Privilege, Power, and Difference Allan G. Johnson, 2014 This brief book is a groundbreaking tool for students and non students alike to examine systems of privilege and difference in our society Written in an accessible conversational style Johnson links theory with engaging examples in ways that enable readers to see the underlying nature and consequences of privilege and their connection to it

The Gender Knot Johnson, 2007-09

Seeing White Jean Halley, Amy Eshleman, Ramya Mahadevan Vijaya, 2022-01-14 Seeing White An Introduction to White Privilege and Race Second Edition is an interdisciplinary supplemental textbook that challenges undergraduate students to see race as everyone's issue The book's early chapters establish a solid understanding of privilege and power leading to a critical exploration of discrimination The authors also draw upon key theoretical perspectives such as cultural materialism critical race theory and the social construction of race to provide students with the tools to discuss racial privilege The book's interdisciplinary approach including perspectives from sociology psychology history and economics provides a holistic and accessible introduction to the challenging issue of race Throughout the book compelling concrete examples and detailed definitions of terminology help students to understand theoretical perspectives and research evidence Discussion questions at the end of each chapter encourage students to think critically about the theories and evidence often prompting students to relate the material in the text to their own experiences

New to this Edition New Chapter 4 White Supremacy and Other Forms of Everyday Racism provides a history of white supremacy and its links to racism today New research on racial disparities in health equity helps debunk the idea of race as a biological category Chapter 2 Revised Chapter 6 Socioeconomic Class and White Privilege offers new material on the economic privilege of whiteness and the uneven distribution of American wealth Expanded history and discussion of Immigration laws including Chinese Exclusion Act Immigration Act of 1924 and 1965 Hart Celler Act present immigration in a global context and challenge anti immigration rhetoric New as well as updated stories on exclusion from white spaces and the normativity of white culture engage students in critical reflection

Privilege Michael S. Kimmel, Abby L. Ferber, 2003-02-06 In this new and timely anthology on the experience of privilege in America as it relates to holding the identity of the dominant gender class race and sexual preference sociologists Michael Kimmel and Abby Ferber along with a wide range of contributors challenge students to think more critically about the myriad inequalities in society and especially to become more aware of how the dynamics that create inequality for some also benefit others Designed to be used in both introductory sociology and race gender and class courses this exciting volume asks that privilege and students own role in it become more visible With both well known and previously published pieces as well as new contributions Privilege uses an intersectional approach to explore the ways in which race class gender and sexuality interact in the lives of those who are

privileged by one or more of these identities Kimmel and Ferber have brought together leading thinkers and writers on all of these dimensions to examine both the parallels and the ruptures among these different but connected relationships Writing both personally and analytically these essays can bring students inside the experiences and enable us all to begin to theorize our own lives as well as to explore the ways in which these systems intersect in people's lives *Making Sense of Race, Class, and Gender* Celine-Marie Pascale, 2013-02-01 Using arresting case studies of how ordinary people understand the concepts of race class and gender Celine Marie Pascale shows that the peculiarity of commonsense is that it imposes obviousness that which we cannot fail to recognize As a result how we negotiate the challenges of inequality in the twenty first century may depend less on what people consciously think about difference and more on what we inadvertently assume Through an analysis of commonsense knowledge Pascale expertly provides new insights into familiar topics In addition by analyzing local practices in the context of established cultural discourses Pascale shows how the weight of history bears on the present moment both enabling and constraining possibilities Pascale tests the boundaries of sociological knowledge and offers new avenues for conceptualizing social change In 2008 *Making Sense of Race Class and Gender* was the recipient of the Distinguished Contribution to Scholarship Book Award of the American Sociological Association Section on Race Gender and Class for distinguished and significant contribution to the development of the integrative field of race gender and class

Intersections of Privilege and Otherness in Counselling and Psychotherapy Dwight Turner, 2021-02-02

Intersections of Privilege and Otherness in Counselling and Psychotherapy presents an in depth understanding of the role of privilege and of the unconscious experience of privilege and difference within the world of counselling and psychotherapy To address the absence of the exploration of the unconscious experience of privilege within counselling and psychotherapy the book not only presents an exploration of intersectional difference but also discusses the deeper unconscious understanding of difference and how privilege plays a role in the construction of otherness It does so by utilising material from both within the world of psychotherapy and from the fields of post colonial theory feminist discourse and other theoretical areas of relevance The book also offers an exploration and understanding of intersectionality and how this impacts upon our conscious and unconscious exploration of privilege and otherness With theoretically underpinned and inherently practical

psychotherapeutic case studies this book will serve as a guidebook for counsellors and psychotherapists **Readings for**

Diversity and Social Justice Maurianne Adams, 2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations *Undoing Privilege* Professor Bob Pease, 2013-04-04 For every group that is oppressed another group is privileged In *Undoing Privilege* Bob Pease argues that privilege as the other side of oppression has received insufficient attention in both critical theories and in the practices of social change As a result dominant groups have been allowed to reinforce their dominance *Undoing Privilege* explores the main sites of privilege from

Western dominance class elitism and white and patriarchal privilege to the less examined sites of heterosexual and able bodied privilege Pease points out that while the vast majority of people may be oppressed on one level many are also privileged on another He also demonstrates how members of privileged groups can engage critically with their own dominant position and explores the potential and limitations of them becoming allies against oppression and their own unearned privilege This is an essential book for all who are concerned about developing theories and practices for a socially just world

So You Want to Talk About Race Ijeoma Oluo, 2019-09-24 In this 1 New York Times bestseller Ijeoma Oluo offers a revelatory examination of race in America Protests against racial injustice and white supremacy have galvanized millions around the world The stakes for transformative conversations about race could not be higher Still the task ahead seems daunting and it s hard to know where to start How do you tell your boss her jokes are racist Why did your sister in law hang up on you when you had questions about police reform How do you explain white privilege to your white privileged friend In So You Want to Talk About Race Ijeoma Oluo guides readers of all races through subjects ranging from police brutality and cultural appropriation to the model minority myth in an attempt to make the seemingly impossible possible honest conversations about race and about how racism infects every aspect of American life Simply put Ijeoma Oluo is a necessary voice and intellectual for these times and any time truth be told Phoebe Robinson New York Times bestselling author of You Can t Touch My Hair

Loose Leaf for Privilege, Power, and Difference Allan G. Johnson, 2017-02-14 Privilege Power and Difference is a groundbreaking tool for students and non students alike to examine systems of privilege and difference in our society Written in an accessible conversational style the 3rd edition links theory with engaging examples in ways that enable readers to see the underlying nature and consequences of privilege and their connection to it This program has been used across the country both inside and outside the classroom to shed light on issues of power and privilege The Connect course for this offering includes SmartBook an adaptive reading and study experience which guides students to master recall and apply key concepts while providing automatically graded assessments McGraw Hill Connect is a subscription based learning service accessible online through your personal computer or tablet Choose this option if your instructor will require Connect to be used in the course Your subscription to Connect includes the following SmartBook an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content Access to your instructor s homework assignments quizzes syllabus notes reminders and other important files for the course Progress dashboards that quickly show how you are performing on your assignments and tips for improvement The option to purchase for a small fee a print version of the book This binder ready loose leaf version includes free shipping Complete system requirements to use Connect can be found here <http://www.mheducation.com/highered/platforms/connect/training/support/students.html>

On Privilege, Fraudulence, and Teaching As Learning Peggy McIntosh, 2019-07-04 From one of the world s leading voices on white privilege and anti racism work comes this collection of essays on complexities of privilege and power

Each of the four parts illustrates Peggy McIntosh's practice of combining personal and systemic understandings to focus on power in unusual ways. Part I includes McIntosh's classic and influential essays on privilege or systems of unearned advantage that correspond to systems of oppression. Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings. Part III presents McIntosh's Interactive Phase Theory highlighting five different world views or attitudes about power that affect school curriculum, cultural values, and decisions on taking action. The book concludes with powerful insights from SEED, a peer-led teacher development project that enables individuals and institutions to work collectively toward equity and social justice. This book is the culmination of forty years of McIntosh's intellectual and organizational work.

Privilege Through the Looking-Glass Patricia Leavy, 2017-10-10. *Privilege Through the Looking Glass* is a collection of original essays that explore privilege and status characteristics in daily life. This collection seeks to make visible that which is often invisible. It seeks to sensitize us to things we have been taught not to see. Privilege, power, oppression, and domination operate in complex and insidious ways, impacting groups and individuals. And yet these forces that affect our lives so deeply seem to at once operate in plain sight and lurk in the shadows, making them difficult to discern. Like water to a fish, environments are nearly impossible to perceive when we are immersed in them. This book attempts to expose our environments. With engaging and powerful writing, the contributors share their personal stories as a means of connecting the personal and the public. This volume applies an intersectional perspective to explore how race, class, gender, sexuality, education, and ableness converge, creating the basis for privilege and oppression. *Privilege Through the Looking Glass* encourages readers to engage in self and social reflection and can be used in a range of courses in sociology, social work, communication, education, gender studies, and African American studies. Each chapter includes discussion questions and/or activities for further engagement. *Privilege Through the Looking Glass* offers a varied and profound examination of how privilege functions as the underside of power. This is a powerful and important book about inequality, identity, agency, and the challenge of addressing difference as part of a democratic ethos in a time of growing authoritarianism all over the world. Every educator should read this book.

Henry A. Giroux, Professor, McMaster University. A courageous volume that blends theory, personal experiences, and reflections on contemporary debates over identity. This is a book that is more about the politics of identity than identity politics. It is a powerful testament to the urgency of understanding privilege and deserves to be read widely.

Peter McLaren, Distinguished Professor, Chapman University. *Privilege Through the Looking Glass* unmask[s] the casual isms that suppress the best aspects of our humanity by assembling a powerful and honest collection of parables. Poignant and unflinching, the contributors eschew the cloak of objectivism to give the hard truth about privilege as a social ill and the collective responsibility of the conscious community to confront all forms of oppression. This book has lessons for anyone with the spirit to explore better ways to be themselves and relate to others.

Ivory A. Toldson, Professor, Howard University, and Editor in Chief for *The Journal*

of Negro Education Patricia Leavy Ph D is an award winning independent sociologist and best selling author Geographies of Privilege France Winddance Twine,Bradley Gardener,2013-02-11 How are social inequalities experienced reproduced and challenged in local global and transnational spaces What role does the control of space play in distribution of crucial resources and forms of capital housing education pleasure leisure social relationships The case studies in Geographies of Privilege demonstrate how power operates and is activated within local national and global networks Twine and Gardener have put together a collection that analyzes how the centrality of spaces domestic institutional leisure educational are central to the production maintenance and transformation of inequalities The collected readings show how power in the form of economic social symbolic and cultural capital is employed and experienced The volume s contributors take the reader to diverse sites including brothels blues clubs dance clubs elite schools detention centers advocacy organizations and public sidewalks in Canada Italy Spain United Arab Emirates Mozambique South Africa and the United States Geographies of Privilege is the perfect teaching tool for courses on social problems race class and gender in Geography Sociology and Anthropology

Race Cars Jenny Devenny,2021-05-04 Race Cars is a picture book that serves as a springboard for parents and educators to discuss race privilege and oppression with their kids

Subversive Witness Dominique DuBois Gilliard,2021-08-24 Learn to leverage privilege Privilege is a social consequence of our unwillingness to reckon with and turn from sin But properly stewarded it can help us see and participate in God s inbreaking kingdom Scripture repeatedly affirms that privilege is real and declares that rather than exploiting it for selfish gain or feeling immobilized by it Christians have a responsibility to leverage it Subversive Witness asks us to grapple with privilege indifference and systemic sin in new ways by using biblical examples to reveal the complex nature of privilege and Christians responsibility in stewarding it well Dominique DuBois Gilliard highlights several people in the Bible who understood this kingdom call Through their stories you will discover how to leverage privilege to Resist Sin Stand in Solidarity with the Oppressed Birth Liberation Create Systemic Change Proclaim the Good News Generate Social Transformation By embodying Scripture s subversive call to leverage and at times forsake privilege readers will learn to love their neighbors sacrificially enact systemic change and grow more Christlike as citizens of God s kingdom

Developing Cultural Humility Miguel E. Gallardo, 2013-01-18 Developing Cultural Humility offers a unique look into the journeys of psychologists striving towards an integration of multiculturalism in their personal and professional lives Contributing authors representing a mix of cultural backgrounds but stereotypically identified as White engage in thoughtful dialogue with psychologists from underrepresented communities who are identified as established and respected individuals within the multicultural field The contributing authors discuss both the challenges and rewards they experienced in their own journeys and how they continue to engage in the process of staying connected to their cultural identity and to being culturally responsive In addition psychologists who represent historically disenfranchised communities have similarly reflected on their own journey while offering commentary to the personal stories of White psychologists This text is useful for stimulating discussions about privilege power and the impact race has on either bringing people together or creating more distance whether intentionally or unintentionally It demonstrates to readers how to engage in the process of examining one's own culture in more intentional ways and discusses the implications as we move towards engaging in more dialogue around multicultural issues

The Forest and the Trees Allan Johnson, 2014-09-12 If sociology could teach everyone just one thing what would it be The Forest and the Trees is one sociologist's response to the hypothetical the core insight with the greatest potential to change how people see the world and themselves in relation to it Amazon.com
