Your French CLEP study guide also includes flashcards that are bound into the back of the book. Use these to memorize key concepts and terms. Anyone can take and pass a CLEP test. What are you waiting for? *****Testimonial*****I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've

passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.****

Endorsed by the IB Drive meaningful inquiry through a unique concept-driven narrative. - Supports every aspect of assessment with opportunities that use the criteria - Gives you easy ways to differentiate and extend learning - Provides a meaningful approach by integrating the inquiry statement in a global context - Develops critical-thinking skills with activities and summative sections rooted in the ATL framework A concept-driven and assessment-focused approach to Spanish teaching and learning. - Approaches each chapter with statements of inquiry framed by key and related concepts, set in a global context - Supports every aspect of assessment using tasks designed by an experienced MYP educator - Differentiates and extends learning with research projects and interdisciplinary opportunities - Applies global contexts in meaningful ways to offer an MYP Spanish programme with an internationally-minded perspective Spanish Assessment Masters

"I put the development of new kinds of tests at the top of the list because of the importance of tests in shaping all that we do and think in the classroom. . . If we teach for communicative competence, we have to test for communicative competence." (Communicative Approach Expert, Sandra J. Savignon, 1976, p. 5). With this guide* and these Spanish texts**, proficiency testing can finally become a common practice in the classroom, which can have widespread effects on how we teach, namely, enabling more communicative language teaching. New approaches require new testing methods. This is the book teachers need (and long overdue in the language teaching field) with potential to be a game-changer. The proficiency tests are - Meaning-based - Comprehension-based - Bias for the students' best - Quick to administer and easy to score I have personally field-tested the stories and procedures and adopted them for my own action research. I used them as pre and post tests, the results of which helped me earn "Exemplary" ratings on my teacher evaluation. The tests also gave me diagnostic data when starting at a new school and served as final exams based on growth. The book reviews the constructs and terminology of communicative language teaching, proficiency, and testing. The Proficiency Guidelines from the American Council on the Teaching of Foreign Languages (ACTFL) are explained, critiqued, and common misinterpretations reviewed. Improved testing methods are discussed, namely Savignon's 1972 study that started the communicative movement in testing and tests I designed in the same spirit. Finally, recommended are 8 practical tasks with practical evaluation criteria. Teachers with a story-based curriculum can test how they teach and everyone can use stories as the starting point for different communicative tasks. Given that this book can also function as a speed reading course, the benefits and research of speed reading are also included. The rest of the book consists of thirty stories and thirty quizzes written within the highest frequency 300 words. The readings get progressively more challenging. The number of different words in a story, sentence length, and structural variety all slightly increase. This enables a teacher to test with stories at different levels in order to give everyone a chance at improving. In my classroom, I repeated the same task with 2 different stories: 1 from the first half, 1 from the latter half of the book. Go here to view samples (scroll down): <http://acquisitionclassroom.weebly.com/assessing-proficiency.html> * The guide has the same content as is in *Assessing Proficiency in the Classroom*. ** The texts are the same as are in *Speed Readings for Spanish Learners*. Spanish curriculum for middle and secondary grades which uses an integrated approach to language learning to develop listening, reading, writing and speaking skills with a variety of print and technology resources. Levels 1A and 1B can be interchanged with Level 1. Develop your skills to become an inquiring learner; ensure you navigate the MYP framework with confidence using a concept-driven and assessment-focused approach to Spanish, presented in global contexts. - Develop conceptual understanding with key MYP concepts and related concepts at the heart of each chapter. - Learn by asking questions for a statement of inquiry in each chapter. - Prepare for every aspect of assessment using support and tasks designed by experienced educators. - Understand how to extend your learning through research projects and interdisciplinary opportunities. - Think internationally with chapters and concepts set in global contexts. This Spanish blackline master provides tips and practice for achieving success in the high-stakes tests. 21st Century Assessments offers students opportunities to familiarize themselves with these test item types and includes performance tasks for every chapter. A concept-driven and assessment-focused approach to Spanish teaching and learning. - Approaches each chapter with statements of inquiry framed by key and related concepts, set in a global context - Supports every aspect of assessment using tasks designed by an experienced MYP educator - Differentiates and extends learning with research projects and interdisciplinary opportunities - Applies global contexts in meaningful ways to offer an MYP Spanish programme with an internationally-minded perspective Develop your skills to become an inquiring learner; ensure you navigate the MYP framework with confidence using

a concept-driven and assessment-focused approach to (insert subject), presented in global contexts. - Develop conceptual understanding with key MYP concepts and related concepts at the heart of each chapter. - Learn by asking questions for a statement of inquiry in each chapter. - Prepare for every aspect of assessment using support and tasks designed by experienced educators. - Understand how to extend your learning through research projects and interdisciplinary opportunities. - Think internationally with chapters and concepts set in global contexts. Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a Listo page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021. Developed directly with the IB to be fully integrated with the revised MYP Language Acquisition framework, for first teaching in 2020. This comprehensive, inquiry-based resource equips learners to acquire and practice essential language skills while developing wider conceptual and contextual awareness. An inquiry-led, concept-based approach applies key and related concepts to relevant learning material, helping you fully deliver the MYP approach and build meaningful conceptual connections. Fully comprehensive, the resource addresses all the topics suggested in the MYP Language Acquisition Framework to help learners progress into the Diploma Programme. Provides a general review of the test, basic grammatical terms, vocabulary, and practice tests. Exam Board: IB Level: MYP Subject: Spanish First Teaching: September 2016 First Exam: June 2017 Has been updated for the revised curriculum from September 2020 Develop your skills to become an inquiring learner; ensure you navigate the MYP framework with confidence using a concept-driven and assessment-focused approach to Spanish, presented in global contexts. - Develop conceptual understanding with key MYP concepts and related concepts at the heart of each chapter. - Learn by asking questions for a statement of inquiry in each chapter. - Prepare for every aspect of assessment using support and tasks designed by experienced educators. - Understand how to extend your learning through research projects and interdisciplinary opportunities. - Think internationally with chapters and concepts set in global contexts. A complete, grade-level teacher tool to help ensure that students are making adequate progress toward mastery with instruction on assessing by day, unit, or interim. Includes specific, actionable recommendations for teachers to make instructional decisions and differentiate as appropriate. "When a young bilingual child experiences language difficulties, it can be hard to tell if those challenges are due to a disorder or just limited exposure to the English language. That's a critical distinction--because while limited language exposure will fix itself over time, a language impairment is a clinical issue that will cause the child difficulties in school without timely and effective intervention. Now there's a valid, reliable assessment that specifically responds to the needs of young Spanish-English bilingual children. For use with children ages 4 through 6 years who have varying degrees of bilingualism, the Bilingual English-Spanish Assessment (BESA) was developed to: - identify phonological and/or language impairment in bilingual children and English language learners using a standardized protocol - differentiate between a delay in English language acquisition and a true language disorder - document children's speech and language strengths and needs - monitor children's progress in both languages and use the information to make decisions about intervention What's in the kit? - 1 BESA Test Manual - 1 BESA Stimulus Book - 20 BESA Protocol English Forms - 20 BESA Protocol Spanish Forms - 20 BIOS Forms - 20 ITALK forms"-- Issued for use as a kit, consisting of 4 components, tracks articulation skills from preschool through primary and secondary school years and into young adulthood. EVERYTHING YOU NEED TO HELP SCORE A PERFECT 800. Equip yourself to ace the SAT Spanish Subject
