**The Real Thing** Doris Lessing,2010-10-19 Doris Lessing has a powerful voice and a particular one It speaks in anger at the distortion of personal relations ion a unsound society but speaks it with a wit that manages to be both pitiless and compassionate Richard Eder Los Angeles Times The stories and sketches in this collection penetrate to the heart of human experience with the passion and intelligence readers have come to expect of Doris Lessing Most of the pieces are set in contemporary London a city the author loves for its variety its diversity the way it connects the life of animals and birds in the parks to the streets Lessing s fiction also explores the darker corners of relationships between women and men as in the rich and emotionally complex title story in which she uncovers a more parlous reality behind the fa ade of the most conventional relationship between the sexes

**London Observed** Doris Lessing,1993 Across eighteen short stories Lessing dissects London and its inhabitants with the power for truth and compassion to be expected of the Nobel Prize for Literature 2007 During that first year in England I had a vision of London I cannot recall now it was a nightmare city that I lived in for a year Then one evening walking across the park the light welded buildings trees and scarlet buses into something familiar and beautiful and I knew myself to be at home Lessing s vision of London a place of nightmares and wonder underpins this brilliantly multifaceted collection of stories about the city seen from a cafe table a hospital bed the back seat of a taxi a hospital casualty department seen as always unflinchingly and compellingly depicted

Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works, and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory.

*Through The Tunnel* Doris Lessing, 2013-03-28 From the winner of the Nobel Prize for Literature Doris Lessing a short story about a young boy's coming of age. **Doris Lessing and the Forming of History** Kevin Brazil, 2016-09-20 The death of Nobel Prize winning Doris Lessing sparked a range of commemorations that cemented her place as one of the major figures of twentieth and twenty first century world literature. This volume views Lessing's writing as a whole and in retrospect focusing on her innovative attempts to rework literary form to engage with the challenges thrown up by the sweeping historical changes through which she lived. The 12 original chapters provide new readings of Lessing's work via contexts ranging from post war youth politics and radical women's writing to European cinema, analyse her experiments with genres from realism to autobiography and science fiction and draw on previously unstudied archive material. The volume also explores how Lessing's writing can provide insight into some of the issues now shaping twenty first century scholarship including trauma, ecocriticism, the post human and world literature as they emerge as defining challenges to our own present moment in history.
