Doon Carey Corp, Lorie Langdon, 2013-08-20 Haunted by waking visions of a blond boy in a kilt Veronica can't decide if she's more eager to flee her recent messy breakup or join her best friend on a trip to Scotland in hopes of finding a real life version of her imaginary Highland crush. But one thing leads to the next as the girls discover the enchanted world of Doon and the curse that is tearing it apart. When her best friend Mackenna invites her to spend the summer in Scotland Veronica jumps at the opportunity to leave her complicated life behind for a few months. But the Scottish countryside holds other plans. When Veronica and Mackenna settle into their cottage in Alloway they uncover a strange set of rings and a very unnerving letter from Mackenna's great aunt and when the girls test the instructions Aunt Gracie left behind they find themselves transported to a land that defies explanation. Doon seems like a real life fairy tale complete with one prince who has eyes for Mackenna and another who looks suspiciously like the blond kilted boy from Veronica's visions. But Doon has a dark secret that threatens everything. The two girls could have all they've longed for or they could end up trapped on the wrong side of the Brig o Doon forever in a world that is quickly becoming a nightmare. Perfect for fans of Gail Carson Levine Meagan Spooner or Morgan Rhodes Doon features Soulmates and one true love tropes. Clean and wholesome romance. Magical fantasy world within modern society. Journey back to Doon with the other titles in the series. Destined for Doon Book 2 Shades of Doon Book 3 Forever Doon Book 4

Water+Ink Coloring Book Winter 2020 Kim Winberry, 2019-07-22 I begin my paintings with a sketch and application of colorful bright pigment and water to the paper. I disrupt the blends with salt or water watching as one color blossoms in water as another color starts to travel across the paper. I utilize India Ink to demarcate changes also adding swirls other artifacts in the aim to achieve whimsy. My coloring books are my paintings. I run the paintings through filters and drop the color from them leaving the lines so that you can add your own color. But wait there's more. I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there

Take out your phone download the Zappar app from your app store and zap the code What happens At the very least an image of the original painting will pop up and you can see what it looks like side by side with the coloring page Beyond that you ll meet Mist my liaison to the AR world She will be a recurring character in all my AR work Stay tuned and enjoy
