The Boat People Sharon Bala,2018-01-09 Globe and Mail bestseller The Boat People is an extraordinary novel about a group of refugees who survive a perilous ocean voyage only to face the threat of deportation amid accusations of terrorism When a rusty cargo ship carrying Mahindan and five hundred fellow refugees from Sri Lanka's bloody civil war reaches Vancouver's shores the young father thinks he and his six year old son can finally start a new life Instead the group is thrown into a detention processing center with government officials and news headlines speculating that among the boat people are members of a separatist militant organization responsible for countless suicide attacks and that these terrorists now pose a threat to Canada's national security As the

refugees become subject to heavy interrogation Mahindan begins to fear that a desperate act taken in Sri Lanka to fund their escape may now jeopardize his and his son's chance for asylum Told through the alternating perspectives of Mahindan his lawyer Priya a second generation Sri Lankan Canadian who reluctantly represents the refugees and Grace a third generation Japanese Canadian adjudicator who must decide Mahindan's fate as evidence mounts against him *The Boat People* is a spellbinding and timely novel that provokes a deeply compassionate lens through which to view the current refugee crisis
