Bitten & Smitten Michelle Rowen,2010-07-15 Blind dates can be bad but Sarah Dearly's date is a true contender for worst ever His neck nibbling didn't just leave a bruise it turns her into a vampire and the newest target for a pack of zealot vampire hunters With her date now their latest victim Sarah runs for her immortal life straight into Thierry de Bennicoeur a master vampire who is just a wee bit suicidal Thierry can't resist a damsel in distress and agrees to teach Sarah how to live the vampire life if she'll help him end his own But as it turns out Sarah may be his best reason for living Fanged &

Fabulous Michelle Rowen,2010-08-12 My name is Sarah Dearly and I've got major problems Last month I was turned into a vampire by the world's worst blind date Then I may have totally by accident started a war between the mostly peaceful bloodsuckers and a bunch of sociopathic vamp hunters who have nicknamed me the Slayer of Slayers Now I'm being used as bait to draw out the hunters' bad ass leader while my gorgeous 600 year old boyfriend Thierry seems to be blowing me off and my sizzle hot fanged friend Quinn is trying to turn my self defence lessons into make out sessions So you know what I'm done I've had it There comes a time when a vamp has to just suck it up and go after what she wants And as soon as I figure out what that is that's exactly what I'll do **Some Lucky Woman** Carmen DeSousa,2016-03-29 After fifteen years of

marriage Jana's luck just ran out right into the arms of another woman Now she's determined to make her own luck The first thing Jana realizes she needs to do is empty the joint bank account then she's thinking she might take a tire iron to her soon to be ex husband's truck After that she's not sure what she'll do Maybe she'll adopt a cat Very quickly Jana decides she doesn't need a man A perfectly sized and shaped device and writing about the perfect hero will more than suffice Determined to share her philosophy she pens *You Don't Need a Man* encouraging women everywhere to go out and experience life instead of waiting for a man to complete them Three years later Jana has a New York Times bestseller and a contract for a movie adaptation but she also has a shoulder injury which has put a crimp in her new carefree lifestyle Worse yet she can't write Her only hope is Dr Adrian Kijek a renowned physical therapist who hates her simply because she wrote a book about not needing a man or so she thinks What readers are saying about *Some Lucky Woman* Great story and even greater message Goodreads I loved how the story moved quickly and covered five years of Jana's life and her growth to independence I loved her relationship with her cousin and how smart both women were and how they supported each other Goodreads Great story about a woman's journey to love and fulfillment New York Times and USA Today bestselling author Tina Waincott Jaime Rush **WARNING** Although there are many adult situations in this novel if say something crazy happened and a famous producer adapted this contemporary women's fiction into a movie it would have a PG 13 rating There are no erotic scenes no graphic violence and while there are a few allowed on TV curse words there aren't a plethora of gratuitous foul words Oh and if you were looking for a cliffhanger you won't find that here either *Some Lucky Woman* includes all three parts of Jana's

story Please proceed at your own risk **The Demon in Me** Michelle Rowen,2010-05-04 View our feature on Michelle Rowen s The Demon in Me Hell hath no fury like a woman possessed After her hunky police detective partner guns down a serial killer in front of her psychic consultant Eden Riley realizes that she s no longer alone A voice in her head introduces himself as Darrak He s a demon But not in a bad way He was cursed 300 years ago and he wants to find a way to break free Eden s psychic energy helps him take form during daylight and she s going to have to learn to live with this sexy demon like it or not Phonetics, Theory and Application William R. Tiffany,James A. Carrell,1977 **Hollywood Highbrow** Shyon Baumann,2018-06-05 Today s moviegoers and critics generally consider some Hollywood products even some blockbusters to be legitimate works of art But during the first half century of motion pictures very few Americans would have thought to call an American movie art Up through the 1950s American movies were regarded as a form of popular even lower class entertainment By the 1960s and 1970s however viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms In Hollywood Highbrow Shyon Baumann for the first time tells how social and cultural forces radically changed the public s perceptions of American movies just as those forces were radically changing the movies themselves The development in the United States of an appreciation of film as an art was Baumann shows the product of large changes in Hollywood and American society as a whole With the postwar rise of television American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers Around the same time European ideas about the director as artist an easing of censorship and the development of art house cinemas film festivals and the academic field of film studies encouraged the idea that some American movies and not just European ones deserved to be considered art A Simple Kill Nolon King,2021-07-16 Emily Wyatt wants to save the world Or at least take some seriously bad guys down But with a chip on her shoulder and betrayal in her past she might be her own worst enemy Fresh from military life she s haunted by the loss of her hero father who she looked up to all her life and is still sore from the treachery of her mentor who stabbed her in the back when she first joined the FBI Now Emily must put it all on the line to go undercover as an assassin to infiltrate The Outfit a notorious international crime syndicate that has eluded law enforcement around the world But in this game her targets are as likely to be law enforcement as rival criminals Does Emily have what it takes to work her way up into the innermost circle and reveal who the big bosses are Or will her conscience betray her too A Simple Kill is a stand alone novel by best selling thriller author Nolon King Nolon loves exploring big questions and moral quandaries How far would you go to cover up an honest mistake Would you destroy your career to protect your family How much of your soul would you sacrifice to exact revenge Get A Simple Kill today Fresh from the Farm 6pk Rigby,2006
