How to See Yourself As You Really Are Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 2006-12-05 His Holiness provides step by step exercises to help readers shatter their false assumptions and ideas of the self and see the world as it actually exists which is a prelude to right action

Compassion and the Individual His Holiness the XIVth Dalai Lama, 2015-01-01 His Holiness the Dalai Lama is loved and respected world wide as a man of peace As spiritual leader of the Tibetan people he has consistently advocated policies of non violence even in the face of great aggression an approach that in 1989 won him the coveted Nobel Peace Prize In lectures and tours around the world he has touched people s hearts transcending religious national and political barriers by the simplicity profundity and great heartedness of his message that of universal responsibility and great compassion In this small booklet he explains with utter clarity and reasoning why compassion is so inseparable from our human nature and how at any moment we can tap into and develop this birthright

The Book of Joy Dalai Lama, Desmond Tutu, Douglas Carlton Abrams, 2016-09-20 An instant New York Times bestseller Over 1 million copies sold Two spiritual giants Five days One timeless question Nobel Peace Prize Laureates His Holiness the Dalai Lama and Archbishop Desmond Tutu have survived more than fifty years of exile and the soul crushing violence of oppression Despite their hardships or as they would say because of them they are two of the most joyful people on the planet

In April 2015 Archbishop Tutu traveled to the Dalai Lama's home in Dharamsala India to celebrate His Holiness's eightieth birthday and to create what they hoped would be a gift for others. They looked back on their long lives to answer a single burning question: How do we find joy in the face of life's inevitable suffering? They traded intimate stories, teased each other continually, and shared their spiritual practices. By the end of a week filled with laughter and punctuated with tears, these two global heroes had stared into the abyss and despair of our time and revealed how to live a life brimming with joy. This book offers us a rare opportunity to experience their astonishing and unprecedented week together, from the first embrace to the final good-bye. We get to listen as they explore the Nature of True Joy and confront each of the Obstacles of Joy: from fear, stress, and anger to grief, illness, and death. They then offer us the Eight Pillars of Joy, which provide the foundation for lasting happiness. Throughout, they include stories, wisdom, and science. Finally, they share their daily Joy Practices that anchor their own emotional and spiritual lives. The Archbishop has never claimed sainthood, and the Dalai Lama considers himself a simple monk. In this unique collaboration, they offer us the reflection of real lives filled with pain and turmoil, in the midst of which they have been able to discover a level of peace, courage, and joy to which we can all aspire in our own lives. *The Dalai Lama's Big Book of Happiness* Dalai Lama, 2016-03-01

Come On Get Happy! Everyone wants to be happy. Here in this profound volume is a road map for discovering a life filled with happiness, joy, and a sense of purpose. The Dalai Lama's basic premise is that each of us is responsible for our own health and happiness and for the health of society. He further asserts that health and happiness are within our reach, both individually and collectively. How a person thinks, behaves, and feels ultimately impacts not only their own lives but also the society in which they live. If you desire to attain happiness, you must understand that the journey begins with you. It is only then that you can reach out and touch the lives of others and change society. In this anthology, His Holiness the Dalai Lama, with characteristic wisdom, humor, and kindness, directs readers toward a happy, healthy, and peaceful life. Talking about universal themes such as compassion, peace, non-violence, secularism, and the pursuit of a healthy mind and body, he reminds us that the responsibility to change our thoughts, actions, and lives lies within our power. This is a book for fans of His Holiness, for spiritual seekers, and for those interested in the spiritual and emotional health of individuals and societies. *The Dalai Lama's Little Book of Inner Peace* Dalai Lama, 2018-10-01
