Band Aid For A Broken Leg Damien Brown

Band-Aid for a Broken Leg Damien Brown, 2012-07-01 A powerful heart breaking surprisingly funny honest and ultimately uplifting account of life on the medical frontline and a moving testimony of the work done by Medecins Sans Frontieres and the extraordinary and sometimes eccentric people who work for it Damien Brown a young Australian doctor thinks he s ready when he arrives for his first posting with Medecins Sans Frontieres in Africa But the town he s sent to is an isolated outpost of mud huts surrounded by landmines the hospital for which he s to be the only doctor is filled with malnourished children and conditions he s never seen and the health workers Angolan war veterans twice his age and who speak no English walk out on him following an altercation on his first shift In the months that follow Damien confronts these challenges all the while dealing with the social absurdities of living with only three other volunteers for company The medical calamities pile up a leopard attack a landmine explosion and having to perform surgery using tools cleaned on the fire being among them but it s through Damien s evolving friendships with the local people that his passion for the work grows **Band Aid for a Broken Leg** is a powerful sometimes heart breaking often funny always honest and ultimately uplifting account of life on the medical frontline in Angola Mozambique and South Sudan It is also a moving testimony of the work done by medical humanitarian groups and the extraordinary and sometimes eccentric people who work for them

Chasing Chaos Jessica Alexander, 2013-10-15 Jessica Alexander arrived in Rwanda in the aftermath of the 1994 genocide as an idealistic intern eager to contribute to the work of the international humanitarian aid community But the world that she encountered in the field was dramatically different than anything she could have imagined It was messy chaotic and difficult but she was hooked In this honest and irreverent memoir she introduces readers to the realities of life as an aid worker We watch as she manages a 24 000 person camp in Darfur collects evidence for the Charles Taylor trial in Sierra Leone and contributes to the massive aid effort to clean up a shattered Haiti But we also see the alcohol fueled parties and fleeting romances the burnouts and self doubt and the struggle to do good in places that have long endured suffering Tracing her personal journey from wide eyed and na ve newcomer to hardened cynic and ultimately to hopeful but critical realist Alexander transports readers to some of the most troubled locations around the world and shows us not only the seemingly impossible challenges but also the moments of resilience and recovery

Life in Crisis Peter Redfield, 2013-02-25 *Life in Crisis* tells the story of Medecins Sans Frontieres Doctors Without Borders or MSF and its effort to save lives on a global scale Begun in 1971 as a French alternative to the Red Cross the MSF has grown into an international institution with a reputation for outspoken protest as well as technical efficiency It has also expanded beyond emergency response providing for a wider range of endeavors including AIDS care Yet its seemingly simple ethical goal proves deeply complex in practice MSF continually faces the problem of defining its own limits Its minimalist form of care recalls the promise of state welfare but without political

resolution or a sense of well being beyond health and survival Lacking utopian certainty the group struggles when the moral clarity of crisis fades Nevertheless it continues to take action and innovate Its organizational history illustrates both the logic and the tensions of casting humanitarian medicine into a leading role in international affairs

The Idealist's Survival Kit Alessandra Pigni,2016-12-27 75 brief self care reflections that will aid workers activists and volunteers prevent burnout renew their sense of purpose and achieve fulfillment Heal from over exhaustion prevent burnout and regain your motivation with these short readings from a psychologist who has spent many years in the field working in conflict and disaster areas Gathered from Alessandra Pigni s interaction with humanitarian professionals and backed up by cutting edge research these concrete tools offer new perspectives and inspiration to anyone whose work is focused on helping others

Transcension Damien Broderick,2003-03-19 Damien Broderick has been a leading Australian SF writer since the 70s His novel The Dreaming Dragons was listed in SF the 100 best novels His recent nonfiction book The Spike is a mind stretching look at the wonders of the high tech future Now in Transcension he brings to life one of the futures he imagined in The Spike a world pervaded by nanotechnology and governed by artificial intelligence Transcension may be Broderick s best book yet Amanda is a brilliant violinist a mathematical genius and a rebel Impatient for the adult status her society only grants at age thirty but determined to have a real adventure first she has repeatedly gotten into trouble and found herself in the courtroom of Magistrate Mohammed Abdel Malik the sole resurrectee from among those who were frozen in the early twenty first century the man whose mind was the seed for Aleph the AI that rules this utopia Mathewmark is a real adolescent living in the last place where they still exist the reservation known as the Valley of the God of One s Choice where those who have chosen faith over technology are allowed to live out their simpler lives When Amanda determines that access to the valley is the key to the daring stunt she plans it is Mathewmark she will have to lead into temptation But just as Amanda Mathewmark and Abdel Malik are struggling to find themselves and achieve their potentials so is Aleph and the AI s success will be a challenge to them and all of humanity At the publisher s request this title is being sold without Digital Rights Management software DRM applied

Hope in Hell Dan Bortolotti,2004 Doctors Without Borders also known as Medecins Sans Frontieres delivers emergency aid around the world This book tells its history and examines the lives of individual volunteers Topics range from emergency surgery in war zones to witnessing atrocities

Pattern Recognition William Gibson,2004-06-24 Part detective story part cultural snapshot all bound by Gibson s pin sharp prose Arena THE FIRST NOVEL IN THE BLUE ANT TRILOGY READ ZERO HISTORY AND SPOOK COUNTRY FOR MORE Cayce Pollard has a new job She s been offered a special project track down the makers of an addictive online film that s lighting up the internet Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese hackers and Russian Mafia She s up against those who want to control the film to own it who figure breaking the law is just another business strategy The kind of people who relish turning the hunter into the hunted A gripping spy thriller by William Gibson bestselling author of Neuromancer Part

prophecy part satire Pattern Recognition skewers the absurdity of modern life with the lightest and most engaging of touches Readers of Neal Stephenson Ray Bradbury and Iain M Banks won't be able to put this book down Fast witty and cleverly politicized Guardian A big novel full of bold ideas races along like an expert thriller GQ Dangerously hip Its dialogue and characterization will amaze you A wonderfully detailed reckless journey of espionage and lies USA Today A compelling humane story with a sympathetic heroine searching for meaning and consolation in a post everything world Daily Telegraph Electric profound Gibson's descriptions of Tokyo Russia and London are surreally spot on Financial Times **Pentagon 9/11** Alfred Goldberg,2007-09-05 The most comprehensive account to date of the 9 11 attack on the Pentagon and aftermath this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue recovery and caregiving effort It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available *Emergency Sex (And Other Desperate Measures)* Andrew Thomson,Heidi Postlewait,Kenneth Cain,2011-05-31 What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives and perhaps also the world Attracted to the ambitious global peacekeeping work of the UN Andrew Ken and Heidi's paths cross in Cambodia from where their fates are to become inextricably bound Over the coming years their stories interweave through countries such as Rwanda Bosnia Somalia and Haiti war torn lawless places where the intervention of the UN is needed like nowhere else Driven by idealism the three struggle to do the best they can caught up in an increasingly tangled web of bureaucracy and ineffectual leadership As disillusionment sets in they attempt to keep hold of their humanity through black humour revelry and emergency sex Brutal and moving in equal measure *Emergency Sex And Other Desperate Measures* explores pressing global issues while never losing a sense of the personal Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively the book provoked massive controversy on its initial publication Kofi Annan called for the book to be banned and debate was sparked about the future direction of the UN Brilliantly written and mordantly funny it is a book that continues to make waves **Don't Try This at Home** Dave Navarro,Neil Strauss,2012-10-09 Step into the booth Check your judgments at the curtain Close your eyes Listen you can hear the voices of the visitors who sat here before you some of the most twisted drug addled deviant lonely lost brilliant characters ever to be caught on film What do you have to offer the booth [The Enemy](#) Charlie Higson,2013-01-02 In the wake of a devastating disease everyone sixteen and older is either dead or a decomposing brainless creature with a ravenous appetite for flesh Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food The group of kids living a Waitrose supermarket is beginning to run out of options When a mysterious traveler arrives and offers them safe haven at Buckingham Palace they begin a harrowing journey across London But their fight is far from over the threat from within the palace is as real as the one outside it Full of unexpected twists and quick thinking heroes *The Enemy* is a fast paced white knuckle tale of survival in the face of unimaginable horror **Hope**

in Hell Dan Bortolotti, 2011-12-23 More fascinating and harrowing accounts of the volunteer professionals who risk their lives to help those in desperate need Praise for the second edition Direct and evocative this well written book pushes readers to the edge of a world of grueling realities not known by most Americans Choice Doctors Without Borders aka Medecins Sans Frontieres or MSF was founded in 1971 by rebellious French doctors It is arguably the most respected humanitarian organization in the world delivering emergency aid to victims of armed conflict epidemics and natural disasters as well as to many others who lack reliable health care Dan Bortolotti follows the volunteers at the forefront of this organization and its work who daily risk their lives to perform surgery establish or rehabilitate hospitals and clinics run nutrition and sanitation programs and train local medical personnel These volunteer professionals Perform emergency surgery in war torn regions of Africa Asia and elsewhere Treat the homeless in the streets of Europe Honor cultural customs and understand societal differences that affect health care Witness and report the genocidal atrocities so often missed by mainstream media This new and revised third edition includes updates and new inside stories from recent relief operations and it covers changes within the organization such as its new emphasis on nutrition There are also many new and revealing color photographs and insights gained from the author s 2009 trip to Haiti where he found three different arms of MSF operating in dire conditions Hope in Hell is a widely acclaimed portrait of a renowned Nobel winning humanitarian organization revealing how Doctors Without Borders provides immediate and outstanding medical care [A Girl Named Disaster](#) Nancy Farmer, 2010-02-01 Orchard Classics is a collectible hardcover line of Newbery award winning titles from the Orchard backlist that have fresh beautiful new designs and include author prefaces and discussion guides A GIRL NAMED DISASTER is the humorous and heartwrenching story of young girl who discovers her own courage and strength when she makes the dangerous journey from Mozambique to Zimbabwe Nhamo is a Shona girl living in a traditional village in Mozambique in 1981 When her family tries to force her into a marriage with a cruel man she flees What was supposed to have been a short boat trip across the border into Zimbabwe where she hoped to find her father turns into an adventure filled with challenges and danger that lasts a year **Black Elk Speaks** John G. Neihardt, 2014-03-01 Black Elk Speaks the story of the Oglala Lakota visionary and healer Nicholas Black Elk 1863 1950 and his people during momentous twilight years of the nineteenth century offers readers much more than a precious glimpse of a vanished time Black Elk s searing visions of the unity of humanity and Earth conveyed by John G Neihardt have made this book a classic that crosses multiple genres Whether appreciated as the poignant tale of a Lakota life as a history of a Native nation or as an enduring spiritual testament Black Elk Speaks is unforgettable Black Elk met the distinguished poet writer and critic John G Neihardt in 1930 on the Pine Ridge Reservation in South Dakota and asked Neihardt to share his story with the world Neihardt understood and conveyed Black Elk s experiences in this powerful and inspirational message for all humankind This complete edition features a new introduction by historian Philip J Deloria and annotations of Black Elk s story by renowned Lakota scholar Raymond J DeMallie Three

essays by John G Neihardt provide background on this landmark work along with pieces by Vine Deloria Jr Raymond J DeMallie Alexis Petri and Lori Utecht Maps original illustrations by Standing Bear and a set of appendixes rounds out the edition

Reinforcement Learning, second edition Richard S. Sutton, Andrew G. Barto, 2018-11-13 The significantly expanded and updated new edition of a widely used text on reinforcement learning one of the most active research areas in artificial intelligence Reinforcement learning one of the most active research areas in artificial intelligence is a computational approach to learning whereby an agent tries to maximize the total amount of reward it receives while interacting with a complex uncertain environment In Reinforcement Learning Richard Sutton and Andrew Barto provide a clear and simple account of the field's key ideas and algorithms This second edition has been significantly expanded and updated presenting new topics and updating coverage of other topics Like the first edition this second edition focuses on core online learning algorithms with the more mathematical material set off in shaded boxes Part I covers as much of reinforcement learning as possible without going beyond the tabular case for which exact solutions can be found Many algorithms presented in this part are new to the second edition including UCB Expected Sarsa and Double Learning Part II extends these ideas to function approximation with new sections on such topics as artificial neural networks and the Fourier basis and offers expanded treatment of off policy learning and policy gradient methods Part III has new chapters on reinforcement learning's relationships to psychology and neuroscience as well as an updated case studies chapter including AlphaGo and AlphaGo Zero Atari game playing and IBM Watson's wagering strategy The final chapter discusses the future societal impacts of reinforcement learning

Boomerang Bride Margaret Pargeter, 1979 [The Circle](#) Dave Eggers, 2013-10-08

INTERNATIONAL BESTSELLER A bestselling dystopian novel that tackles surveillance privacy and the frightening intrusions of technology in our lives a compulsively readable parable for the 21st century Vanity Fair When Mae Holland is hired to work for the Circle the world's most powerful internet company she feels she's been given the opportunity of a lifetime The Circle run out of a sprawling California campus links users personal emails social media banking and purchasing with their universal operating system resulting in one online identity and a new age of civility and transparency As Mae tours the open plan office spaces the towering glass dining facilities the cozy dorms for those who spend nights at work she is thrilled with the company's modernity and activity There are parties that last through the night there are famous musicians playing on the lawn there are athletic activities and clubs and brunches and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO Mae can't believe her luck her great fortune to work for the most influential company in the world even as life beyond the campus grows distant even as a strange encounter with a colleague leaves her shaken even as her role at the Circle becomes increasingly public What begins as the captivating story of one woman's ambition and idealism soon becomes a heart racing novel of suspense raising questions about memory history privacy democracy and the limits of human knowledge

All of Me Anne Murray, Michael Posner, 2009-10-27 In this revealing autobiography Canada's first lady of

song for the first time tells the whole story of her astonishing 40 year career in show biz It is a candid retrospective of the extraordinary success achieved and the prices that had to be paid After Snowbird hit I was swept up like Dorothy in The Wizard of Oz and catapulted into a strange new universe If I thought for a moment that I was really in control of events I was deluded Anne Murray An unflinching self portrait of Canada s first great female recording artist All of Me documents the life of Anne Murray from her humble origins in the tragedy plagued coal mining town of Springhill Nova Scotia to her arrival on the world stage Anne recounts her story the battles with her record companies over singles and albums the struggle with drug and alcohol ridden band members the terrible guilt and loneliness of being away from her two young children her divorce from the man who helped launch her career Bill Langstroth and the deaths of two of her closest confidantes The result is a must read autobiography by Canada s beloved songbird **An Imperfect Offering** James Orbinski,2009-09-29 Describes the author s experiences as a doctor for Doctors Without Borders in countries such as Somalia Afghanistan and Rwanda the conditions he witnessed and the political roadblocks that prevented aid from reaching patients **In the Eyes of Others** Caroline Abu-Sada,2012
