of Berlin. It describes in detail the German attempts to stem the Soviet tide at the Oder River and the Russian drive on Germany's capital and Hitler's increasingly frantic and delusional efforts to halt the onslaught of the Red Army. Streams of German soldiers and civilians desperately tried to flee the city before it was surrounded. Their fate if captured by the Russians was too horrible to imagine. This account mixes the descriptions of the overall military situation with many personal accounts of small unit actions. The desperation, fear and resolve of the soldiers often turned to admirable feats of bravery as well as acts of cowardice and brutality. Hope for a last minute alliance with the Western Powers encouraged the Germans to defend to the limit of human endurance. Ultimately, the dashing of such an alliance and the possibility of capture by the Soviets drove many soldiers and civilians to suicide. The reader has the opportunity here to relive the last days of the Third Reich, as seen through the eyes of the German soldiers and the foreign volunteers who fought before and in Berlin. In one of the ironic incidents of the war, as German soldiers were trying to bypass Berlin to the north, a force of French Waffen-SS troops was trying to enter the city to defend it.

The Fall of the Berlin Wall Jan 11 2024 Providing a quick-read introduction to key events in history, this series explores what happened on the day and the background and consequences of the event. This volume looks at the removal of the Berlin Wall and is illustrated with photographs, maps and diagrams.

The Fall of the Berlin Wall Mar 13 2024 Collects nineteen essays that offer varying perspectives on the destruction of the Berlin Wall, discussing the history of the wall, controversies, and the political and personal significance of the wall's destruction.

The Collapse Feb 12 2024 On the night of November 9, 1989, massive crowds surged toward the Berlin Wall, drawn by an announcement that caught the world by surprise: East Germans could now move freely to the West. The Wall—infamous symbol of divided Cold War Europe—seemed to be falling. But the opening of the gates that night was not planned by the East German ruling regime—nor was it the result of a bargain between either Ronald Reagan or George H.W. Bush and Soviet leader Mikhail Gorbachev. It was an accident. In *The Collapse*, prize-winning historian Mary Elise Sarotte reveals how a perfect storm of decisions made by daring underground revolutionaries, disgruntled Stasi officers, and dictatorial party bosses sparked an unexpected series of events culminating in the chaotic fall of the Wall. With a novelist's eye for character and detail, she brings to vivid life a story that sweeps across Budapest, Prague, Dresden, and Leipzig and up to the armed checkpoints in Berlin. We meet the revolutionaries Roland Jahn, Aram Radomski, and Siggie Schefke, risking it all to smuggle the truth across the Iron Curtain; the hapless Politburo member Günter Schabowski, mistakenly suggesting that the Wall is open to a press conference full of foreign journalists, including NBC's Tom Brokaw; and Stasi officer Harald Jäger, holding the fort at the crucial border crossing that night. Soon, Brokaw starts broadcasting live from Berlin's Brandenburg Gate, where the crowds are exulting in the euphoria of newfound freedom—and the dictators are plotting to restore control. Drawing on new archival sources and dozens of interviews, *The Collapse* offers the definitive account of the night that brought down the Berlin Wall.

The Fall of the Berlin Wall Dec 30 2022 Keen to learn but short on time? Get to grips with the history of the Berlin Wall in next to no time with this concise guide. 50Minutes.com provides a clear and engaging analysis of the fall of the Berlin Wall. When the Berlin Wall was built unexpectedly in 1961, it divided the city for 28 years, separating families and friends for almost three decades. The Wall was a symbol of the divisions in Germany and Europe that followed the Second World War as well as a reminder of the stringent Communist regime. The fall of the wall was, therefore, cause for huge celebration: families were reunited, East Berliners were finally free of the strict communist regime and the biggest symbol of the East-West divide had collapsed. In just 50 minutes you will: • Understand why the Berlin Wall was built and what its purpose was • Learn about the events leading up to the fall of the Berlin Wall and how a miscommunication caused it to fall a day early • Analyse the impact that the wall had on Berlin, Germany and the whole of Europe and why its collapse was so significant ABOUT 50MINUTES.COM | History & Culture 50MINUTES.COM will enable you to quickly understand the main events, people, conflicts and discoveries from world history that have shaped the world we live in today. Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery.
