Robinson,2012-08-01 The principles maxims and precepts of Commercial Law are eternal unchanging and unchangeable They are expressed in the Bible both in the Old Testament and in the New The law of commerce unchanged for thousands of years forms the underlying foundation of all law on this planet and for governments around the world It is the law of nations and of everything that human civilization is built upon This is why Commercial Law is so powerful When you operate at the level of Commercial Law by these precepts nothing that is of inferior statute can overturn or change it or abrogate it or meddle with it It is the fundamental source of all authority power and functional reality **Reclaim Your Sovereignty** David E. Robinson,2009-12-24 Disillusionment is the dissolution of an illusion and a return to wonder to innocence and to truth What is the red pill The red pill is a term used in the movie The Matrix to refer to The undistorted truth What distorts truth False belief The phrase I don t believe it implies that something is evident but that one does not or will not accept it because the evidence does not fit an existing belief i e and existing denial I don t believe it is often the first thing someone says when he eventually accepts that which becomes obvious to him in due time This information is presented not just to dissolve mistaken belief but to provide information that may not be readily available to a person who is unaware *The ZERO Percent Du'Vault* Dey,2021-04-23 Did you know the federal government actually follows biblical principles and by sheer ignorance of these principles one can be classified as participating in rebellion or committing a crime against the United States God provided the tools needed to have financial freedom and the u nited States of America the U S Treasury Department and I R S are prepared to facilitate you and your family with those tools In fact you will find that those entities will PAY YOU This specific classification can be avoided by belonging to THE ZERO PERCENT tax bracket without the use of ever changing loopholes and tax cut laws granted by politicians THE ZERO PERCENT is straightforward with no fluff It is not legal advice but lawful wisdom that the wealthy have used for over two centuries It explains in great detail how to achieve and maintain wealth so you can join the other 11 million millionaires since 2017 or join the 788 billionaires since 2019 in the United States Discover the hidden truth about the u nited States of America before the reconstruction era who we are on this land as it plays a vital

My Home Is My Castle David E. Robinson, 2010-09-06 Stop foreclosure with a question The Magic Question that will debunk any foreclosure is this Ask this questions in court Should the one who funded the loan be the one who is repaid the money debt If the answer is Yes or No the bank must zero out the false debt on their fraudulently created non-existent loan There was no lawful loan made by the bank to the so called borrower All bankers politicians and judges know this truth and they fear the wrath of the public should their dirty secret ever become known my a critical mass of the people that they have for decades been defrauding The so called borrower Bankers will not answer this question in any courtroom in the world because they know that the borrower is the one who actually funded the loan They also know that the evidence of this fact can easily be found in the bookkeeping loan entries of the bank According to GAAP Generally Accepted Accounting Principles
