3.1 The Southern Colonies

1. Define the following key terms:

Jamestown	the first colony in America; set up in 1607 along the James River in Virginia
Indentured Servants	*see glossary of textbook (too long to type)
Toleration Act of 1649	a Maryland law that made restricting religious rights of Christians a crime.

2. What problems did the colonists at Jamestown face?

The problems the colonists at Jamestown faced included inexperienced settlers, lack of preparation, disease, starvation, and poor location because of fresh water supply and swampland.

3. How did the London Company's headright system work?

The London Company's headright system worked by giving colonists who paid their own way to Virginia 50 acres of land and earn an additional 50 acres for every additional person brought from England.

4. What factors led to the increased use of slave labor in Virginia?

The factors that led to the increased use of slave labor in Virginia were the greater demand for workers than indentured servants could fill and the falling price of slaves.

5. Explain how the Toleration Act of 1649 was significant to America's development. (Think 1st Amendment)

The Toleration Act of 1649 was significant to America's development because it showed the government wanted to offer some religious freedom and protect the rights of minority groups.

The economies of the Southern Colonies depended upon agriculture, mainly from plantations.
