A Short History of Western Performance Space David Wiles, 2003-10-02 This innovative book provides a historical account of performance space within the theatrical traditions of western Europe David Wiles takes a broad based view of theatrical activity as something that occurs in churches streets pubs and galleries as much as in buildings explicitly designed to be theatres He traces a diverse set of continuities from Greece and Rome to the present including many areas that do not figure in standard accounts of theatre history

Dancing with the Revolution Elizabeth B. Schwall, 2021-04-06 Elizabeth B Schwall aligns culture and politics by focusing on an art form that became a darling of the Cuban revolution dance In this history of staged performance in ballet modern dance and folkloric dance Schwall analyzes how and why dance artists interacted with republican and later revolutionary politics Drawing on written and visual archives including intriguing exchanges between dancers and bureaucrats Schwall argues that Cuban dancers used their bodies and ephemeral nonverbal choreography to support and critique political regimes and cultural biases As esteemed artists Cuban dancers exercised considerable power and influence They often used their art to posit more radical notions of social justice than political leaders were able or willing to implement After 1959 while generally promoting revolutionary projects like mass education and internationalist solidarity they also took risks by challenging racial prejudice gender norms and censorship all of which could affect dancers personally On a broader level Schwall shows that dance too often overlooked in histories of Latin America and the Caribbean provides fresh perspectives on what it means for people and nations to move through the world
