Stygian Sherrilyn Kenyon,2018-08-28 A New York Times bestseller 1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark Hunters in Stygian with a hero misunderstood by many but most of all by himself Born before man recorded time I lived for thousands of years believing myself to be something I m not Someone I m not Lied to and betrayed by gods Daimons and Dark Hunters I ve struggled to find my way in a world where I ve been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son Trained as a slayer and predator I learned to fit in and stay low To become a tool for evil Until I was sent to kill the one woman I couldn t My hesitation cost her her life Or so I thought In an act of betrayal that makes all the others pale in comparison I ve learned that this world is an illusion and that my Phoebe still lives Now I will have to travel into the very pits of Hades to try and save her even as everyone around me attempts to steal what little soul I have left There s only one person at my back and I m not sure I can trust her either for she was born of an enemy race Yet sometimes the road to redemption is one that singes us to our very core And if I fail to find the answers I need to save Phoebe more than just my wife will die We will lose the world Both human and Daimon At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
