

A dramatic scene set inside a cave. In the center, a bright fire burns in a stone fire pit. The cave's opening reveals a sunset over a body of water, with mountains in the distance. The sky is filled with vibrant orange, red, and purple clouds. The cave walls are dark and textured, with some greenery visible on the right. In the foreground, several human skulls and bones are scattered on the ground, suggesting a site of discovery or a dark history.

**Hide and Seek** Jack Ketchum, 2007-09-15 TRADE PAPERBACK EDITION OF THE OUT OF PRINT SECOND NOVEL FROM JACK KETCHUM

**Ladies' Night** Jack Ketchum, 2016-06-22 Ladies Night is a non stop rollercoaster ride of sheer nerve rattling terror previously deemed too violent for mass market publication In this modern tale of the ages old battle of the sexes carried to the extreme Jack Ketchum again provides readers with an excursion into horror as relentless as a John Woo film Tom Braun and his wife Susan aren t exactly a picturesque couple Thus it comes as no surprise that Tom continually spends late evenings in bars and cheats on his wife Unfortunately their son Andy is caught in the middle of his parent s childish banter and family chaos One life altering evening turns this family s along with most of New York s perceptions on the nuclear family and male female relationships upside down When a tanker truck with Ladies Inc emblazoned on the side crashes in a quiet area in New York an area it doesn t have authorization to be in it liberally spills its contents all over the road and into the surrounding atmosphere The local authorities deem the contents of the spill to be safe based merely on the assumption that products coming from a women s label are more than likely benign Moreover the smell emanating from the spill is one of sweet cherry similar to lollipops which must of course be harmless if not favorable This aforementioned assumption proves fatally incorrect The chemical load the truck was hauling procures a discomfiting bestial effect in women forcing them to savagely attack males in their vicinity

Be they former friend or foe Tom while at a local bar absorbs the evening's strange turn of events with traumatizing clarity as he witnesses first hand the metamorphosis of surrounding women into gruesomely instinctual brutes and mantis like predators He must get home to his son Andy who is currently alone with his wife Susan Hopefully before it is too late
