Car Land Cruiser Prado, manufactured by Toyota since 1987. The cost of the car was not small, but comfortable ride, excellent off-road performance and build quality have made the car very popular. The second generation of the family Toyota began to produce in 1996. The car was named the Toyota Prado 90. Repair and maintenance of cars were also held in firm service centers throughout Japan, as well as beyond its borders - Toyota Prado 90 gained increasing popularity in other countries. The third generation of the family of Prado was released in 2002 - today it is the most common brands of cars Toyota Prado. This generation has been called the Toyota Prado 120. Repair and maintenance of these cars - a very common practice in technical centers worldwide. In European countries, this car is referred to as a Toyota Land Cruiser Prado 120. Repair and maintenance of Toyota Prado - a significant item of expenditure of a happy owner of a passenger car. To save on these expenses will help you this book. Timely independent repair and diagnostics eliminate costly repairs Toyota Land Cruiser 120. You trust car services to which you give your car for repair? After you take away the car from repair, you had no thoughts - that work has been made not qualitatively, or has not been made in general though money has been paid for repair. How you define oil in transmission or the gearbox has been replaced? Agree - such thoughts can arise at any, especially if your car (it is not clear for what) detained at service station. If you thought of it if you like to support and repair independently the car - this book means to you. To read special books on
