At the Dark End of the Street Danielle L. McGuire, 2011-10-04 Here is the courageous groundbreaking story of Rosa Parks and Recy Taylor a story that reinterprets the history of America's civil rights movement in terms of the sexual violence committed against Black women by white men An important step to finally facing the terrible legacies of race and gender in this country The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery's city buses and whose supposedly solitary spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written In this groundbreaking and important book Danielle McGuire writes about the rape in 1944 of a twenty four year old mother and sharecropper Recy Taylor who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville Alabama Seven white men armed with knives and shotguns ordered the young woman into their green Chevrolet raped her and left her for dead The president of the local NAACP branch office sent his best investigator and organizer Rosa Parks to Abbeville In taking on this case Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change

Boyd, 2003-11-07 While this is a glimpse of Frankfort's African American community it has much in common with other Black communities especially those in the South. Although much in the collection that produced this work both photographic and oral history is nostalgic it ultimately demonstrates that change is constant producing both negative and positive results. Kindred Octavia E. Butler, 2004-02-01 From the New York Times bestselling author of *Parable of the Sower* and MacArthur Genius Grant, Nebula and Hugo award winner. The visionary time travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. I lost an arm on my last trip home. My left arm, Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise. New York Times Reading Octavia Butler taught me to dream big and I think it's absolutely necessary that everybody have that freedom and that willingness to dream. N. K. Jemisin. Developed for television by writer-executive producer Branden Jacobs Jenkins. *Watchmen* executive producers also include Joe Weisberg and Joel Fields. *The Americans*, *The Patient*, and Darren Aronofsky's *The Whale*. Janicza Bravo. Zola is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

The Color Complex Kathy Russell, Kathy Russell-Cole, Midge Wilson, Ronald E. Hall, 1993. Presents a powerful argument backed by historical fact and anecdotal evidence that color prejudice remains a devastating divide within Black America.
