Reviews The Football Girl serve s to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream Heldring writes with insight and restraint The Horn Book **Thinking about Memoir** Abigail Thomas,2008 Language literature and biography The Duke of Deception Geoffrey Wolff,1990-02-19 Duke Wolff was a flawless specimen of the American clubman a product of Yale and the OSS a one time fighter pilot turned aviation engineer Duke Wolff was a failure who flunked out of a series of undistinguished schools was passed up for military service and supported himself with desperately improvised scams exploiting employers wives and finally his own son In The Duke of Deception Geoffrey Wolff unravels the enigma of this Gatsbyesque figure a bad man who somehow was also a very good father an inveterate liar who falsified everything but love **Chains** Laurie Halse Anderson,2010-01-05 If an entire nation could seek its freedom why not a girl As the Revolutionary War begins thirteen year old Isabel wages her own fight for freedom Promised freedom upon the death of their owner she and her sister Ruth in a cruel twist of fate become the property of a malicious New York City couple the Locktons who have no sympathy for the American Revolution and even less for Ruth and Isabel When Isabel meets Curzon a slave with ties to the Patriots he encourages her to spy on her owners who know details of British plans for invasion She is reluctant at first but when the unthinkable happens to Ruth Isabel realizes her loyalty is available to the bidder who can provide her with freedom From acclaimed author Laurie Halse Anderson comes this compelling impeccably researched novel that shows the lengths we can go to cast off our chains both physical and spiritual **The Sisters Antipodes** Jane Alison,2009 The Sisters Antipodes is a unique window on the intimate devastations of family betrayal in equal measure unsettling and engrossing Two girls are thrown into a state of silent combat for the affections of their absent fathers a contest that would prove tragic Writing Hard Stories Melanie Brooks,2017-02-07 Some of the country s most admired authors including Andre Dubus III Mark Doty Marianne Leone Michael Patrick MacDonald Richard Blanco Abigail Thomas Kate Bornstein Jerald Walker and Kyoko Mori describe their treks through dark memories and breakthrough moments and attest to the healing power of putting words to experience What does it take to write an honest memoir And what happens to us when we embark on that journey Melanie Brooks sought guidance from the memoirists who most moved her to answer these questions Called an essential book for creative writers by Poets about violence and shunning and about the process of writing It will serve as a tool for teachers of writing and give readers an intimate look into the lives of the authors they love Authors profiled in Writing Hard Stories Andre Dubus III Sue William Silverman Michael Patrick MacDonald Joan Wickersham Kyoko Mori Richard Hoffman Suzanne Strempek Shea Abigail Thomas Monica Wood Mark Doty Edwidge Dantict Marianne Leone Jerald Walker Kate Bornstein Jessica Handler Richard Blanco Alysia Abbott and Kim Stafford Insights from Writing Hard Stories Why we endeavor collectively to write a book or paint a canvas or write a symphony is to understand who we are as human beings and it s that shared knowledge that somehow helps us to survive Richard Blanco Here s what you need to understand your brothers or family or friends are going to have their own stories to

tell You don't have to tell the family story You have to tell your story of being in that family Andre Dubus III We all need a way to express or make something out of experiences that otherwise have no meaning If what you want is clarity and meaning you have to break the secrets over your knee and make something of those ingredients Abigail Thomas What we remember and how we remember it really tells us how we became who we became Michael Patrick MacDonald The reason I write memoir is to be able to see the experience itself I hardly know what I think until I write Writing is a way to organize your life give it a frame give it a structure so that you can really see what it was that happened Sue William Silverman After a while in the process you have some distance and you start thinking of it as a story not as your story It was a personal grief but no longer personal It's something that has not just happened to me and my family but something that's happened in the world Edwidge Danticat Tibetan Buddhists believe that eloquence is the telling of a truth in such a way that it eases suffering The more suffering that is eased by your telling of the truth the more eloquent you are That's all you can really hope for being eloquent in that fashion All you have to do is respond to your story honestly and that's the ideal Kate Bornstein You can never entirely redeem the experience You can't make it not hurt anymore But you can make it beautiful enough so that there's something to balance it in the other scale And if you understand that word beautiful as not necessarily pretty then you're getting close to recognizing the integrative power of restoring the balance which is restoring the truth Richard Hoffman

Girl Last Seen Nina Laurin, 2017-06-20 An intense psychological thriller for readers of *I Am Watching You* *The Luckiest Girl Alive* and *All the Missing Girls* Two missing girls Thirteen years apart Olivia Shaw has been missing since last Tuesday She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket blue jeans and pink boots I force myself to look at the face in the photo into her slightly smudged features and I can't bring myself to move Olivia Shaw could be my mirror image rewound to thirteen years ago If you have any knowledge of Olivia Shaw's whereabouts or any relevant information please contact I've spent a long time peering into the faces of girls on missing posters wondering which one replaced me in that basement But they were never quite the right age the right look the right circumstances Until Olivia Shaw missing for one week tomorrow Whoever stole me was never found But since I was taken there hasn't been another girl And now there is

Brilliant Blunders Mario Livio, 2013-05-14 Drawing on the lives of five great scientists this scholarly insightful and beautifully written book Martin Rees author of *From Here to Infinity* illuminates the path to scientific discovery Charles Darwin William Thomson Lord Kelvin Linus Pauling Fred Hoyle and Albert Einstein all made groundbreaking contributions to their fields but each also stumbled badly Darwin's theory of natural selection shouldn't have worked according to the prevailing beliefs of his time Lord Kelvin gravely miscalculated the age of the earth Linus Pauling the world's premier chemist constructed an erroneous model for DNA in his haste to beat the competition to publication Astrophysicist Fred Hoyle dismissed the idea of a Big Bang origin to the universe ironically the caustic name he gave to this event endured long after his erroneous objections were disproven And Albert Einstein speculated incorrectly

about the forces of the universe and that speculation opened the door to brilliant conceptual leaps As Mario Livio luminously explains in this thoughtful meditation on the course of science itself The New York Times Book Review these five scientists expanded our knowledge of life on earth the evolution of the earth and the evolution of the universe despite and because of their errors Thoughtful well researched and beautifully written The Washington Post Brilliant Blunders is a wonderfully insightful examination of the psychology of five fascinating scientists and the mistakes as well as the achievements that made them famous
