But when my past troubles catch up with me, Troy, Corey, and Steele prove they'll do whatever it takes to keep me safe and win my heart.

Meet the contestants: Instant Mate Hi, I'm Blaire. I've never shied away from a challenge, so when my sister suggests I apply for The Real Werewives, I send in an audition video. What are my chances of getting picked? I'm forty and a former racecar driver with a taste for controversy. But a wolf on Colorado Ranch actually chose me as his forever mate. Austin's got a competitive streak that gets my motor running. ?We dare each other to see who can come up with the best date, but soon I learn this sexy cowboy had his former life ripped away from him. I'm determined to help him heal his wounds because our over-the-top dates might be the only thing that can save Colorado Ranch. This is one challenge I absolutely can't refuse. Rebel Mate Hi, I'm Roxy. Everyone assumes I applied to The Real Werewives to find the love of my life, but I came to tell my side of the story--it's time my voice is heard. At one time, I was America's Sweetheart. I starred in movie after movie and won major awards all before the age of ten. Everyone thought my life was perfect. That was until I emancipated from my parents and woke up in Vegas married to the world's most notorious rock star wolf. We weren't in love, and it didn't last. It was a cry for help. The scandal got attention—the wrong kind. Directors refused to return my phone calls, and the press went from Princess Roxy to Poor Roxy overnight. It's been almost twenty-five years since my fall from grace, and I want to set the record straight. Turns out, there's been a sweet cowboy wolf waiting for me on Colorado Ranch all this time. He says he's always known I was his mate, and he wants to give me the home and family that's become my dream. Hollywood? I don't need them anymore. But that rock star from my past? He just might get the last word. Surprise Mate Hi, I'm Tina. I came to The Real Werewives to help the wolf get the girl. But I never planned to be that girl. Taking this job was risky. From the start, it was more than another gig. I had something to prove as much as the wolves on Colorado Ranch—that a pack could take human mates and make it last forever. My plan was to produce the shows, and never let any of them know why this meant so much to me before I went onto the next job. Now we're on the last episode. Sterling is one confused wolf. He's brought many Werewives to the ranch, and now he's decided I'm his mate. There's no way I can be. Or can I? This wild wolf wants to break down the walls I've built around my heart and teach me a thing or two about myself. But there's a reason I've been running, and I can't fall for him. If history repeats itself, I could be the downfall of this pack. Get the complete Royal Heartbreakers experience with this giant mega-bundle!
