I Got Next Rev. Dr. Marcus D. Allen, 2020-06-10 When a pastor has served at one church for a long time they are considered legends They are held in high regard for having conducted marriage ceremonies presided over funerals and led congregants through their most difficult moments But when a new pastor is called to serve they are often met with skepticism or unfair expectations Many times they find congregants who are unwilling to be challenged or change The Rev Dr Marcus D Allen draws on questionnaires of African American Baptist congregations and interviews with ten pastors called to lead churches in this guide for new pastor s intent on making a difference Learn how to navigate the transition process in a smooth fashion energize and encourage congregations to move to the next level help the church regain confidence and overcome the challenges of transition lead congregants in mourning a former leader who has died or been called to serve elsewhere Each pastoral call comes with various transitional challenges and it s important to be ready for whatever is ahead Get guidance to inspire others and achieve success with the lessons in I Got Next The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs

in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism
