Sletvrees Sunny Bergman, 2013-10-29 Terwijl ik met mijn voeten wijdbeens in de stijgbeugels lig probeer ik scherp te stellen op het gezicht van de dokter Ontspan je eens zegt de Amerikaanse dokter Matlock gynaecoloog en vaginaverbouwer Hij kijkt in mijn kruis en is angstwekkend lang stil Hij buigt opzij en pakt iets Een eendenbek Nee nee roep ik Dan kan ik niet meer filmen Ik vind het te vernederend om langzaam opengeschroefd te worden in het bijzijn van mijn geluidsvrouw en zijn doktersassistente De scène in Beperkt houdbaar waar dokter Matlock uitvoerig in de kut van Sunny Bergman kijkt en opsomt met welke cosmetische ingrepen ze een playboy look zou krijgen is onvergetelijk De kijker wordt onontkoombaar aan het denken gezet Sunny's handelsmerk is een persoonlijke en tegelijkertijd filosofisch getinte zoektocht zonder makkelijke antwoorden maar met des te meer ongemakkelijke vragen Een tocht van sekstantes in Oeganda naar een slettencursus in de VS en van een botoxkliniek naar een pornobeurs Met als hoofdvraag waarom zijn vrouwen zo bezig met een sexy uiterlijk terwijl hun seksuele handelen een mijnenveld is Want waar een glossy look en pornoseks moeiteloos een podium vinden daar schreeuwen het echte lichaam en de weerbarstige en kwetsbare kant van seks om aandacht en krijgen die niet In dit persoonlijke en levendige boek laat Sunny zien hoe ze te werk is gegaan bij het maken van haar films en gaat ze dieper in op de thematiek

The Sisters of Auschwitz Roxane van Iperen, 2021-08-31 A New York Times bestseller The unforgettable story of two unsung heroes of World War II sisters Janny and Lien Brilleslijper who joined the Dutch Resistance helped save dozens of lives were captured by the Nazis and ultimately survived the Holocaust Eight months after Germany's invasion of Poland the Nazis roll into The Netherlands expanding their reign of brutality to the Dutch But by the Winter of 1943 resistance is growing Among those fighting their brutal Nazi occupiers are two Jewish sisters Janny and Lien Brilleslijper from Amsterdam Risking arrest and death the sisters help save others sheltering them in a clandestine safehouse in the

woods they called The High Nest This secret refuge would become one of the most important Jewish safehouses in the country serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler From The High Nest an underground web of artists arises giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre war life of Amsterdam and The Hague When the house and its occupants are eventually betrayed the most terrifying time of the sisters lives begins As Allied troops close in the Brilleslijper family are rushed onto the last train to Auschwitz along with Anne Frank and her family The journey will bring Janny and Lien close to Anne and her older sister Margot The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage their resilience and their love for each other Based on meticulous research and unprecedented access to the Brilleslijpers personal archives of memoirs and photos *Sisters of Auschwitz* is a long overdue homage to two young women s heroism and moral bravery and a reminder of the power each of us has to change the world **A Good Day** Karl O'Leary,2016-06-09 Targeted for young children A Good Day delivers the message of sharing time with your sibling and observing the every day occurrences *The Beauty Bias* Deborah L. Rhode,2010-05-06 It hurts to be beautiful has been a cliché for centuries What has been far less appreciated is how much it hurts not to be beautiful *The Beauty Bias* explores our cultural preoccupation with attractiveness the costs it imposes and the responses it demands Beauty may be only skin deep but the damages associated with its absence go much deeper Unattractive individuals are less likely to be hired and promoted and are assumed less likely to have desirable traits such as goodness kindness and honesty Three quarters of women consider appearance important to their self image and over a third rank it as the most important factor Although appearance can be a significant source of pleasure its price can also be excessive not only in time and money but also in physical and psychological health Our annual global investment in appearance totals close to 200 billion Many individuals experience stigma discrimination and related difficulties such as eating disorders depression and risky dieting and cosmetic procedures Women bear a vastly disproportionate share of these costs in part because they face standards more exacting than those for men and pay greater penalties for falling short *The Beauty Bias* explores the social biological market and media forces that have contributed to appearance related problems as well as feminism s difficulties in confronting them The book also reviews why it matters Appearance related bias infringes fundamental rights compromises merit principles reinforces debilitating stereotypes and compounds the disadvantages of race class and gender Yet only one state and a half dozen localities explicitly prohibit such discrimination *The Beauty Bias* provides the first systematic survey of how appearance laws work in practice and a compelling argument for extending their reach The book offers case histories of invidious discrimination and a plausible legal and political strategy for addressing them Our prejudices run deep but we can do far more to promote realistic and healthy images of attractiveness and to reduce the price of their pursuit *And in the Vienna Woods the Trees Remain* Elisabeth Åsbrink,2020-01-21 Named a Best Book of the Year by Kirkus Reviews and a
