**The Shark Net by Robert Drewe** Shelley O'Reilly, 2004      **The Shark Net** Robert Drewe, 2001-07-01 Robert Drewe has written a moving and unpretentious memoir of a precocious youth a bittersweet tribute to youth's optimism Joyce Carol Oates The New York Review of Books A spiced and savory memoir The New York Times of the dark life hidden in a sunny seaside Australian community Written with the same lyrical intensity and spellbinding prose that has won Robert Drewe's fiction international acclaim The Shark Net is set in a city haunted by the menace of an elusive serial killer Drewe's middle class youth in the seaside suburbs of Perth Australia often described as the most isolated city in the world takes a sinister turn when a social outcast who turns out to be an employee of Drewe's father embarks on a five year murder spree This unusual memoir brilliantly evokes the confluence of adolescent innocence and sexual awakening while a killer who eventually murders eight people including several of Drewe's friends lurks in the shadows      **The Shark Net** Robert Drewe, 2003-07-08 Written with the same lyrical intensity and spellbinding prose that has won Robert Drewe's fiction international acclaim The Shark Net is set in the 1950s in a city haunted by the menace of an elusive serial killer Drewe's youth in the middle class seaside suburb of Perth Australia often described as the most isolated city in the world takes a sinister turn when a social outcast who turns out to be an employee of Drewe's father embarks on a five year murder spree This unusual memoir brilliantly evokes the confluence of adolescent innocence and sexual awakening while a hare-lipped killer who eventually murders eight people including one of Drewe's friends lurks in the shadows      *Robert Drewe's the Shark Net* Ruth Thomas, 2009 This text guide provides a fabulous and highly informative section on themes issues and concepts the most challenging aspect of text study for students It contains sample exam questions and answers for students to use for essaywriting practise on the text      **The Shark Net** Robert Drewe, 2000      **The Drowner** Robert Drewe, 2001-09-03 In the warm alkaline waters of the public bath a headstrong young engineer accidentally collides with a beautiful actress From this innocent collision of flesh begins a passion that takes them from the Wiltshire Downs to the most elemental choices of life and death in the Australian desert Their intense romance is but part of the daring story that unfolds Mingling history myth and technology with a modern cinematic and poetic imagination Robert Drewe presents a fable of European ambitions in an alien landscape and a magnificently sustained metaphor of water as the life and death force      *Bodysurfers: Popular Penguins* Robert Drewe, 2009-06-29 Set among the surf and sandhills of the Australian beach and the tidal changes of three generations of the Lang family The Bodysurfers is an Australian classic A short story collection which has become a bestseller and been adapted for film television radio and the theatre The Bodysurfers on its first publication marked a major change in Australian literature      **Montebello** Robert Drewe, 2012 Listen to me my mother says They've let off an atom bomb today Right here in W A Atom bombs worry the blazes out of me and I want you at home In the

sleepy and conservative 1950s the British began a series of nuclear tests in the Montebello archipelago off the west coast of Australia Even today few people know about the three huge atom bombs that were detonated there but they lodged in the consciousness of the young Robert Drewe and would linger with him for years to come In this moving sequel to *The Shark Net* and with his characteristic frankness humour and cinematic imagery Drewe travels to the Montebellos to visit the territory that has held his imagination since childhood He soon finds himself overtaken by memories and reflections on his own islomania In the aftermath of both man made and natural events that have left a permanent mark on the Australian landscape and psyche from nuclear tests and the mining boom to shark attacks along the coast Drewe examines how comfortable and familiar terrain can quickly become a site of danger and how regeneration and love can emerge from chaos and loss Montebello has this wonderfully novelistic flow that draws you back to another time William Yeoman West Australian Superb writing and skilful interweaving of the different strands in this book make it a pleasure to read Lisa Hill ANZ LitLovers Creating a complex picture out of discrete though related narrative chunks Montebello is a fragmentary book but a perfectly integrated work of art Drewe s literary instincts are as impeccable as his ear for the English language is unfaltering and his latest memoir has all the more force for being set down with such a delicate hand Richard King Weekend Australian This is a splendid memoir with many moods delicate tough ironic compassionate that are beautifully controlled and paced Brian Matthews ABR *The Beach* Robert Drewe,2015-11-01 Robert Drewe internationally acclaimed writer writes here about the quintessential Australian experience Drewe looks at the sunny salty sexiness of the beach that first enticed the crusading Mr William Gocher into the ocean at Manly in 1903 defying authorities in his neck to knee bathing costume We ve come a long way from sunbathing in stockings and pantaloons to the unabashed display of sun kissed bodies of all shapes and sizes at any beach in the country today But the beach also has a dark side as a place of tragedy violence and danger a place where sharks attack prone surfers and prime ministers disappear Drewe s lyrical examination of Australian beach culture combines imagery from some of Australia s most celebrated photographers with his personal anecdotes a favourite boat a capsicum strewn beach a summer holiday with teenagers and an unwelcome great white This is a book for Australians dreaming of the beach that is those of us not there right now Fortune Robert Drewe,2001-09-03 A tale of passion and pursuit Fortune is the story of Don Spargo a modern explorer who finds a sunken treasure ship off the West Australian coast and becomes a folk hero a lover and a hunted and haunted man Suspenseful satirical and deeply moving this novel challenges the nature of reality and legend in those scenes of modern conflict from the media to art from politics to crime that have obsessed the Western individual since World War II Sand Robert Drewe,Kinsella John,2012 Renowned novelist and creative non fiction writer Robert Drewe teams up with internationally acclaimed poet John Kinsella to explore a common geography in poetry and prose Sand is quintessentially Australian It is a property from which many of our stories assumptions and geographical reckonings are drawn For Drewe and Kinsella it evokes the memories both personal and

cultural that inspire the writing in this book     The Savage Crows Robert Drewe,2001 This revelatory story of the most tragic cruel brave and misguided episode in Australia s history the saving of a unique race the Tasmanian Aborigines is seen through the eyes of an obsessive young present day narrator Breathtaking and visionary in its scope The Savage Crows breaks new fictional ground in its affecting portrayal of the collision of worlds generations and mythologies from suburban apathy and cynicism blossoms a wild foolhardy and beautiful hinterland of time and space     *A Death in Belmont* Sebastian Junger,2006-04-17 A fatal collision of three lives in the most intriguing and original crime story since In Cold Blood In the spring of 1963 the quiet suburb of Belmont Massachusetts is rocked by a shocking sex murder that exactly fits the pattern of the Boston Strangler Sensing a break in the case that has paralyzed the city of Boston the police track down a black man Roy Smith who cleaned the victim s house that day and left a receipt with his name on the kitchen counter Smith is hastily convicted of the Belmont murder but the terror of the Strangler continues On the day of the murder Albert DeSalvo the man who would eventually confess in lurid detail to the Strangler s crimes is also in Belmont working as a carpenter at the Jungers home In this spare powerful narrative Sebastian Junger chronicles three lives that collide and ultimately are destroyed in the vortex of one of the first and most controversial serial murder cases in America     **Our Sunshine** Robert Drewe,2010-06-28 Our Sunshine is the tale of a man whose story outgrew his life Robert Drewe s strikingly imaginative re creation of the inner life of Ned Kelly is written with a brilliant clarity and impressionistic economy It carries the reader into a dreamworld of astonishing and violent revelation an entrancing and frightening landscape of murder sexuality persecution robbery vanity politics and corruption     *The Rip* Robert Drewe,2009-08-31 Internationally acclaimed novelist Robert Drewe returns to the short story territory he has made his own Set against the backdrop of the Australian coast as randomly and imminently violent as it is beautiful The Rip reveals the fragility of relationships between husbands and wives children and parents friends and lovers You will find yourself set down in a modern Garden of Eden with a disgraced Adam seeking his Eve sharing the fears of a small boy in a coastal classroom as a tsunami approaches in an English gaol cell with an Australian surfer on drug charges and witnessing a middle ages farmer contemplating murdering the hippie who stole his wife Written in a variety of moods always compassionate wry and razor sharp these dazzling stories are crafted by Drewe s incisive wit and passion You will read the powerful short stories in this collection with your heart in your mouth They are the stories of a writer at the top of his form and they will attach themselves to you Carmel Bird THE AGE Thirteen exquisitely focused tales all dealt with through a rich yet limpid literary chemistry by what might be called a sumptuous minimalism WEST AUSTRALIAN     **The Bay of Contented Men** Robert Drewe,1991-09-03 Witty and seductive inventive and disturbing The Bay of Contented Men ranges in location from east to west coast Australia to the United States Japan and Hong Kong This is the neighbourhood of edgy suburbanite Australians whose desires and misadventures are conjured here into intriguing fictions Robert Drewe s characters face the confrontation of gender race and generation with an ironic desperation born of

love lust and wistful memory      **A Cry in the Jungle Bar** Robert Drewe,2001-09-03 Big bullish Dick Cullen light sleeper former rugby star and present expert on water buffalo is lumbering through his tour of duty with a UN agency in Asia Totally out of his depth among his small deft knowing colleagues he lurches sweatily from bar to bar across various tropical states of emergency Only in the Nameless Nightclub does he realise it is just a matter of time before his nightmares become reality

**The Local Wildlife** Robert Drewe,2013 Welcome to the Northern Rivers where the local wildlife can refer to more than just the exotic native fauna After a decade spent in this picturesque corner of Australia home of chocolate coated women pythons in the ceiling online Russian brides deadly paralysis ticks and the mysterious Mullumbimby Monster Robert Drewe wiped the green zinc cream from his face and set down some of the unusual wildlife experiences that the far north coast of New South Wales home of the world s greatest variety of ants has to offer Drewe s trademark gentle wit acute observational powers and mastery of the English language are all on display in this collection of sketches and anecdotes based on the quirkiness of daily life His sharp eye for human foibles including his own is tempered with a generosity of spirit Tall tales from Australia s master of the short story but this time these short short stories are true Excuse me mate he asked the fluorescently green bespectacled half submerged man who was trying to put pen to paper while sitting in water flicking ants off his work and wincing as he shifted his buttock position Is that how writers do writing Yep I frowned verdantly over my glasses It s a very complicated job for brilliant description lively simile and a gift for drama and narrative Drewe is hard to match and these small apparently easy pieces have much in common with his more ambitious literary work Dennis Haskell Review      *Perth* Frances Andrijich,Robert Drewe,Jeffrey Bell,2005 In this lavishly produced book the images of award winning photographer Francis Andrijich the essay from Robert Drewe author of the best selling memoir *Shark Net* and the impressionistic writing of Jeff Bell combine to create a stunning homage to the uniqueness of the city of Perth From the broad golden beaches and the brilliant sunsets over the sea to the colourful yachts and silver waters of the Swan River from the wonderful panoramas of Kings Park to the majestic jarrah forests and wildflowers of the Darling Scarp from the vibrant cafi strips of Fremantle and Northbridge to the passionate football crowds at Subiaco from the beautiful performances of the Western Australia Ballet to the magical theatre of Barking Gecko Frances images capture the essence that makes Perth such a wonderful city to visit and to live in Beautifully presented Perthwill make an ideal gift for visitors and residents alike

*Escape from Bellevue* Christopher John Campion,2009-03-19 Read Christopher John Campion s posts on the Penguin Blog Indie rock raconteur Chris Campion one of the few patients ever to escape from Bellevue s locked ward recalls his band s tumultuous ride his plummet into addiction and the strange road back to sobriety Chronicling more than twenty years in the life of a Long Island kid who became a hardcore fixture of Manhattan s indie rock scene *Escape from Bellevue* is a coming of age tale like no other As the lead singer of New York based indie rock band Knockout Drops Campion got a taste of fame but alas no fortune on a wild ride that lasted from the early 1980s through the 1990s *Escape from Bellevue* puts the spotlight on

the collective psychosis of twenty years spent in a rolling bacchanal Just as the Knockout Drops reached the height of their success Champion began his downward spiral After finally coming to grips with his addictions Champion molded his songs and stories into a sold out off Broadway musical Now presenting these tales in a memoir of madness and redemption Champion once again proves to possess the creative genius of a die hard front man
